

Saint George Of England

G. J. Marcus

Saint George Of England:

The Cult of Saint George in Medieval England Jonathan Good, 2009 How St George became the patron saint of England has always been a subject of speculation He was not English nor was his principal shrine there the usual criteria for national patronage yet his status and fame came to eclipse that of all other saints Edward III's use of the saint in his wars against the French established him as a patron and protector of the king unlike other saints George was adopted by the English to signify membership of the community of the realm This book traces the origins and growth of the cult of St George arguing that especially after Edward's death George came to represent a good politics deriving from Edward's prosecution of a war with spoils for everyone and could be used to rebuke subsequent kings for their poor governance Most medieval kings came to understand this fact and venerated St George in order to prove their worthiness to hold their office The political dimension of the cult never completely displaced the devotional one but it was so strong that St George survived the Reformation as a national symbol one that continues in importance in the recovery of a specifically English identity **Saint George** Lois Rock, 2005 A brief biography of St George the patron saint of England Relates the story of Saint George slaying the dragon Also discusses the customs and traditions linked to St George's day on 23 April Suggested level junior primary St George Alison Maloney, 2010-04-09 Pope Gelasius who canonized St George in 494 described him as one of those whose names are rightly revered among us but whose actions are known only to God The story of England's Patron Saint is so encased in myth and legend that the truth of his remarkable life is unknown to the great majority of us In many ways the attitude of the English reflects the many contradictions in the story of St George and the growth of his legend worldwide A Christian martyr murdered by a Roman emperor in Palestine he is a legendary dragon slayer who saved a virgin princess from sacrifice but not before insisting her entire town converts to Christianity Yet he is also the model for mythical Islamic hero Al Khidr He is the Patron Saint of England but never set foot on English soil and the legend of his knightly deeds came from the imagination of a bishop in Italy In recent years through national pride more than religious fervour the popularity of St George's Day has risen sharply with more parades parties and pub get togethers than we saw in the latter half of the twentieth century *The Legend of Saint George, Patron Saint of England* W. Guy Pearse, 1903 St George Giles Morgan, 2017-03-23 At the heart of the myths and legends surrounding St George lies the story of an early Christian martyr persecuted by the Roman Empire around the third century AD But England is only one country to have adopted this soldier saint as their patron Others including Germany Hungary and Portugal claim him as their own The cult of St George is astonishingly widespread with churches dedicated to him in Ethiopia Egypt and Greece His heroic struggle and victory against the dragon can be interpreted as representing the bravery of an individual Christian or the eternal battle between good and evil There are however clear parallels between his battle and those of pre-Christian heroes such as Perseus and Beowulf St George is also identified with the Islamic hero Al Khidr who is said to have discovered the fountain of youth Associated with the coming of spring and

functioning as a fertility symbol has been closely linked to the Green Man of Pre Christian Myth St George has also acted as a symbol of chastity and served as a healing saint His flag has been appropriated by the far right but in recent times come to identify a multicultural England

The Legend of Saint George W. Guy Pearse,192? **Saint George** Elizabeth Oke Gordon,1907 *A new historical account of St. George for England, and the original of the ... order of the Garter, etc* Thomas SALMON (Rector of Mepsall.),1704
