Saint John In The Golden Age Of Postcards

Marcel A. Müller

Saint John In The Golden Age Of Postcards:

Saint John in the Golden Age of Postcards: 1900-1915 Terry R. J. Keleher, Donald P. Collins, 2009-12-01 From 1900 through 1915 a golden age of postcard production and use occurred in North America These images were collected and saved over the years creating a vast archive of local history These postcards offer a very nuanced and thorough representation of what life was like in Saint John during the early years of the twentieth century and it is with great surprise that readers will discover the wealth of information revealed through this medium Saint John Terry R. J. Keleher, Donald P. Collins, 1998-10-19 After the so called golden age of postcards the fancy and patriotic cards previously produced in large volume began to be replaced by others with more realistic timely themes Photographic postcards became the fashion as people became enamored with their ability to capture images of local events In Saint John local photographers began producing photographic postcards of parades sporting events and royal visits Saint John More Postcard Memories focuses on the years from 1915 to 1950 taking the reader through the city's history as it developed after the golden age Over 200 images contained in this book show the full variety and experience of life in Saint John we observe everything from playground scenes to parades and from formal dedications to times of war These richly varied postcards will stimulate the memories of some of the city's senior citizens and will give younger residents a glimpse of times gone by The Creative City of Saint John Christl Verduyn, 2018-09-11 This book presents a wide ranging portrayal of the creative work done in Saint John in the hundred years following Confederation Beautiful watercolour and oil paintings early fossil discoveries successful bestselling authors and other examples of the creative city are brought together in this volume Among the many surprising and interesting accounts the contribution to Maritime natural history made by a butterfly found in the city the role of the city's Great Fire in generating a host of visual artists documenting the urban landscape and the little known Hollywood connection that made the city a hotbed of film production in the early 1900s *A History of Photography in Canada, Volume 1* Martha Langford, 2025-08-22 From early reports of the invention to its wide application during World War I the idea of photography created anticipation and participation in the modern world The first volume of A History of Photography in Canada captures this phenomenon by looking at hundreds of photographs generated in and about Canada in the making and by listening to the chords they struck in the collective imagination Emphasizing technological readiness and cultural eagerness for the medium Martha Langford shows how photography served ideals of progress and improvement as Canada's settler society looked to master the world by seizing its visible traces The imposition of these programs on Indigenous Peoples and indentured labourers is confronted throughout this volume which offers both narratives and counternarratives of subjectification Reproducing images of people places events and objects from the unceded territories of the First Nations Inuit and Métis from British North America and from the Dominion of Canada and the Dominion of Newfoundland Langford asks where and when photographs were taken why and by whom How did the making and preservation of a photograph alter

the circumstances in which it was produced and how did this affect individual and collective consciousness Alongside accomplished portraits landscapes still lifes and their vernacular counterparts the book draws glimmers of photographic experience from treatises and doggerel official reports and personal diaries newspapers magazines letters and travelogues Anticipation to Participation chronicles eight decades of reinvention and repurposing from a wondrous discovery to the wide adoption of a basic tool for knowledge gathering artmaking and journaling Langford s sweeping narrative rewrites the history of photography from the bottom up vividly expanding the definition of photographic experience **Picture**

Postcards of the Golden Age Tonie Holt,Valmai Holt,1971 New Orleans in Golden Age Postcards Matthew Griffis,2020-09-22 New Orleans in Golden Age Postcards showcases over three hundred vintage postcard images of the city printed in glorious color From popular tourist attractions restaurants and grand hotels to local businesses banks churches neighborhoods civic buildings and parks the book not only celebrates these cards visual beauty but also considers their historic value After providing an overview of the history of postcards in New Orleans Matthew Griffis expertly arranges and describes the postcards by subject or theme Focusing on the period from 1900 to 1920 the book is the first to offer information about the cards many publishers More than a century ago people sent postcards like we make phone calls today Many also collected postcards even trading them in groups or clubs Adorned with colorized views of urban and rural landscapes postcards offered people a chance to own images of places they lived visited or merely dreamed of visiting Today these relics remain one of the richest visual records of the last century as they offer a glimpse at the ways a city represented itself They now appear regularly in art exhibits blogs and research collections Many of the cards in this book have not been widely seen in well over a century and many of the places and traditions they depict have long since vanished **Yeovil The**

Postcard Collection Bob Osborn,2019-04-15 Capturing old Yeovil in all its glory from an extensive collection of beautiful postcards spanning over 100 years **York The Postcard Collection** Paul Chrystal,2017-03-15 Beautiful postcards capturing old York in all its glory **Acadiensis** ,1998 **Encyclopedia of Twentieth-Century Photography, 3-Volume Set** Lynne Warren,2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included Jacksonville in Vintage Postcards Jacksonville Historical Society,2001 The Great Fire of May 3 1901 marked at once the end and the beginning of the City of Jacksonville A thriving port and a center for business and tourism until that point Jacksonville was

devastated by the conflagration and yet even before the ashes had cooled a building boom began Prominent and aspiring architects flocked to the area and the opportunities it afforded them to create a twentieth century city Jacksonville's ensuing era of reconstruction and growth which would continue until the United States entered World War I in 1917 helped to define the city's present personality and appearance South Bend, Indiana Kay Marnon Danielson, 2001 The land now called St Joseph County was familiar ground to Native Americans long before recorded history Many Indians including the local Potawatomie and Miami trod the well worn path that offered a two mile portage between the St Joseph River and Lake Michigan to the Kankakee River and eventually the Mississippi River Pierre F Navarre built a log cabin beside the St Joseph River in 1820 and began a settlement that would eventually become South Bend and Mishawaka in St Joseph County The over 200 vintage images in this book drawn from St Joseph County and Mishawaka as well as South Bend look back at the commerce industry and businesses like Studebaker Ball Band Singer and Bendix which grew on the rich resources of the area Education was a high priority for early settlers and they established one room schoolhouses and Notre Dame University The photographs show public places buildings and servants some long gone others that are still with us today And of course there are pictures of the people the homes they built and the activities they enjoyed in their northern Indiana home

Subject Guide to Books in Print, 1993 **Postcards** Lydia Pyne, 2021-10-13 A global exploration of postcards as artifacts at the intersection of history science technology art and culture Postcards are usually associated with banal holiday pleasantries but they are made possible by sophisticated industries and institutions from printers to postal services When they were invented postcards established what is now taken for granted in modern times the ability to send and receive messages around the world easily and inexpensively Fundamentally they are about creating personal connections links between people places and beliefs Lydia Pyne examines postcards on a global scale to understand them as artifacts that are at the intersection of history science technology art and culture In doing so she shows how postcards were the first global social network and also here in the twenty first century how postcards are not yet extinct *American Holiday Postcards, 1905-1915* Daniel Gifford, 2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing

expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era *Postcard America* Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L. Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images *Postcard Dogs* Libby Hall, 2005-03-14 A beautiful collection of private photographs and amusing commercial postcards from the turn of the last century that celebrate our love for man s best friend While visiting postcard fairs and browsing their collections Libby Hall author of *Prince and Other Dogs I and II* found herself won over by these cards Wildly sentimental images that in a modern light might seem over the top a dog crying real tears while thinking of his master fighting on the front lines during World War I an Edwardian tea party given for a child s favorite pet a canine family toasting their uncle s good health suggest a genuine love and respect for the animals that were beginning to become a fixture of the modern nuclear family For both collectors and general readers *Postcard Dogs* will charm and amuse you with its odd yet heartfelt portraits capturing the excitement and possibility of a society on the brink of profound change **The Official Rinker Price Guide to Collectibles** Harry L. Rinker, 2000-10-10 This fourth edition of the Harry L Rinker Official Price Guide to Collectibles has more coverage of collectibles than any other book on the market Here you ll find furniture decorative accessories and giftware along with the traditional character and personality items ceramic glass and toys Each category includes a brief history collecting tips reference books periodicals collector clubs and vital information on reproductions It s a complete document of the 20th century American lifestyle *Samuel L. Schmucker* Jack Davis, Dorothy Ryan, 2001 **Rochester** Alan Calavano, 2008 Rochester has grown and changed incredibly since it was chartered as a city in 1858 Many of the places depicted in this book either no longer exist or have changed

significantly Despite these changes Rochester retains its small town welcomeness Using vintage postcards this book tells the story of the development of a remarkable community Whether readers have lived in Rochester all of their lives or are first time visitors this book is a fascinating look back into a unique history

As recognized, adventure as with ease as experience nearly lesson, amusement, as capably as accord can be gotten by just checking out a books **Saint John In The Golden Age Of Postcards** afterward it is not directly done, you could recognize even more regarding this life, regarding the world.

We have the funds for you this proper as well as easy pretentiousness to acquire those all. We present Saint John In The Golden Age Of Postcards and numerous books collections from fictions to scientific research in any way. in the course of them is this Saint John In The Golden Age Of Postcards that can be your partner.

Saint John In The Golden Age Of Postcards Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Saint John In The Golden Age Of Postcards PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Saint John In The Golden Age Of Postcards PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Saint John In The Golden Age Of Postcards free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
