Every one of the country's wine regions produces a unique selection of wines, often made with grapes used nowhere else for winemaking. Christopher Fielden describes France's most important wine producing areas, gives the background to the wines and provides a guide to visiting the best producers. Hundreds of wineries that welcome visitors are listed together with their addresses, telephone numbers, websites and opening times. Christopher Fielden is a cheerful and knowledgeable guide. The French wine regions and their vineyards are well drawn. There are clear guidelines for visiting wineries and tasting their wines. Is there a charge for tasting? Are you expected to spit?
