Saintly Tales And Legends:

Saintly Tales and Legends Lois Rock, Christina Balit, 2004-01-09 A collection of folktales and legends in simple text with illustrations related to the Christian faith The Juggler of Notre Dame and the Medievalizing of Modernity Jan M. Ziolkowski, 2018-10-31 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today In this volume Jan Ziolkowski follows the juggler of Notre Dame as he cavorts through new media including radio television and film becoming closely associated with Christmas and embedded in children s literature Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies Reading the Juggler of Notre Dame Jan M. Ziolkowski, 2022-07-25 In this two part anthology Jan M Ziolkowski builds on themes uncovered in his earlier The Juggler of Notre Dame and the Medievalizing of Modernity Here he focuses particularly on the performing arts Part one contextualises Our Lady s Tumbler a French poem of the late 1230s by comparing it with episodes in the Bible and miracles in a wide variety of medieval European sources It relates this material to analogues and folklore across the ages from among others Persian Jewish and Hungarian cultures Part two scrutinizes the reception and impact of the poem with reference to modern European and American literature including works by the Nobel prize winner Anatole France professor poet Katharine Lee Bates philosopher historian Henry Adams and poet W H Auden This innovative collection of sources introduces readers to many previously untranslated texts and invites them to explore the journey of Our Lady s Tumbler across both sides of the Atlantic Reading the Juggler of Notre Dame Medieval Miracles and Modern Remakings will benefit scholars and students alike The short introductions and numerous annotations shed light on unusual beliefs and practices of the past making the readings accessible to anyone with an interest in the arts and an openness to the Middle Ages The legends of the Panjâb , 1886 The Legends of the Panjâb Richard Carnac Temple, 1884-01-01 The Uganda Martyrs and the Need for Appropriate Role Models in Adolescents' Moral Formation Charles Lwanga Mubiru, 2012 Uganda like elsewhere in the world is experiencing a moral decline Many in Uganda are concerned that this necessitates acquainting the nation s young people

with appropriate Christian role models beginning with an understanding of God Jesus Christ and the Saints particularly the Ugandan martyrs The book's author envisages no substantial moral renewal if Ugandan adults themselves do not provide a good moral example and create a favorable moral environment Otherwise Ugandan young people will be building a personal identity through trial and error without any goalpost in sight and thus perpetuating a state of moral decline Series Theologie Vol 102

Dramatic Revisions of Myths, Fairy Tales and Legends Verna A. Foster, 2012-10-06 These new essays explore the ways in which contemporary dramatists have retold or otherwise made use of myths fairy tales and legends from a variety of cultures including Greek West African North American Japanese and various parts of Europe The dramatists discussed range from well established playwrights such as Tony Kushner Caryl Churchill and Timberlake Wertenbaker to new theatrical stars such as Sarah Ruhl and Tarell Alvin McCraney The book contributes to the current discussion of adaptation theory by examining the different ways and for what purposes plays revise mythic stories and characters The essays contribute to studies of literary uses of myth by focusing on how recent dramatists have used myths fairy tales and legends to address contemporary concerns especially changing representations of women and the politics of gender relations but also topics such as damage to the environment and political violence

Touching the Heart William J. Bausch, 2007 No one can write about storytelling like Father Bill Bausch Both his words and his stories are compelling convincing and completely absorbing Here in this landmark work which he insists is his last his goal is to help readers see the centrality of stories to read and hear Scripture as story and not as history and to learn to enrich and expand their lives by looking at the story behind the story He wants to break readers out of the literalism that constricts their spiritual and social lives so they might gain an appreciation of metaphor and symbol and the sacramentality of the world
