Legends, Lore & True Tales in Mormon Country Monte Bona, 2015-05-18 Utah's Mormon Pioneer National Heritage Area offers breathtaking natural resources powerful historical drama and intriguing cultural traditions This rich legacy is built on old world values of cooperation industry ingenuity and true grit as well as a miracle or two From frontier justice and lost treasure to the lasting contributions of a Presbyterian minister and a Jewish settlement talented regional historians educators and storytellers bring to life these legends lore and true tales from the heart of Mormon country

Settling the Valley, Proclaiming the Gospel Reid L. Neilson, Nathan N. Waite, 2017-02-01 The Mormons had just arrived in Utah after their 1 300 mile exodus across the Great Plains and over the Rocky Mountains Food was scarce the climate shocking in its extremes and local Indian bands uneasy Despite the challenges Brigham Young and his counselors in the First Presidency sent church members out to establish footholds throughout the Great Basin But the church leaders felt they had a commission to do more than simply establish Zion in the wilderness they had to invite the nations to come up to the mountain of the Lord's house In these critical early years when survival in Utah was precarious missionaries were sent to every inhabited continent The 14 general epistles sent out from the First Presidency from 1849 to 1856 provide invaluable perspectives on the events of Mormon history as they unfolded during this complex transitional time Woven into each epistle are missionary calls and reports from the field giving the Mormons a glimpse of the wider world far beyond their isolated home At times the epistles are a surprising mixture of soaring doctrinal expositions and mundane lists of items needed in Salt Lake City such as shoe leather and nails

Settling the Valley Proclaiming the Gospel collects the 14 general epistles with introductions that provide historical religious and environmental contexts for the letters including how they fit into the Christian epistolary tradition by which they were inspired
