Life-study of Revelation Witness Lee, 2023-09-27 The book of Revelation firstly reveals Christ 1:1 and secondly the testimony of Jesus 1:2 In other words this book is concerned with Christ and the church In Revelation Christ and the church are revealed in a unique and particular way Several aspects of Christ such as the vision of Him as the High Priest in the midst of the churches caring for them in love yet with a judging attitude 1:13-16 the vision of Him as the Lion Lamb in the midst of God's throne and of the four living creatures and in the midst of the 24 elders of the universe opening the seven seals of God's universal administration 5:1-6:1 and the vision of Him as Another Mighty Angel coming down from heaven to take possession of the earth 10:1-8:18 have never been unveiled as they are in the book of Revelation In this book the revelation of Christ is unique and ultimate In addition to this ultimate revelation of Christ the book of Revelation also unveils

many unique aspects of the church as the testimony of Jesus The lampstands in chapter one the great multitude of the redeemed in chapter seven the bright woman with her man child in chapter 12 the harvest with its firstfruits in chapter 14 the overcomers on the sea of glass in chapter 15 the bride ready for marriage and the fighting army of Christ in chapter 19 and the New Jerusalem in chapters 21 and 22 are all the testimony of Jesus which is the Spirit the substance the disposition and the characteristic of the prophecy in this book 19 10 The central content of this book is an unveiling of God s economy concerning Christ and the church presenting the ultimate and consummate revelation of Christ with His full salvation and the church as His loving bride the New Jerusalem In this book we find the full and adequate conclusion not only to the writings of John and to the New Testament but also to the entire divine revelation

The Revelation of S. John the Divine William Henry Simcox,1894 **The Revelation of S. John the Divine** ,1891 **The Cambridge Bible for Schools and Colleges** ,1891 **Biblical Eschatology, Second Edition** Jonathan Menn,2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible s overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader s further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible

All Power to the Lamb James R. Johnson,2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this

commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective. It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb. It understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel, the nations, and the saints. This commentary also makes use of many of the non-canonical works that provide insight into the spirit world and detail regarding the end of the present age.

The Latter-Day Saints' Millennial Star, 1852 **A Complete Body of Doctrinal and Practical Divinity; Or, a System of Evangelical Truths, Deduced from the Sacred Scriptures. A New Edition** John GILL (D.D., Baptist Minister, at Horsley Down.), 1795 **The Great Awakening** William D.

Holmes, 2014-11-15 In this book William D. Holmes talks about how Christians have strayed away from the way God commanded for them to live in the Bible. As the generations change, so has the way people live. What the Bible teaches regarding holiness should remain the same throughout each generation. Although what has happened is Satan has enlightened some people to try to modernize the teachings of holiness and the things that the Bible says Christians should not do. They will say it is nothing wrong with it. By so doing, they will mislead the people back into the world, dressing and acting just like the heathens. It will be that there will be no difference in the church people and the world. The church will turn into a social club. It is the job of Satan to lead as many souls as he can into the fires of hell. It is time to clean house and return back to God, serving him in holiness and righteousness all the days of your life. I will talk about the false prophets and their impact on the church and the coming of the Antichrist and the mark of the beast. I will talk about the end times with the four horses and two witnesses with their impact on the world, the coming of the Son of Man in his glory, God's wrath upon the earth, first and second resurrections with judgment at the great throne of the almighty and the millennium, and a glimpse of heaven and hell. The final defeat of Satan and the demons with the new world order and much more will I go over in the power pack book I am writing by leading and revelation of the Holy Ghosts. These events were given to me by God. We all should know no man knows the day or hour Jesus will return. Only God the Father knows. The immortal world is hidden from us on this side. But this book only gives you an idea, a picture of what is to come. May God speak to your heart as you read this book. It is time to live holy for Jesus and be ready for the soon-coming king and rapture of the Church.
