Church History Henry True Besse,1908 Daniel Charlene R. Fortsch, Erica Dissler,2005-10 Some dreams or visions if they are symbolic in nature require an interpretation This unique book Daniel Understanding the Dreams and Visions unlocks and explains the structure and mysteries of the prophecies in the book of Daniel It reveals the keys that the prophet Daniel has presented to unlock the prophecies of the Bible Daniel expounds the prophecies in four distinct visions of how God has revealed the rise and fall of the seven earthly kingdoms empires many centuries in advance The truths of these prophecies have withstood every attack from every scholar and skeptic According to the Talmud and the Hebrew Scriptures Daniel received and interpreted dreams and visions similar to many other Jewish prophets This new book brings much needed clarity to the text of the prophecies of Daniel through the definitions of codewords maps pictures illustrations charts tables and secular historical records The Author adds comments only where necessary An understanding of the Old Testament book of Daniel will set the foundation for a better understanding the prophecies in the book of Revelation In this book the author adopts a detailed but simple approach to an intricate and complex web of prophetic truths of coming world events The object of this book is to clarify the symbolisms and cryptic codes in the ancient yet futuristic prophecies of Daniel For as Jesus said And now I have told you before it come to pass that when it is come to pass ye might believe JOHN 14 29 Take heed that no man deceive you Matt 24 4 The Return of Jesus Christ With Judgment Marc A. Carr,2012-04 Every believer wants the biblical resources to determine truth Here are those verses every one of them regarding the Lord s return with judgment and the resurrection of all who have ever lived to be so judged The end result is clear unambiguously straight forward and above all simple if the reader is willing to endure the reading of a plethora of passages And willing to accept what the Lord and the apostles actually said For what was said became what was written To find all the truth available about the whole of the Lord s second coming the judgment and the general resurrection comes down to this Is what the Lord said more important than what one presently believes Or is what one presently believes more important than what the Lord Himself said what Paul said At first the question seems ludicrous until one realizes how many different beliefs among believers there are about the Lord s return the judgment and the timing of the resurrection despite what Jesus said Marc asks why would anyone not believe in one general resurrection when the Lord Himself taught one general resurrection Why would anyone not believe in one judgment of all people when the Lord returns The answer can only be because one permitted himself to be so blindly conditioned to the rapture and a literal millennial period that the return of the Lord with judgment and the resurrection of all

at once is impossible to accept Hopefully this work will contribute to opening some of those entrenched minds and keep others from becoming the same Marc presently lives in Orlando Florida where he pastors Blessed Fellowship Orlando an outreach ministry of Orlando Prayer and Worship Center Senior Pastor Roy Futch
