the Rapture and Revelation is an introduction to and exploration of the Bible's teachings on the Second Advent of Jesus Christ. It distinguishes the Rapture from the Revelation. It affirms the Premillennial Pre-tribulation Rapture and Dispensational views. Explored are various theological positions of the Return of Christ, Biblical history, Church history, and insights from key Scripture passages. Russell writes for inquiring laity, clergy, and seminarians. This work provides edification, inspiration, a wealth of Biblical knowledge, working together strands of history, theology, Biblical studies, statistics, and even humor. The book addresses the Unconditional Covenant God made with Israel, kindly refutes Replacement theology, the Amil and Postmil views, defines Daniel's 70th Week, considers the future Tribulation Millennium, reminds of God's Sovereignty and Providence, warns of sensationalism, date setting, presents signs of the times, and touches on Apostasy. The book is a comprehensive eschatological work with significant amounts of doctrine, Biblical history, the history of Christianity, and interrelated eschatological considerations. It also admonishes practical Christian living and encourages seeking paths of holy living. If you desire to understand the distinctions between the Rapture and the Revelation, seek a challenging and rewarding journey of study, and if you would find your faith strengthened and your understanding increased, this book will be a helpful guide to your exploration.

When Time Shall Be No More Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many, the belief in the phenomenon remains a popular mystery, largely unstudied and little understood. *When Time Shall Be No More* offers for the first time an in-depth look at the subtle, pervasive ways in which prophecy belief shapes contemporary American thought and culture.

Bumps and Bruises Steven R. Hoer, M.D., 2022-03-07 Daily choices and decisions over time determine whether we attain the happiness and success for which we all desperately yearn, or whether we encounter the bumps and bruises in life. *Bumps and Bruises* is a book of principles formulated over twenty-eight years of observation, experience, and counsel with thousands of individuals coping with disappointments, failed expectations, strained relationships, and broken dreams. From the vantage point of a physician, Dr. Hoer approaches the challenges we face in life much like treating a sickness. We first have to make the correct diagnosis to understand the origin of our discomfort. We then make the best treatment plan, a plan of action to get better and learn habits and practices to prevent the ill health that plagues us all. *Bumps and Bruises* is a refreshing new look at life based on multiple sources of wisdom and inspiration to guide us through these unprecedented troubled times in which we live.
