## Sales Genius:

**Sales Genius** Tony Buzan, Richard Israel, 2000 With the help of this book anyone can become a Sales Genius The material is based on the acclaimed book by Tony Buzan and Richard Israel Brain Sell which showed how to apply modern research on brain functioning to the practice of selling *The Quiet Sales Genius*, 2015 **Sales Genius** Graham Jones, 2015-07-30 The fast track MBA in sales Imagine having instant access to the world's smartest thinking on sales and being shown exactly what to do to guarantee that you get your own selling right every time Sales Genius makes it easy to apply what researchers know about brilliant selling to the real world 40 chapters based on hundreds of cutting edge business and psychology research projects reveal what works and what doesn't work in sales Each of the 40 chapters is a mini masterclass in selling explaining the research and showing you how to apply it for yourself In Sales conventional wisdom often says one thing while research says another Sales Genius cuts through the noise to bring you proven research and techniques for applying it that will simply make you a better salesperson Quick to read and intensely practical this book will bring a little sales genius into your day Fascinating insights that explode some of the myths around sales sales management and sales strategy Phil Jesson Academy for Chief Executives What a great read An insightful look at the world of sales Anthony Stears The Telephone Assassin As a sales specialist I'm impressed by the amount of detailed research which supports the information in each chapter Andrew Docker Andrew Docker Associates *Sales 2.0* Anneke Seley, Brent Holloway, 2008-12-23 Two Silicon Valley insiders reveal the emerging Sales 2.0 trend and how companies can profit from it Sales 2.0 explores the emerging Sales 2.0 phenomenon how it is characterized why it is imperative for a company's long term success and how anyone can get started with this new approach to generating revenue Driven by an explosion of online products and changing customer buying preferences Sales 2.0 is the marriage of Web 2.0 technologies with innovative sales processes The book shows readers how to redeploy their sales teams for greater bottom line results and reveals all the differences between Sales 2.0 and traditional selling Through real world case studies readers will learn how industry leaders achieved phenomenal results and a competitive advantage Applicable to sales teams in any industry Sales 2.0 presents the future of sales today **Dealstorming** Tim Sanders, 2016-02-23 Sales genius is a team sport As a B2B sales leader you know that by Murphy's Law despite your team's best efforts some deals will inevitably get stuck or key relationships will go sour And too often it's the most important ones the last thing you need when millions of dollars are on the line Dealstorming is Tim Sanders's term for a structured scalable repeatable process that can break through any sales deadlock He calls it a Swiss Army knife for today's toughest sales challenges It fixes the broken parts of the brainstorming process and reinvigorates account management for today's increasingly complicated sales environment Dealstorming drives sales innovation by combining the wisdom and creativity of everyone who has a stake in the sale You may think you are applying teamwork to your challenges but don't be so sure There's a good chance you're operating inside a sales silo not building a truly collaborative team across your whole company The

more disciplines you bring into the process the more unlikely but effective solutions the team can come up with Sanders explains his seven step Dealstorming process and shows how it has helped drive results for companies as diverse as Yahoo CareerBuilder Regus and Cond Nast You ll learn how to get the right team on board for a new dealstorm relative to the size of the sales opportunity and its degree of difficulty The key is adding people from non sales areas of your company making them collaborators early in the process That will help them own the execution and delivery after the deal is done The book includes real world examples from major companies like Oracle and Skillsoft along with problem finding exercises innovation templates and implementation strategies you can apply to your unique situation It s based on Sanders many years as a sales executive and consultant personally leading dozens of sales collaboration projects It also features the results of interviews with nearly two hundred B2B sales leaders at companies such as LinkedIn Altera and Novell The strategies laid out in Dealstorming have led to a stunning 70% average closing ratio for teams across all major industries leading to game changing deals and long term B2B relationships Now you can learn how to make dealstorming work for you
