**Salinger** Henry Anatole Grunwald,1962 Includes criticism of J D Salinger by Arthur Mizener Alfred Kazin John Updike Granville Hicks Leslie Fiedler Maxwell Geismar and others      **Salinger. A Critical and Personal Portrait. D. and with**

**Salinger, a Critical and Personal Portrait** Henry Anatole Grunwald (ed),      **The Other Fifties** Joel Foreman,1997  
From the Edsel to Eisenhower from Mau Mau to Doris Day and from Ayn Rand to Elvis contributors to The Other Fifties topple the decade s already weakened image as a time of unprecedented peace prosperity and conformity Representing the fifties as a period of cultural transformation contributors reveal the gradual unmaking of traditions and value systems that took place as American culture prepared itself for the more easily observed cultural turbulence of the 1960s Well known contributors demonstrate how television the novel the Hollywood movie the Broadway musical and rock and roll assaulted midcentury American attitudes toward sexuality race gender and class so altering public sensibilities that what was novel or shocking in the fifties seems tame or even downright difficult to grasp today They also rebut the widely held view that 1950s consumerism led to cultural homogeneity replacing this view with a picture of robust popular markets that defied conservative controls and actively subverted conventional norms and values Brushing away the haze of an era The Other Fifties will help readers understand the decade not as placid or repressed but as a time when emancipatory desires struggled to articulate themselves      **Salinger. A critical and personal portrait. Introduced and edited by H. A. Grunwald.**

**[With a portrait.]** Henry Anatole Grunwald,Jerome David Salinger,1964      [Reader's Guide to Literature in English](#) Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study      *Salinger : a critical and personal portrait* Henry Anatole Greenwald,1962      *Salinger's Soul* Stephen B. Shepard,2024-09-10 J D Salinger remains one of America s best known but least understood writers His 1951 book The Catcher in the Rye lives on as one of the most iconic American novels of all time Yet after his commercial and literary success Salinger soon retreated to a rural town in New Hampshire and lived in seclusion for the rest of his life He wrote nearly every day but didn t publish any of his work after 1965 He became famous for not wanting to be famous His story however is not over His son Matt has been sorting through the unpublished writing Salinger left behind after his death in 2010 Most of these stories will be released soon and are heavily influenced by his years in seclusion Salinger s Soul tells of his traumatic experience in World War II as well as his transition from the Judaism of his youth to his embrace of a mystical form of Hinduism known as Vedanta It was Vedanta that influenced his post Catcher fiction from Nine Stories to Franny and Zooey Yet Salinger veered from Vedanta in one crucial way he didn t heed its dictum to lead a life of celibacy Instead Salinger was

obsessed with young women those in the last minutes of their girlhood In all his wartime experience his religious beliefs and his romantic relationships defined his life in seclusion and influenced his writing Salinger's *Soul* looks at his little known personal voyage of discovery

**Salinger** David Shields, Shane Salerno, 2013-09-03 Based on eight years of exhaustive research and exclusive interviews with more than 200 people and published in coordination with the international theatrical release of a major documentary film from the Weinstein Company *The Private War of J D Salinger* is a global cultural event the definitive biography of one of the most beloved and mysterious figures of the twentieth century For more than fifty years the ever elusive author of *The Catcher in the Rye* has been the subject of a relentless stream of newspaper and magazine articles as well as several biographies Yet all of these attempts have been hampered by a fundamental lack of access and by the persistent recycling of inaccurate information Salinger remains astonishingly an enigma The complex and contradictory human being behind the myth has never been revealed No longer In the eight years since *The Private War of J D Salinger* was begun and especially in the three years since Salinger's death the authors interviewed on five continents more than 200 people many of whom had previously refused to go on the record about their relationship with Salinger This oral biography offers direct eyewitness accounts from Salinger's World War II brothers in arms his family members his close friends his lovers his classmates his neighbors his editors his publishers his New Yorker colleagues and people with whom he had relationships that were secret even to his own family Shields and Salerno illuminate most brightly the last fifty six years of Salinger's life a period that until now had remained completely dark to biographers Provided unprecedented access to never before published photographs more than 100 throughout the book diaries letters legal records and secret documents readers will feel they have for the first time gotten beyond Salinger's meticulously built up wall The result is the definitive portrait of one of the most fascinating figures of the twentieth century

**The American Novel After Ideology, 1961-2000** Laurie Rodrigues,2020-12-10 Claims of ideology s end are on the one hand performative denials of ideology s inability to end while on the other hand paradoxically they also reiterate an idea that ending is simply what all ideologies eventually do Situating her work around the intersecting publications of Daniel Bell s The End of Ideology 1960 and J D Salinger s Franny and Zooey 1961 Laurie Rodrigues argues that American novels express this paradox through nuanced applications of non realist strategies distorting realism in manners similar to ideology s distortions of reality history and belief Reflecting the astonishing cultural variety of this period The American Novel After Ideology 1961 2000 examines Franny and Zooey Carlene Hatcher Polite s The Flagellants 1967 Leslie Marmon Silko s Almanac of the Dead 1991 and Philip Roth s The Human Stain 2001 alongside the various discussions around ideology with which they intersect Each novel s plotless narratives dissolving subjectivities and cultural codes organize the texts peculiar relations to the post ideological age suggesting an aesthetic return of the repressed
