children see the world in a different way compared to adults Some people even say children see angels every now and then while adults can't see them Everybody has his or her own freedom to believe in whatever he or she wants to believe and from her observation she believes children deserve that too My Crystal Lily is dedicated to all girls in the world so Gheda can tell them that beauty doesn't just lie in the eyes of the beholder actually beauty defines us We are what makes the world beautiful By nature God created girls to be loved be cherished by everybody and to have equal rights Gheda hopes in the future this will come true since she believes all girls are beautiful and she happens to be one of them **Sally of Missouri**
