## Salt Hour:

*The Salt Hour* J. P. White, 2001 With this dazzling collection J P White embarks on a windswept journey through seductive treacherous waterways Conveying a stormy sense of place defined less by geography than by the push and pull of the mind at odds with circumstance these bracing poems plumb the depths of the sea and of the human heart in muscular graceful language A restless traveler who takes us from England and Russia to Nicaragua and the Caribbean White pushes beyond the boundaries of the lyric narrative tradition to let more of the world more flux of the larger human condition rush in As *The Salt Hour* wends its way from Lake Erie to the Sea of Cortez from the Aegean Sea to ice choked Baffin Bay White reveals the electric clash of public and private in the natural and human worlds a teenaged boy face to face with the blue skinned sideshow freak who reminds him of himself a late shift utility worker catastrophically distracted by an angel in black lace and high heels the perilous first leap of seal pups into the black merciless water Drenched in color almost achingly vivid *The Salt Hour* evokes the very salt breath of the sea together with the poet's need for connection with the shore Back cover
