Christianity Jason Byassee,Albert Y. S. Chu,Ross A. Lockhart,2023-06-20 Is God changing the face of the church in North America today The secularization thesis makes it appear that churches are inevitably declining in membership and influence Too often however this assumption of decline is based on only watching the denominations that were church plants of Western Christendom in North America Christianity An Asian Religion in Vancouver focuses on the context of Vancouver British Columbia Canada and notes through a mixed methods study including interviews and participant observation that many churches in Vancouver with predominantly Asian composition are growing both in size and influence What might we learn about God s transforming power by looking to Asia rather than Europe to predict the future of Christian witness in the Pacific Northwest of North America
