*Scriptures Come Alive* Grace Bradford,1995-08 Includes mologues dialogues and speech choirs     The Sound of Scripture: Reading the Bible Aloud Barbara Laughlin Adler,2018-08-21 They read from the book from the Law of God clearly and they gave the sense so that the people understood the reading Nehemiah 8 8 Just as it was in Nehemiah s time congregations today want to hear Biblical texts read clearly giving the sense But the reality is that oral readings during worship services are often inaudible mumbled monotonous or delivered at a rapid machine gun pace This brief guidebook provides simple techniques so that parish lay readers can read with clarity and express the meaning of the Bible s messages The Sound of Scripture will greatly enhance the ability of readers to communicate God s Word clearly giving the sense Dr Adler offers a sensitive and fresh approach which should certainly be extremely helpful for pastors vicars lay readers Sunday School teachers or any who are called upon to read the Bible in public Howard W Kramer PhD President Emeritus Concordia Lutheran Seminary St Catharines Ontario Canada     **Reading God's Word Today** George Martin,2009-12-01 With persuasive instruction and personal examples George Martin shows you how to read and understand Scripture in ways that help us hear what God is saying to us and that draw us nearer to him in prayer In the most extensive revision yet of his best selling classic *Reading Scripture as the Word of God* this edition brings God s Word to life for beginners through seasoned veterans of Bible study How can I get more out of reading Scripture What can I do to understand Scripture more clearly How can I hear what God is saying to me through Scripture How should I apply the messages of the Bible to my life Thus the Bible becomes a window to God so He can speak to our hearts as well as our heads The book begins with practical suggestions for reading Scripture in order to understand both the context and the purpose for which it was written It goes on to discuss how God reveals himself through the words of Scripture and the role of the Holy Spirit as He speaks directly to you through the text Study guides at the end of each chapter interesting sidebars and directions to internet resources will stimulate personal reflection and also provide the basis for small group discussion of this eminently practical yet heart centered approach to understanding the Scriptures     The Bible Reset Alex Goodwin,2023-10-17 By the Co Creator of Immerse The Reading Bible ECPA 2022 Bible of the Year Confused Frustrated Apathetic If you feel this way about the Bible you re not alone The reality is that we ve been set up to fail when we read the Bible inheriting barriers and habits that make reading Scripture harder than it needs to be Alex Goodwin co founder of the Institute for Bible Reading will show you a better way forward Discover how the physical format of our Bibles can make or break our Bible reading and how changing our reading habits can help us see that Scripture is alive Learn how the ancient collection of writings compiled in the Bible tells a story that is still unfolding a story God is inviting you to live into today You ll get actionable steps toward a flourishing relationship with the Bible a grand sense of the overall story the Bible is telling a clear sense of how you can participate in God s work of restoration and renewal and renewed curiosity about the Bible in ways you didn t think were possible Alex was once intimidated and bored

by Bible reading too He presents his discoveries in ways that are easy to access full of illustrations and peppered with humor to keep you engaged Whether reading on your own or with a church or small group you ll be surprised at how your fascination will develop and your life will be transformed as you read and enjoy Scripture in fresh new ways **The Prophetic Call to Love and Justice** Arnold H. De Graaff, 2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives *Reading Scripture as the Word of God* George Martin, 1993 Contemplative Bible Reading Richard Peace, 2015-06-22 A new way to read the Bible Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others Reading the Bible is something that most of us are familiar with Some even do it regularly But do we really think about how we read and respond to Scripture How deeply do we allow ourselves to be impacted by it Contemplative Bible reading or lectio divina as it is often called is an ancient method of approaching Scripture Consisting of four parts this method begins with the selected biblical passage and moves to meditating praying and contemplating what God is revealing through the Bible Many of us tend to think of meditation as something done individually but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way By exploring different passages and learning to hear God s voice in them this guide will help you meditate and act on the truth of the Bible *Unleashing the Word* Max McLean, Warren Bird, 2009-11-03 Modern society is awash in words An auditory tidal wave cascades from our televisions radios media players and the Internet Today s distracted worshippers often feel spiritually shortchanged when the Scriptures are spoken without passion and power This lively and encouraging resource is the collaboration of a gifted Bible narrator and a mentor to church leaders In it they show how churches can train their own teams of Scripture readers These laypeople can with enthusiasm conviction and passion

Bradford Littlejohn,Scott N. Kindred-Barnes,2017-03-13 For more than forty years now there has been a steady stream of interest in Richard Hooker This renaissance in Hooker Studies began with the publication of the Folger Library Edition of the Works of Richard Hooker With this renaissance has come a growing recognition that it is anachronistic to classify Hooker simply as an Anglican thinker but as yet no generally agreed upon alternative label or context for his thought has replaced this older conception in particular the question of Hooker's Reformed identity remains hotly contested Given the relatively limited engagement of Hooker scholarship with other branches of Reformation and early modern scholarship to date there is a growing recognition that Hooker must be evaluated not only against the context of English puritanism and conformism but also in light of his broad international Reformed context At the same time it has become clear that if this is so scholars of continental Reformed orthodoxy must take stock of Hooker's work as one of the landmark theological achievements of the era This volume aims to facilitate this long needed conversation bringing together a wide range of scholars to consider Richard Hooker's theology within the full context of late 16th and early 17th century Reformed orthodoxy both in England and on the Continent The essays seek to bring Hooker into conversation not merely with contemporaries familiar to Hooker scholarship such as William Perkins but also with such contemporaries as Jerome Zanchi and Franciscus Junius predecessors such as Heinrich Bullinger and successors such as John Davenant John Owen and Hugo Grotius In considering how these successors of Hooker identified themselves in relation to his theology these essays will also shed light on how Hooker was perceived within 17th century Reformed circles The theological topics touched on in the course of these essays include such central issues as the doctrine of Scripture predestination Christology soteriology the sacraments and law It is hoped that these essays will continue to stimulate further research on these important questions among a wide community of scholars **The New Bible Cure For Depression & Anxiety** Don Colbert,2010-09-24 There Is Hope You can overcome depression and anxiety Do you suffer from depression or anxiety In this concise easy to read book you ll discover a wealth of information that will help you break free Dr Colbert has taken the confusion away from depression and anxiety and made it simple and easy to understand Incorporating the latest medical findings with the timeless wisdom of the Bible The New Bible Cure for Depression and Anxiety contains
