The Sea Lady Herbert George Wells,1902 The Sea Lady Herbert George Wells,1902 **The Sea Lady** H. G. Wells,2021-11-16 The Sea Lady H G Wells Much attention has been paid to the scientific romance novels of H G Wells a founder of modern science fiction and one of the genre s greatest writers In comparison little attention has been given by critics to his works of fantasy which in the opinion of many are just as artistic and worthy of study This work takes a critical look at Wells little known fantasy The Sea Lady A Tissue of Moonshine which is a parable of dark foreboding that unveils the nothingness of utopian dreams and foreshadows Franz Kafka s dark fables of the totalitarian age A lengthy introduction by the editor provides a comprehensive overview of the text and the story of The Sea Lady and serves to explain the ideas of civil death and every citizen s acting as a public servant and the concept of totalitarian metaphysics which deals with a revolt against the limits of the human condition The Sea Lady Herbert George Wells,1925 **The Sea Lady** H. cozy provincial inn Who is this out of season traveler More confounding is the thick mask of bandages obscuring his face Why is he disguised in such a manner What keeps him hidden in his room The villagers aroused by trepidation and curiosity bring it upon themselves to find the answers What they discover is not only a man trapped in the terror of his own creation but a chilling reflection of the unsolvable mysteries of their own souls My fantastic stories do not pretend to deal with possible things They aim indeed only at the same amount of conviction as one gets in a gripping good dream H G Wells With an Introduction by W Warren Wagar and an Afterword by Scott Westerfeld **Uncanny Fairy Tales** Francesca
