Killing Me Softly L. C. Markland,2015-09-28 For centuries romance stories have captured the hearts of so many readers There is something about the passion between people that captivates others Maybe in part that people longed to be loved and to love Many spend their entire lives in quest of one of the most powerful emotions known to man Most people get a glimpse of it from time to time others may be so fortunate to taste it on occasion but very few couples honestly experience it Those who do their lives are a testament to loves power Those who have the privilege to see it unfold and unveil often refer to the mystery and magic it brings People tend to open their hearts to the couple They step outside of the continuum of reality only to take a step forward into the land where fairy tales are born They become an active part in and of the story They are swept out to unknown seas waiting watching and wanting to see where the direction the story sails **Killing the Hydra** Adam Alexander Haviaras,2018-09-20 At the peak of Rome s might a dragon is born among eagles an heir to a line both blessed and cursed by the Gods for ages In Killing the Hydra Lucius Metellus Anguis returns to North Africa determined to investigate the death of his centurion and root out the treason that has infiltrated the ranks of his cohort With his wife Adara safe in Athens Lucius finds himself alone on a dangerous road back to the legionary base at Lambaesis Praetorian spies and other unknown enemies are hunting him and it is only with help from the Empress a Punic prostitute and an ancient group of warriors that Lucius is able to survive But the Sibyl s prophecy haunts Lucius s dreams and he clings desperately to the hope that he is making the right decisions for his men for himself and for his family As his world is ravaged by pain on all fronts Lucius Metellus Anguis must decide whether or not to make his move against the enemies that have plagued his family for far too long including the most powerful man in the Roman Empire How far will the Dragon go to protect his family and avenge the spirits of the dead Only the Gods know Killing the Hydra is the third novel in Adam Alexander Haviaras ground breaking Eagles and Dragons historical fantasy series If you like books by Douglas Jackson Manda Scott and Conn Iggulden or movies like Gladiator and Pompeii then you will love this historical series that combines adventure romance and the supernatural Buy Killing the Hydra today and set off on an adventure that throws you headlong into the Roman Empire Here is what readers have to say about Eagles and Dragons Historic Novel Society Haviaras handles it all with smooth skill The world of third century Rome both the city and its African outposts is colorfully vivid here and Haviaras manages to invest even his secondary and tertiary characters with believable three dimensional humanity Amazon Readers Historical fiction at its best if you like your historical fiction to be an education as well as a fun read this is the book for you An outstanding and compelling novel I would add this author to some of the great historical writers such as Conn Iggulden Simon Scarrow and David Gemmell The characters were described in such a way that it was easy to picture them as

if they were real and have lived in the past the book flowed with an ease that any reader novice to advanced can enjoy and become fully immersed Goodreads a very entertaining read Haviaras has both a fluid writing style and a good eye for historical detail and explores in far more detail the faith of the average Roman than do most authors **The Closed Book** Leolyn Louise Everett,1910 **Love Kills** Lisa Renee Jones,L.R. Jones,2019-10-22 They call him Umbrella Man because he makes it rain blood He wants to play with Lilah Love What he doesn t know is that Lilah is a killer too and games just piss her off The conclusion to the second duet in the Lilah Love series Love Kills concludes where Love Me Dead left off
