Constitutional Convention, 1870 *Journal of the Illinois State Historical Society* ,1920 **Journals of the Legislature of the State of California** California. Legislature, 1899 **Seamen's Journal** ,1909 Rally the Scattered Believers Shelby M. Balik, 2014-05-30 An important new interpretation of how religious change shaped American cultural identity in the early republic *Journal of American History* Northern New England a rugged landscape dotted with transient settlements posed challenges to the traditional town church in the wake of the American Revolution Using the methods of spatial geography Shelby M Balik examines how migrants adapted their understanding of religious community and spiritual space to survive in the harsh physical surroundings of the region The notions of boundaries place and identity they developed became the basis for spreading New England's deeply rooted spiritual culture even as it opened the way to a new evangelical age I strongly recommend Balik's book for those studying colonial religious landscapes and heritages not

only in New England but in the nineteenth century religious diasporas that swept the continent with varying mixes of European colonials and also African and Asian heritages Stanley D Brunn University of Kentucky In this beautifully written and richly researched work Shelby Balik shows how the travels of early nineteenth century Methodists Universalists and freewill Baptist itinerant missionaries and congregations recreated the geography of New England Protestantism setting in motion literally a tension between religious rootedness and religious uprootedness center and periphery that endures to today Early American religious history in Balik s retelling of it is one of bodies in constant movement in and out and around the city on the hill The delight Balik takes in maps and journeys is infectious This is a wonderful addition to American religious historiography Robert Orsi Northwestern University      **Library Series** Henry Ormal Severance,1914
