## Sean Landers:

*Sean Landers* Marianne Boesky Gallery (New York),Friedrich Petzel Gallery (New York),2011-04-20      **Landers Sean**  
Sean Landers,Beatrix Ruf,2004 The Kunsthalle Zurich presents an overview of Sean Landers oeuvre in his first institutional solo exhibition ever including text and cartoon works on paper paintings sculptures video and audio works from 1992 to the present      **Sean Landers** ,2014      *SPIN* ,2000-09 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks      **SPIN** ,1998-06 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks      *Sean Landers* Sean Landers,Galerie Rodolphe Janssen,2012  
*SPIN* ,1999-09 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks      **Sic** Sean Landers,2010 Say for instance that I thought my life was worth describing every ugly detail of and that I was deluded enough to think my jerking off in my studio was something higher than what it is So begins Sean Landers sic an artist s book that reproduces a single extended writing performance piece from the early 1990s as it was written out by hand      **Sean Landers** Sean Landers,Michael Bilsborough,Cynthia Daignault,2011 Since the early 1990s Sean Landers work has been one of the most fascinating and repeatedly irritating projects in contemporary art The polar opposites of tormented self doubt and endless self aggrandizement run like a thread through the artist s practice along with a number of masks of failure used by the subject as a strategy to preserve himself from impending loser status      *AskART.com: Sean Landers* , AskART com presents information concerning American artist Sean Landers 1962 Additional information for Landers includes a bibliography of publications about the artist museum holdings current exhibits images of the artist s work etc Auction records including highest prices are available only to AskART members      *Cartoons* Sean Landers,2005 Whether you re a fan of Sean Landers s prolific varied purposely self aggrandizing and simultaneously self puncturing career or not and no one is neutral there s one thing that s indisputable He s wickedly funny And nowhere is his humor sharper than in these previously uncollected drawings from 1991 92 in which a cast of art world strivers including gallerists painters and

groupies parade across the page with all their hilarious insecurities on display The most prominent form in which Landers delivers his witty aperçus through these characters is the T shirt slogan I used to show in the 80s I went to Yale too or I emerged as an artist during the Gulf War In a drafting style that resembles a cleaned up R Crumb and with his trademark hand lettered misspellings Landers takes on all art types exposing the shallowness of the successful artist and the flop the egotism of the collector and critic in sometimes bawdy and frequently laugh out loud satire Amazingly this is a book that would be equally at home in a museum restroom stall or an exhibition vitrine **SPIN** ,1998-05 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks **SPIN** ,1997-02 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks *Sean Landers* ,2024-01-04 **Lovemarks** Kevin Roberts,2005-12-01 Ideas move mountains especially in turbulent times Lovemarks is the product of the fertile iconoclast mind of Kevin Roberts CEO Worldwide of Saatchi Saatchi Roberts argues vociferously and with a ton of data to support him that traditional branding practices have become stultified What s needed are customer Love affairs Roberts lays out his grand scheme for mystery magic sensuality and the like in his gloriously designed book Lovemarks Tom Peters Tom Peters one of the most influential business thinkers of all time described the first edition of Lovemarks the future beyond brands as brilliant He also announced it as the Best Business Book published in the first five years of this century Now translated into fourteen languages with more than 150 000 copies in print Lovemarks is back in a revised edition featuring a new chapter on the peculiarly human experience of shopping The new chapter Diamonds in the Mine is an insightful collection of ideas for producers and consumers for owners of small stores and operators of superstores So forget making lists Shopping says Kevin Roberts is an emotional event With this as a starting point he looks at the history of shopping and how it has changed so dramatically over the last ten years Using the Lovemark elements of Mystery Sensuality and Intimacy Roberts delves into the secrets of success that can be used to create the ultimate shopping experience **SPIN** ,1999-05 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly
