former White House Press Secretary co host of The Five I've become persuaded that nobody today tells a story quite like John A. Daly. From the very moment you pick one of his books up it takes all the willpower you can muster just to put it down. Bob Burg, bestselling co author of the Go Giver series, for a self-described rent a cop security guard, Sean Coleman, is a particularly human and relatable hero, plenty of flaws and rough around the edges but heroic for the way he carries on despite all the baggage of his mistakes and hard lessons learned. I think what impresses me the most about John Daly as a writer is his range. Jim Geraghty, National Review author of the Dangerous Clique thriller series, **Sean O'Casey** Brooks Atkinson, 1982-06-18 **Contemporary African American Women Playwrights** Philip C. Kolin, 2007-11-07 In the last 50 years American and World theatre have been challenged and enriched by the rise to prominence of numerous female African American dramatists. Contemporary African American Women Playwrights is the first critical volume to explore the contexts and influences of these writers and their exploration of black history and identity through a wealth of diverse courageous and visionary dramas. *Seven Plays By Sean O'Casey* Sean O'Casey, Ronald Ayling, 1985-10-14 This edition of Sean O'Casey's major plays is designed specifically for students and teachers. During a residency at the Edward F. Albee Foundation in 1982, Scully found profound inspiration in the region's quiet expanses and coastal light. His palette shifted dramatically; earthy tones, whites, and organic rhythms entered his work, marking a key development in his visual language and laying the foundation for his distinctive approach to abstraction. Sean Scully: The Albee Barn, Montauk not only presents a visual journey through four decades but also highlights the crucial role landscape played in his evolving artistic expression. Key Features of the Book: Comprehensive overview of 40 years of work by a major figure in contemporary abstraction. New insights into the artist's transformative Montauk period. Published on the occasion of the exhibition at the Parrish Art Museum, NY. A must-have for collectors, scholars, and all those who follow the legacy of abstraction in painting. Discover the powerful dialogue between landscape and geometry in Scully's iconic works. SEAN SCULLY 1945 Dublin is one of the world's most acclaimed contemporary artists. The oeuvre of the Irish-born artist who grew up in London and moved to New York in 1975 is characterized by an intense confrontation with Abstract Expressionism, Action Painting, and Minimalism, matched by intellectually engaging writings and lectures. Scully lives and works in New York, Aix-en-Provence, and Bavaria. His Omega A.C. The Theatre of Sean O'Casey James Moran,2013-09-26 This Critical Companion to the work of one of Ireland s most famous and controversial playwrights Sean O Casey is the first major study of the playwright s work to consider his oeuvre and the archival material that has appeared during the last decade Published ahead of the centenary of the 1916 Easter Rising in Ireland with which O Casey s most famous plays are associated it provides a clear and detailed study of the work in context and performance James Moran shows that O Casey not only remains the most performed playwright at Ireland s national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters Since the start of the Troubles in the North of Ireland his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history Moran s admirably clear study considers the writer s plays autobiographical writings and essays paying special attention to the Dublin trilogy *The Shadow of a Gunman* *Juno and the Paycock* and *The Plough and the Stars* It considers the work produced in exile during the war and the late plays *The Companion* also features a number of interviews and essays by other leading scholars and practitioners including Garry Hynes Victor Merriman and Paul Murphy which provide further critical perspectives on the work The Cinema of Sean Penn Deane Williams,2015-11-17 Although best known as an Academy Award winning actor Sean Penn s directorial works *The Indian Runner* 1991 *The Crossing Guard* 1995

The Pledge 2001 and Into the Wild 2007 consist of some of the most interesting and singular films made in the United States over the past twenty years Each of Penn s directorial films and much of the cinema he has acted in are set in an immediate past in which a stalled time and a restricted locale apply narrative constraints At the same time these films all feature a sophisticated web of intertextual relations involving actors songs books films and directors and the political lineage to which Penn belongs which reveal the deep cultural structures that concern each particular film     Sean Yates: It's All About the Bike Sean Yates,2013-09-12 Before Bradley Wiggins there was Sean Yates Behind Bradley Wiggins there was Sean Yates One of only five Britons to wear the yellow jersey in the Tour de France Sean Yates burst onto the cycling scene as the rawest pure talent this country has ever seen After turning professional at the age of 22 he soon became known as a die hard domestique putting his body on the line for his teammates Devastatingly fast powerful and a fearless competitor Yates won a stage of the Tour as well as the Vuelta a Espa a in 1988 and went on to don the coveted maillot jaune six years later Having put British cycling on the map as a rider Yates was soon in demand as a directeur sportif using his tactical knowledge to inspire a new generation of cyclists to success And after Team Sky came calling Yates was the man to design the brilliant plan that saw Sky demolish the opposition in 2012 and for Bradley Wiggins to become the first cyclist from these shores to win the Tour Straight talking entertaining and revelatory It s All About the Bike is the story of a remarkable career told from the unique perspective of a man who is immersed in the history of the sport he loves     *Broken Slate* John A. Daly,2017-10-01 Be careful the legacy you wish for John Daly has a magical writing style You won t want to put it down Dana Perino Former White House press secretary John A Daly writes with assurance and style and without fear or political correctness an engrossing thriller James Rosen Fox News chief Washington correspondent and author of THE STRONG MAN and CHENEY ONE ON ONE Thirty years ago Sean Coleman s father abandoned his family in the Colorado mountain town of Winston and was never heard from again The reason for his disappearance was always a mystery but a lifetime of blaming himself put Sean on a rough dark path that took him years to return from Now content in his life Sean receives unexpected word that his father has finally reemerged on the other side of the country in Pawleys Island South Carolina as a murder victim At the wishes of his sister Sean flies out to retrieve the body and hopefully find answers to why his father left and the life he went on to lead What Sean discovers is a second family a web of deception and a brutal killer who s still on the loose and isn t finished killing     Selected Essays of Sean O Faolain Brad Kent,2016-10-01 Sean O Faolain 1900 1991 was Ireland s leading social and political critic in the period following the country s independence from the United Kingdom Since his death scholarly opinion has alternately cast him as an arch revisionist a liberal nationalist and a frustrated republican The Selected Essays of Sean O Faolain reassesses his reputation by showing that he wrote in the tradition of post Enlightenment European intellectuals and that while he was a significant figure in Ireland his work extends beyond immediate national concerns This volume includes over fifty unabridged essays by O Faolain on a wide range of subjects from canonical writers

to architecture from religious scandals to economics from nationalism to internationalism from long dead historical figures to recent controversies O Faolain s fearlessness in taking on the major political cultural and religious figures of his day his masterly use of rhetoric and his intellectual acuity have contributed to his works being quoted often by scholars working across several disciplines Many of these essays appear here in print for the first time since they were published in the foremost periodicals of their day An extensive introduction and helpful annotations contextualise and explain them for a new audience In his re readings of history and challenges to dominant historiographical trends O Faolain has become a pariah to some and a hero to others The Selected Essays of Sean O Faolain bridges some of these competing visions presenting a more complex figure through his varied corpus of writing      *Essays on Sean O'Casey's Autobiographies* Robert G.

**Bernard Shaw, Sean O'Casey, and the Dead James Connolly**

Nelson O'Ceallaigh Ritschel,2021-07-21 This book details the Irish socialistic tracks pursued by Bernard Shaw and Sean O Casey mostly after 1916 that were arguably impacted by the executed James Connolly The historical context is carefully unearthed stretching from its 1894 roots via W B Yeats dream of Shaw as a menacing yet grinning sewing machine to Shaw s and O Casey s 1928 masterworks In the process Shaw s War Issues for Irishmen Annajanska the Bolshevik Empress The Tragedy of an Elderly Gentleman Saint Joan The Intelligent Woman s Guide to Socialism and Capitalism and O Casey s The Story of the Irish Citizen Army The Shadow of a Gunman Juno and the Paycock The Plough and the Stars and The Silver Tassie are reconsidered revealing previously undiscovered textures to the masterworks All of which provides a rethinking a reconsideration of Ireland s great drama of the 1920s as well as furthering the knowledge of Shaw O Casey and Connolly
