**Yesterday's Bandit** Barry Brierley, 2003-10 Read the Foreword Clarion book review of The Life of Stuart O Van Slyke In this autobiography compiled from old diaries and letters Stuart O Van Slyke recounts his adventures as a young man born to hardship in the early 20th century He recalls how he overcame his background through his own grit imagination and the support of his family and friends From a 21st century point of view Stuart's unsupervised childhood seems carefree Virtually on his own from the beginning Stuart worked his way through college where he was introduced to the Army through ROTC and was the first of his family to graduate He was called to active duty on June 30 1941 as a second lieutenant but his true military career started on Pearl Harbor day This turned out to a pivotal event in the shaping of his life One of the highlights of the book is his service in the North African Campaign and his passionate yet sensitive command of the 78th Fighter Control Squadron and later on the staff of the Allied Air Command of Corsica The war's ending found him in Korea in military government in 1945 where he assisted in the start of South Korea's return to the community of countries who were no longer enslaved or ruled by despots He had a real bird's eye view of the development of the 38th Parallel dilemma that plagues us even today At the age of 29 in 1946 he was a lieutenant colonel in the Army Reserves and a civilian again who wondered what he was now going to do

*Yesterday's Voices, Today's Straight Talk* J. O. Rogers, 2021-12-07 Yesterday's Voices Today's Straight Talk By J O Rogers In 1965 J O Rogers published Blues and Ballads of a Black Yankee a Journey with Sad Sam in Verse for which Whitney M Young Jr then Executive Director of the National Urban League wrote the Foreword That book of poetry chronicled in verse the voice and feelings of some of the people he encountered during his volunteer work as spokesperson for NECAP the North End Community Action Project NECAP was the first and most active

student and citizens civil rights organization in Hartford and Central Connecticut during the 1960s Yesterday's Voices is the last of his unpublished poems from that era The voices of the downtrodden disenfranchised and those denied opportunity can still be heard today in many places in the United States And as it was in the 60s the protests are mostly peaceful and there remains a strong feeling of hope that the nation and the world have the will and desire for change Today's Straight Talk is composed of verses written in the past several years about historical political social past and current problems attitudes conditions and feelings They are easy to read and clearly stated The only way we can strengthen our democracy and participate in establishing those human values and virtues that are endangered is to be honest in expressing our thoughts and actions and to communicate with each other using simply stated straight talk **Yesterday's Sermons for Today's**
