The Search for Freejoe Earnest Edward Lacey, 1999 Free Joe Joel Chandler Harris, 1887 *Honoring My Journey* Barbara Gray Armstrong, 2014-10-07 Author Barbara Gray Armstrong came of age during Jim Crow when the color line was clearly drawn and America was divided into black and white Black people were denied rights and endured discrimination In *Honoring My Journey* she weaves together both personal and public events as an exploration of what it was like being black in America In this memoir she shares stories from her youth growing up in the 1950s and 60s in the South and prospering despite widespread bigotry Representing just a slice of her life *Honoring My Journey* narrates experiences with her parents siblings grandparents friends and classmates and of working as a nanny for a white family Armstrong blends the details of her family and family history into a larger societal context to tell a story that is both personal and universal *Honoring My Journey* provides insight into what it was like growing up during such a turbulent time in the nations history **The Realms of Oblivion** Andrew C. Ross, 2024-07-30 Winner of the Tennessee History Book Award Tennessee Historical Society and Tennessee Historical Commission 2024 *The Realms of Oblivion* explores the complexities involved in reconciling competing versions of history channeled through Davies Manor a historic site near Memphis that once centered a wealthy slave owning family s sprawling cotton plantation Interrogating the forces of memorialization that often go unquestioned in the stories we believe about ourselves and our communities this book simultaneously tells an informative and engrossing bottom up history of the Davies family of the Black families they enslaved and exploited across generations and of Memphis and Shelby County while challenging readers to consider just what upholds the survival of that history into the present day Written in an engaging and critical style *The Realms of Oblivion* is grounded in a rich source base ranging from nineteenth century legal records to the personal papers of the Davies family to twentieth century African American oral histories Author Andrew C Ross uses these sources to unearth the stark contrast between the version of Davies Manor s history that was built out of nostalgia and the version that records have proven to actually be true As a result Ross illuminates the ongoing need for a deep and honest reckoning with the history of the South and of the United States on the part of both individuals and community institutions such as local historic sites and small museums **Free Joe and Other Georgian Sketches** Joel Chandler Harris, 2021-04-25 In *Free Joe and Other Georgian Sketches* Joel Chandler Harris skillfully weaves a tapestry of Southern life through vivid storytelling and rich characterization Published in the late 19th century this collection explores themes of freedom social justice and cultural identity set against the backdrop of post Civil War Georgia Harris employs a distinctive literary style that incorporates dialect and colloquialism which not only adds authenticity but also immerses the reader in the essence of the Southern experience The sketches capture the nuances of African American life and offer a glimpse into the complexities of race relations during this critical period in American history Joel Chandler Harris a journalist and folklorist is best known for his Uncle Remus stories yet his work in *Free Joe* delves deeper into the human condition Born

into a working class family in Georgia Harris's early exposure to Southern folk tales and his career as an editor at a prominent newspaper greatly influenced his narrative style His empathy for the struggles of the oppressed is evident throughout the sketches reflecting his deep understanding of the socio political climate of his time This collection is highly recommended for readers interested in Southern literature historical narratives and the evolution of American storytelling Harris's ability to blend humor with poignant social critique provides a compelling lens through which to explore the complexities of race and resilience in American society Free Joe and Other Georgian Sketches Joel Chandler Harris, 1887
