Date,Gregory Stump,Joshua Anderson,2014-04-15

Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever But is this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of evangelical theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed but due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earl Ellis as they articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell **God's Sabbath with Creation**

Until the Spirit Comes Wonsuk Ma, 1999-01-01 The surge of the Pentecostal movement in this century has brought new relevance to the study of the Spirit of God in the Old Testament Surprisingly however this theme has been largely neglected by Pentecostal scholars Ma seeks to fill this gap by providing an in depth study of the spirit of God in the Isaianic traditions He argues that the Old Testament concept of the Spirit of God has more than one root and that the development of the various spirit traditions can be fruitfully traced The study utilizes a synchronic approach together with historical analyses in order to elucidate the message of the book of Isaiah The author concludes that the concept of the Spirit of God retains a strong eschatological significance throughout the book

World Mission Scott N. Callaham, Will Brooks, 2019-06-12 World missions needs a fully biblical ethos This is the contention of the editors of and contributors to World Mission a series of essays aimed at reforming popular approaches to missions In the first set of essays contributors develop a biblical theology of world missions from both the Old and New Testaments arguing that the theology of each must stand in the foreground of missions not recede into the background In the second they unfold the Great Commission in sequence detailing how it determines the biblical strategy of all mission enterprises Finally they treat current issues in world missions from the perspective of the sufficiency of Scripture Altogether this book aims to reform missions to be thoroughly not just foundationally biblical a needed correction even

among the sincerest missionaries Charged with the Glory of God Caroline Batchelder, 2023-07-26 Isaiah's servant songs reveal a true and better Adam In Charged with the Glory of God Caroline Batchelder provides a synchronic theological and canonical reading of the four Servant Songs in Isaiah 42:1-9, 49:1-13, 50:3-11, 52:13-53:12 showing how they relate to one another and the message of the prophetic book Reading Isaiah as a compositional unity in conversation with other texts such as Genesis results in a coherent presentation of the mysterious servant The polemic against idolatry reveals rebellious Israel to be false imagers of God In contrast Isaiah's servant is an ideal embodiment of Yahweh's image and likeness Thus the servant is a paradigm for those who wish to recapture and realize God's good creation purposes for all humanity The servant poems are not only a call to reorient oneself as a servant towards God and his creation but also a map and means for doing so In this study Batchelder offers fresh insights from Isaiah for understanding God's true image and its idolatrous counterfeits
