Now in a collection of profiles with the richness of short fiction, Williams limns the personalities that dominated politics and the media during the final years of the twentieth century. What makes this book unique is Kelly's presentation of cards in endless combinations, revealing how the cards relate to each other and endowing each card with richer meaning and more subtle nuances than when considered alone. Beginners will learn the basics and be presented with an easy-to-follow organic system of learning to interpret the cards. Intermediate practitioners can build on what they already know, and for advanced readers, *Tarot Card Combinations* will provide new insight and food for thought. With illustrations showing 2, 3, 4, and 5 card combinations of cards in the popular Waite deck, *Tarot Card Combinations* is as beautiful as it is informative.
