## **Searching For Christ The Spirituality Of Dorothy Day:**

**Searching for Christ** Brigid O'Shea Merriman, 2001 In this perceptive and engaging history Brigid O'Shea Merriman O'Shea studies the spiritual development and religious vision of Dorothy Day a pioneer of American social Catholicism and co-founder of the Catholic Worker and the Catholic Worker movement Merriman explores Day's spiritual roots in literature especially the Scriptures along with her sensibility and her aesthetic vision The impact of Christian personalism monasticism and the retreat movement on her spirituality is also examined including new material on Day's association with Thomas Merton and a critical analysis of the Lacouture retreat movement Friendship was an essential component of Day's spirituality and the final chapter discusses Day's devotion to and enduring friendship with the saints as well as her warm relationships with a number of her contemporaries

**The Catholic Worker After Dorothy** Dan McKanan, 2008 Dorothy Day wanted Catholic Worker communities to be free to shape their identities around the local needs and distinct vocations of their members Open to single people and families in urban and rural areas the Catholic Worker and its core mission have proven to be both resilient and flexible The Catholic Worker after Dorothy explores the reality of Catholic Worker communities today

*Dorothy Day* Terrence Wright, 2018-03-20 In this introduction to the life and thought of Dorothy Day one of the most important lay Catholics of the twentieth century Terrence Wright presents her radical response to God's mercy After a period of darkness and sin which included an abortion and a suicide attempt Day had a profound awakening to God's unlimited love and mercy through the birth of her daughter After her conversion Day answered the calling to bring God's mercy to others With Peter Maurin she founded the Catholic Worker Movement in 1933 Dedicated to both the spiritual and the corporal works of mercy they established Houses of Hospitality Catholic Worker Farms and the Catholic Worker newspaper Drawing heavily from Day's own writings this book reveals her love for Scripture the sacraments and the magisterial teaching of the Church The author explores her philosophy and spirituality including her devotion to Saints Francis Benedict and Thérèse He also shows how her understanding of the Mystical Body of Christ led to some of her more controversial positions such as pacifism Since her death in 1980 Day continues to serve as a model of Christian love and commitment She recognized Christ in the less fortunate and understood that to be a servant of these least among us is to be a servant of God

**Dorothy Day** Patrick Jordan, 2015-12-14 By any measure Dorothy Day lived a fascinating life She was a journalist activist single mother convert Catholic laywoman and co-founder of the Catholic Worker Movement A lifelong radical who took the gospels at their word Dorothy Day lived among the poor as one of them challenging both church and state to build a better world for all people Steeped in prayer the liturgy and the spiritual life she was jailed repeatedly for protesting poverty injustice and war Through it all she created a sense of community and remained down to earth and humanly approachable To have known Dorothy Day was to have experienced not only her charm and humanity but the purposefulness of her life In *Dorothy Day Love in Action* Patrick Jordan who knew her personally conveys some of the hallmarks of Day's fascinating life and the spirit

her adventure inspires People of God is a series of inspiring biographies for the general reader Each volume offers a compelling and honest narrative of the life of an important twentieth or twenty first century Catholic Some living and some now deceased each of these women and men has known challenges and weaknesses familiar to most of us but responded to them in ways that call us to our own forms of heroism Each offers a credible and concrete witness of faith hope and love to people of our own day Dorothy Day John Loughery, Blythe Randolph, 2020-03-03 Magisterial and glorious Pittsburgh Post Gazette the first full authoritative biography of Dorothy Day American icon radical pacifist Catholic convert and advocate for the homeless is a vivid account of her political and religious development Karen Armstrong The New York Times After growing up in a conservative middle class Republican household and working several years as a left wing journalist Dorothy Day converted to Catholicism and became an anomaly in American life for the next fifty years As an orthodox Catholic political radical and a rebel who courted controversy she attracted three generations of admirers A believer in civil disobedience Day went to jail several times protesting the nuclear arms race She was critical of capitalism and US foreign policy and as skeptical of modern liberalism as political conservatism Her protests began in 1917 leading to her arrest during the suffrage demonstration outside President Wilson's White House In 1940 she spoke in Congress against the draft and urged young men not to register She told audiences in 1962 that the US was as much to blame for the Cuban missile crisis as Cuba and the USSR She refused to hear any criticism of the pope though she sparred with American bishops and priests who lived in well appointed rectories while tolerating racial segregation in their parishes Dorothy Day is the exceptional biography of a dedicated modern day pacifist an outspoken advocate for the poor and a lifelong anarchist This definitive and insightful account is a monumental exploration of the life legacy and spirituality of the Catholic activist Spirituality Practice

The Catholic Worker Movement Mark Zwick, Louise Zwick, 2005 This book is essential reading for understanding the legacy behind the Catholic Worker Movement The founders of the movement Dorothy Day and Peter Maurin met during the Great Depression in 1932 Their collaboration sparked something in the Church that has been both an inspiration and a reproach to American Catholicism Dorothy Day is already a cultural icon Once maligned she is now being considered for sainthood From a bohemian circle that included Eugene O Neil to her controversial labor politics to the founding of the Catholic Worker Movement she lived out a civil rights pacifism with a spirituality that took radical message of the Gospel to heart Peter Maurin has been less celebrated but was equally important to the movement that embraced and uplifted the poor among us Dorothy Day said he was a genius a saint an agitator a writer a lecturer a poor man and a shabby tramp Mark and Louise Zwick's thorough research into the Catholic Worker Movement reveals who influenced Peter Maurin and Dorothy Day and how the influence materialized into much more than good ideas Dostoevsky Catherine of Siena Teresa of Avila Francis of Assisi Therese of Lisieux Jacques and Raissa Maritain and many others contributed to fire in the minds of two people that sought to blow the dynamite of the Church in 20th century America This fascinating and detailed work will be meaningful to

readers interested in American history social justice religion and public life It will also appeal to Catholics wishing to live the Gospel with lives of action contemplation and prayer

*Searching for Christ* Brigid O'Shea Merriman, 1989 *Bodies of Peace* Myles Werntz, 2014 *Bodies of Peace* argues that Christian nonviolence is both formed by and forms ecclesial life creating an inextricable relationship between church commitment and resistance to war In this volume Myles Werntz examines the work of John Howard Yoder Dorothy Day William Stringfellow and Robert McAfee Brown demonstrating how each thinker's advocacy for nonviolent resistance depends deeply upon the ecclesiology out of which it comes The volume argues that any account of an ecclesially informed resistance to war must be open to a multitude of approaches not as pragmatic concessions but as a foretaste of ecumenical unity

**Combing the Tradition** Fred Herron, 2007 This is a sketchbook of the twin realities of Catholic faith and Catholic schools A theological vision of the Catholic religious imagination provides the framework for viewing these realities from different angles Taking Pope Benedict XVI's remark that truth is in the Whole this book looks at Catholic faith and education from the rich perspective of the sacramental or Catholic imagination Historian John Tracy Ellis's conviction that this age will be known as the era of baptismal consciousness reflects a growing awareness in the entire Christian community that it must take its responsibilities in evangelization seriously *Combing the Tradition* is an attempt to comb the Catholic tradition from the point of view of this re-emerging baptismal consciousness It marvels at the role that Catholic schools teachers parents

and students play in recreating this great truth It finds God s loving hand at work in the lives of citizens seeking meaning at Ground Zero in the re emerging theology of the domestic church and in understanding the task of Catholic education It raises questions concerning the impact of consumer society on the lives of our young people and finds hope in schools which continue to shape the religious imaginations of the next generation of a community of disciples     *A Question of Being* Karin Holsinger Sherman,2007-07-20 James Douglass s writings have been recognized as among the most challenging and inspiring explorations of nonviolence and Christian discipleship in the last century Throughout his career Douglass has argued forcefully for the integration of contemplation and resistance theology and cultural critique spirituality and prophetic involvement His work has inspired many of the key figures in recent debates regarding just war Christian nonviolence and radical discipleship and continues to be highly relevant in our contemporary situation In *A Question of Being* the first book length treatment published on Douglass s writings Karin Holsinger Sherman provides an introduction to and engagement with this important body of work through an exploration into its contextual history influences and main themes Moreover the author argues that these themes work together to create an ontology of nonviolence an ontology that integrates the forces of resistance and contemplation so important to Douglass The book begins by examining Douglass s biography and three broad historical trajectories that give context to his thought the fusion of Christianity and American nationalism in the early Cold War period the emergence of cultural critique in the late fifties and early sixties and the Catholic pacifist tradition and the post 1972 period of disillusionment Holsinger Sherman then considers the lives and thought of Dorothy Day Mahatma Gandhi and Thomas Merton as well as their unique intellectual and exemplary influence on Douglass s ideas After explicating the themes of the cross and the kingdom as they developed chronologically in Douglass s writing career this book draws together Douglass s thought to reveal an ontology of nonviolence In her conclusion Holsinger Sherman argues that this ontology of nonviolence is the key to understanding Douglass s integral theology of contemplation and resistance     **Signs of Hope** Oyer, Gordon,2021-10-20 Explores the thinking of the famous Trappist monk on topics of social concern peace race ecology through his correspondence with particular activists scholars and thinkers     *Mary, Star of Evangelization* Jacob Phillips,2018 *Mary Star of Evangelization* not only outlines the theories behind key strategies for conducting the new evangelization in considerable depth and detail but reveals the fundamentally Marian texture that they share     *Thirsty for God* Bradley P. *Church on the Way* Nell Becker Sweeden,2015-07-17 The practice of Christian hospitality reaches back to the early centuries of Christian life as well as deep into Jewish history life and Scripture This practice is alive today in Christian churches and in parachurch organizations within the United States but new contextual realities in particular twenty first century global migration patterns have altered the conditions under which hospitality is practiced The reality of migration and its effect on human lives disrupts static conceptions of hospitality and challenges ecclesial communities toward contextual appropriation of hospitality practice This volume explores Christian hospitality practice in light of twenty first century U S Latino a migration and it develops the notion of a journeying hospitality of accompaniment with and among persons migrating which fosters deeper relationships and formation The shifting identities of persons on the move challenge assumptions about what it means to welcome another in hospitality and ultimately what it means to be church from within these new relationships In turn the new conceptions and expressions of hospitality offered in this book press how the nature and mission of the church will be oriented toward new ecclesial patterns and alternative forms of residing on earth

**Graceful Exits** Debra Campbell,2003-11-27 The personal narratives of nine 20th century Catholic female authors Monica Baldwin Antonia White Mary McCarthy Mary Gordon Mary Daly Barbara Ferraro Patricia Hussey Karen Armstrong and Patricia Hampl speak eloquently about the process of departure from the church and its institutions This study explores each author s breaking of the taboo associated with women leaving their proper place It locates five themes at the heart of all of their narratives reversal boundary crossing diaspora renaming and recycling Debra Campbell grapples with the spirituality of departure

depicted by all nine women for whom the very process of leaving Catholic institutions is a Catholic enterprise These narratives support the popular maxim that no one ever really leaves the church In the final chapter Campbell examines narratives of return confirming the book's overarching theme that neither departure nor return is ever finished The Bread of the Strong Jack Lee Downey, 2015-06-01 Contributing to the ongoing excavation of the spiritual lifeworld of Dorothy Day the most significant interesting and influential person in the history of American Catholicism The Bread of the Strong offers compelling new insight into the history of the Catholic Worker movement including the cross pollination between American and Quebecois Catholicism and discourse about Christian antimodernism and radicalism The considerable perseverance in the heroic Christian maximalism that became the hallmark of the Catholic Worker's personalism owes a great debt to the influence of Lacouturisme largely under the stewardship of John Hugo along with Peter Maurin and myriad other critical interventions in Day's spiritual development Day made the retreat regularly for some thirty five years and promoted it vigorously both in person and publicly in the pages of The Catholic Worker Exploring the influence of the controversial North American revivalist movement on the spiritual formation of Dorothy Day author Jack Lee Downey investigates the extremist intersection between Roman Catholic contemplative tradition and modern political radicalism Well grounded in an abundance of lesser known primary sources including unpublished letters retreat notes privately published and long out of print archival material and the French language papers of Fr Lacouture The Bread of the Strong opens up an entirely new arena of scholarship on the transnational lineages of American Catholic social justice activism Downey also reveals riveting new insights into the movement's founder and namesake Quebecois Jesuit Onesime Lacouture Downey also frames a more reciprocal depiction of Day and Hugo's relationship and influence including the importance of Day's evangelical pacifism on Hugo particularly in shaping his understanding of conscientious objection and Christian antiwar work and how Hugo's ascetical theology animated Day's interior life and spiritually sustained her apostolate A fascinating investigation into the retreat movement Day loved so dearly and which she claimed was integral to her spiritual formation The Bread of the Strong explores the relationship between contemplative theology asceticism and radical activism More than a study of Lacouture Hugo and Day this fresh look at Dorothy Day and the complexities and challenges of her spiritual and social expression presents an outward exploration of the early to mid twentieth century dilemmas facing second and third generation American Catholics
