The Myrtle ,1876 **In Search of Providence** Patricia Foxen,2020-09-15 In the mid 1990s Patricia Foxen traveled back and forth between the Guatemalan highlands and Providence Rhode Island to understand the migration paths of K'iche' Mayan Indians who had fled the Guatemalan civil war to work in the factories and fisheries of New England More than two decades later many Mayans are still migrating to the US today part of the border crisis that prompted the Trump administration's ruthless immigration and asylum policy backlash As Foxen argues the recent surge in Mayan border crossings must be contextualized within both the longer history of violence marginality and exclusion that has long led Guatemala's Indigenous populations to be survivors on the move as well as contemporary push factors such as climate change and growing inequality that have forced people from their communities And yet one of the most significant drivers of continued emigration today ironically is the very culture of migration described in the book that has accelerated social change within many Indigenous communities setting in motion a complex series of economic and cultural shifts that have compelled a continuous movement of people and generations to the US Reading this story in 2020 at a time of massive growth in flows of irregular migrations around the world can help us better understand the highly complex set of factors that propel long term migrations and that shape transnational communities on both sides of the border In Search of Providence offers a layered historically grounded perspective that speaks to the local specificity behind the migration experience in order to point to the universal themes and contradictions of contemporary global displacements *Weekly World News* ,2005-05-30 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

In Search of Naunty's Grave Nick Trujillo,2004-02-16 Elsie Martinez Trujillo Alcaraz Naunty to her grandson and communication scholar Nick Trujillo was a working class woman daughter of New Mexico Hispanos and eventually the resident of a Los Angeles nursing home She becomes the focal point for Trujillo's experimental ethnography of family relations aging and ethnic identity throughout the twentieth century Collecting narratives of his grandmother's life Trujillo learns how family members use stories to define the family's sense of itself and create collective views on intergenerational relations social history gender class and ethnicity Through these stories family photos and his own recollections supplemented with Elsie's letters and journal entries the author is able to explore topics often ignored in life histories of the elderly sexuality body image eating disorders marital discord mobility patterns racial prejudice and interactions with the health care system Trujillo's presentation brings Naunty's humor liveliness and generosity alive for scholars and students alike and provides a vivid portrait of being Hispanic and female in the 20th century American west
