Searching For Shona:

Searching for Shona Margaret Jean Anderson,1989 **Searching for Shona** Margaret J. Anderson,1978 *A Father's Undying Love* , ???,2025-09-11 Richard Charley a father daughter bond that can never be broken Only death could tear them apart This beautiful traumatic heart breaking story will blow your senses to pieces Ripping them to shreds mixing them up and then spitting them out like a crazy cement mixer on steroids Leaving you totally bereft apart from only one which is now cascading down your sad sobbing face I implore you please don t read this devastating story unless you have bought an extremely big box of tissues You have been warned **Seductive Scot** Julie Johnstone,Cecelia Mecca,2020-04-23 Reikart McCaim doesn t want to be saved despite the fact that he s a time traveler from 2020 New Orleans stuck in medieval Scotland He holds his jagged secrets close to his chest and wants to keep them that way Even if he could open up to the incredible woman fate has tossed in his path they d both be shredded by the things he can t let go of Still he needs her help In his time his father lies in a coma with only one wish to see Reikart s mother again whom he s always claimed was a time traveler pulled back to her true time Two of Reikart s brothers already traveled back to search for her but they are missing too Now Reikart must find his family and secure the magic cross they need to return to their time And the lass who is everything he wants but cannot allow himself to have is the only one who can recover it Deirdre Irvine s life is a disaster and it s about to get a whole lot messier She s been betrayed by her brother and she finds herself unwittingly embroiled in a plot to gain control of the Scottish throne Not to mention she s harboring enormous guilt over failing the sister she adores So when the unexpected chance to prove herself to her sister arises Deirdre will do anything to use the opportunity to her advantage It doesn t matter that it means putting herself in danger and joining forces with a man who claims he s from the future But she is woefully unprepared for the jeopardy he puts her heart in For a scarred man and wounded lass their greatest obstacle may not be the centuries that divide them but the walls they ve erected themselves As Deirdre s and Reikart s lives intertwine and they re confronted with dangerous enemies she s about to discover a strength she never knew she had and he s about to learn that facing his ghosts may be the only way to save not only himself but the woman he now loves Locality in Vowel Harmony Andrew Nevins,2010 This work offers phonologists new evidence that viewing vowel harmony through the lens of relativized minimality has the potential to unify different levels of linguistic representation and different domains of empirical inquiry in a unified framework Mishap Marriage Helen Dickson,2014-03-01 A sea captain s marriage ploy leads to unexpected adventure with a Caribbean heiress in this sexy historical romance Caribbean Islands 1800 When Captain Zack Fitzgerald sails into the island of Santamaria the arrival of his ship causes a stir among the inhabitants For Shona McKenzie whose father rules the island and her life with an iron fist the ruggedly handsome captain offers an appealing ticket to freedom But her sister in law s scheming places them in a highly compromising situation Although Zack is mesmerized by Shona marriage would destroy his plans to obtain guardianship over his child so he devises

a plan to make sure the forced wedding stays a sham But weeks later Shona shows up on his London doorstep and Zack must learn to deal with a very unexpected very defiant wife **Taylor's Ark** Jody Lynn Nye,2016-09-05 Exciting enjoyable space adventure fun and well crafted with a heroine you ll enjoy rooting for Aboriginal Science Fiction Dr Shona Taylor a specialist in environmental medicine discovers that a mysterious epidemic is killing the entire population of colony worlds With the help of her special menagerie including a cat that can detect environmental hazards a dog whose system can synthesize vaccines and an intelligent alien named Chirwl Shona is determined to stop the epidemic in its tracks but the people causing the epidemic have set her up to take the blame spreading the rumor that she is an Angel of Death Can she find a cure before the disease kills again and puts her and her menagerie in danger *The Search for King Solomon'S Mines* Dr. Diana Prince,2015-10-12 For centuries adventurers have sought the legendary mines of King Solomon But this is not a fable This is not a myth This is the true story of King Solomons Mines It also explores the characters in the real drama King Solomon and the Queen of Sheba their alliance and their love story Astounding sources from the ancient world verify the location of the mines and the capital city that the Bible refers to as Ophir the City of Gold Here also you will see photographs of the places as they exist today The real story is more compelling than any novel **Free Fall** Rohini Singh,2013-06-01 Join Shona on a journey of a lifetime the journey home Shona a parakeet with everything going for her decides one fine day to leave her cozy cage to fly free in the blue skies During her many adventures she is befriended by a host of memorable characters including Shona 2 a parakeet who looks like her talks like her often even poses as her but spouts strange unfamiliar ideas and incites Shona to do foolhardy things This delightful parable is about friendship learning to trust letting go and discovering the power of surrender Shona s story will enthrall and charm you and may even touch closer home than you imagine it could be your story Endearing and beautifully written Free Fall will make you reflect on life death love hurt trust and the cages that imprison you your comfort zones Peppered with heart warming insights and wisdom Free Fall is sure to remain with you long after you have turned the last page **Dead Man Deep** Lynne McEwan,2022-08-04 Nothing stays buried forever Lifeboat volunteer DI Shona Oliver receives a Mayday call coming from Kilcatrin Island Upon the beach is the badly burned body of a man and a boy lies gravely injured nearby Strewn around them are scores of Second World War incendiary bombs presumably washed up by the tide from Beaufort s Dyke an offshore arms dump deep in the Irish Sea The dead man is a local fisherman his son the other victim and it rocks the tight knit community on the shores of the Solway Firth As lead detective Shona has to maintain a professional distance But she can t ignore the hardship that her neighbours who make a living at sea are experiencing Anger is directed at the Ministry of Defence when the fallout threatens tourism and livelihoods including Shona s own family B B business are at risk Suspicious behaviour seems to be found at every turn It s impossible for Shona to get to the truth unless she can gain the trust of those who know more than they ve been willing to reveal But blind loyalty may mean she s too late to save those still in danger including herself The second instalment in an exciting new Scottish

crime series featuring a detective with nerves of steel Perfect for fans of Neil Lancaster G R Halliday and Ann Cleeves Praise for Dead Man Deep A real cracker of a book Combining police procedural with the perils of volunteer lifeboat crew and some dodgy MOD arms dumping thrown in for good measure Reader Review I absolutely loved this book So much so I read it in one sitting The twists kept the pages turning and left me shocked at the end I definitely recommend this series to all crime fiction fans Reader Review Fun page turner this one will have you pining for the Scottish coast Reader Review A very well written and likeable character this had the makings of a cracking series Reader Review Shona Oliver is flawed but hard working and always with good intentions Lynne McEwan has created a captivating character and I hope more books follow Reader Review Excellent storyline and characters so what more do you need The next title can't come quickly enough Reader Review A riveting Scottish police procedural Reader Review **A Study of how Children's Responses to Historical Fiction are Reflected in Their Writing** Dianne H. Ross,1982 Going Back Diana Wallsgrove,2024-07-28 Can we go back there please Just one more time Never Look a Polar Bear in the Eye Zac Unger,2013-01-29 In this humorous mix of travelogue and memoir a writer temporarily moves his California family north to Canada's Polar Bear Capital of the World Welcome to Churchill Manitoba Year round human population 943 Yet despite the isolation and the searing cold here at the arctic's edge visitors from around the globe flock to the town every fall driven by a single purpose to see polar bears in the wild Churchill is The Polar Bear Capital of the World And for one unforgettable bear season Zac Unger his wife and his three children moved from Oakland California to make it their temporary home But they soon discovered that it's really the polar bears who are at home in Churchill roaming past the coffee shop on the main drag peering into garbage cans scratching their backs against fence posts and front doorways Where kids in other towns receive admonitions about talking to strangers Churchill schoolchildren get Let's All Be Bear Aware booklets to bring home Lesson number 8 Never explore bad smelling areas Zac Unger takes readers on a spirited and often wildly funny journey to a place as unique as it is remote a place where natives tourists scientists conservationists and the most ferocious predators on the planet converge In the process he becomes embroiled in the controversy surrounding polar bear science and finds out that some of what we've been led to believe about the bears imminent extinction may not be quite the case But mostly what he learns is about human behavior in extreme situations and also why you should never even think of looking a polar bear in the eye **The Photograph** Dee Woods,2017-06-28 The story is about Katy who on the death of her mother discovers a hidden photograph that changes everything she knew about her life up to that point Despite objections from her aunt whom she believed was her only family she decides to search for the people in the photograph who she now knows are the family she knew nothing about Her search leads to joy and heartbreak love and friendship and betrayal and murder **Justice Not Silence** Ezra Chitando,Sophia Chirongoma,2013-09-01 The editors of this volume highlight the fact that although the Church often stands up for other public issues such as human rights democratic political rights economic justice etc sexual and gender based violence do not

receive the attention they deserve There are no theological or cultural arguments that can justify such a position Sexual and gender based violence are a scourge that defies our Christian understanding of human dignity and challenges the Church in all its formations to respond Although most of the case studies are from Zimbabwe they challenge us regardless of which country we are living in or the tradition of our specific denomination In the context of Southern Africa where the HIV and AIDS burden is among the highest in the world sexual and gender based violence are a major contributor to the spread of the disease This will only change if the Church challenges this practice as part of its educational and public work in theological institutions in congregations but also in its pastoral work within families

Knowledge Production and the Search for Epistemic Liberation in Africa Dennis Masaka, 2022-09-09 This book shows the importance of knowledge production using requisite terms and frameworks to the broader scheme of epistemic liberation in Africa The text considers what this veritable direction to knowledge production would mean to other areas of concern in African philosophy such as morality education and the environment These contributions are important because the success of decolonising projects in African countries depend upon the methods that underpin envisioned liberative knowledge production in light of Africa s historical and present condition This volume appeals to students and researchers working in epistemology and African philosophy
