Virginia Beach Amy Waters Yarsinske,2002 Few would guess from looking at the resplendent Virginia Beach shoreline its stretches of fine sand sloping dunes and rolling waves that the city has experienced anything but peace and tranquility since the history of its native Chesapeake tribe collided with the ambition and vision of new European settlers on the colonial coastline But turmoil and conflict as well as progress and achievement are all a part of the area s unique story *Virginia Beach A History of Virginia s Golden Shore* brings to life the people places and events that contributed to the city s celebrated reputation Through stories and memories readers are introduced to the varied citizens who called this land home including

such characters as Sarah Offley who married three of early Virginia's most powerful settlers and to the city's illustrious visitors. This volume also details in both word and image the influential resort age which began in 1880 and saw the community flourish as people flocked to the Atlantic shore to dance picnic and enjoy the surf at the Princess Anne Hotel. Everyday vacationers mingled with notables such as Alexander Graham Bell and John Lionel and Ethel Barrymore at the landmark hotel with the railroad at its front door. Although little of the golden shore remains unchanged, modern residents continue to preserve what they can, especially their memories, pride and love for the city. *Kindergarten Review*, 1912

Index to Fairy Tales, Myths, and Legends Mary Huse Eastman, 1926 For contents see Author Catalog **Columbia Record Catalog**, 1925 *The Persian Alexander*, 2017-10-27 Alexander the Great 356-333 BC was to capture the imagination of his contemporaries and future generations. His image abounds in various cultures and literatures, Eastern and Western, and spread around the globe through oral and literary media at an astonishing rate during late antiquity and the early Islamic period. The first Iskandarnama or The Book of Alexander, now held in a private collection in Tehran, is the oldest prose version of the Alexander romance in the Persian tradition. Thought to have been written at some point between the eleventh and fourteenth centuries by an unknown author, the lively narrative recasts Alexander as Iskandar, a Muslim champion, a king and prophet, albeit flawed but heroic and remarkably appropriated to Islam, though the historic Alexander lived and died some 1,000 years before the birth of the faith. This new English translation of the understudied text is the first to be presented unabridged and sheds fresh light onto the shape and structure of this vital document. In so doing, it invites a reconsideration of the transformation of a Western historical figure and one-time mortal enemy of Persia into a legendary hero adopted by Iranian historiographic myth-making. Evangelos Venetis, the translator, also offers a textual analysis providing much needed context and explanations on both content and subsequent reception. This landmark publication will be invaluable to students and scholars of classical Persian literature, ancient and medieval history, and Middle East studies, as well as to anyone studying the Alexander tradition. Motorcycle Illustrated, 1922 *Nature* Sir Norman Lockyer, 1909

Ballou's Dollar Monthly Magazine, 1861 **Cousin Lucy on the Sea-shore** Jacob Abbott, 1863 *Teaching Peace through Transformative Literature and Metaethics* Maryann P. DiEdwardo, 2023-06-14 This book is about content-driven lectures, panels, round tables, seminars, and workshops aiming to improve learning communities and academic literature skills. It advocates teaching peace through transformative literary works. DiEdwardo gives her readers her original poetry, critiques of fiction and film, as well as an exploration of peace studies to facilitate a concentration on curiosity, solitude, and self-development through writing.
