Seaside Weymouth:

Weymouth's Seaside Heritage Allan Brodie, Colin Ellis, David Stuart, Gary Winter, 2015-04-01 With Weymouth and Portland hosting the London 2012 Olympic and Paralympic Games sailing events the profile of the area will be raised considerably in the years leading up to the Games Weymouth's seaside history and heritage will be a focus of attention and will contribute significantly to the regeneration of the town in the coming years Weymouth has been a popular seaside resort for over 250 years Likened to Montpelier and Naples for its natural beauty and healthy climate it received the endorsement of King George III His presence helped the town to expand rapidly in the late 18th and early 19th centuries resulting in a stunning legacy of seafront terraces that continue to provide accommodation for thousands of holidaymakers each year Weymouth boasts an eclectic mix of medieval town planning harbour side industry and former military sites that have had an impact on the town's development as a seaside resort Many of the buildings associated with declining brewing and maritime industries have now been redeveloped and serve as amenities and accommodation for residents and visitors An English Heritage opinion poll in 2007 found that seventy five per cent of respondents felt that the historic character of seaside towns is what makes them beautiful and enjoyable This book describes the colourful story of Weymouth's seaside history and the buildings and open spaces that survive to tell this story It also demonstrates how the historic environment can play an important part in the future development of the town **Whitaker's Almanack**, 1913 Seaside Weymouth Maureen Attwooll, Jack West, 1989 **Thomas Hardy** Michael Millgate, 2004 Michael Millgate one of the world's leading Hardy scholars adds 20 years worth of new research to his classic biography He presents new insights into Hardy's writing his private life and his two marriages The Magnificent Spilsbury and the Case of the Brides in the Bath Jane Robins, 2010-04-01 Bessie Mundy Alice Burnham and Margaret Lofty are three women with one thing in common They are spinsters and are desperate to marry Each woman meets a smooth talking stranger who promises her a better life She falls under his spell and becomes his wife But marriage soon turns into a terrifying experience In the dark opening months of the First World War Britain became engrossed by The Brides in the Bath trial The horror of the killing fields of the Western Front was the backdrop to a murder story whose elements were of a different sort This was evil of an everyday insidious kind played out in lodging houses in seaside towns in the confines of married life and brought to a horrendous climax in that most intimate of settings the bathroom The nation turned to a young forensic pathologist Bernard Spilsbury to explain how it was that young women were suddenly expiring in their baths This was the age of science In fiction Sherlock Holmes applied a scientific mind to solving crimes In real life would Spilsbury be as infallible as the great detective **British Seaside Piers** Anthony Wills, Tim Phillips, 2014 This is the only guide to all 58 extant British seaside piers including details of location history and current operations archive and contemporary photography and a gazetteer **The Sketch**, 1893 **50 Gems of Dorset** John Megoran, 2017-11-15 This beautifully photographed selection of fifty of the county's most precious assets

that form an essential part of the existing literature By no means were all migrants forced to leave their country by circumstances many looked forward to a better life abroad They were largely opportunists rather than victims whether financed by the state or by landlords or philanthropists or as was the case for the majority by themselves or their families This was a huge movement of people that formed part of a European exodus to the New World In placing British and Irish migration alongside each other there is recognition of the commonalities among both sets of emigrants that will surprise many readers The poor condition of labourers in 1840s Dorset and Wiltshire were akin to those found in County Cork during the Famine years British and Irish emigrants were commonly found on the same ships en route to the Americas and Australasia both settling in predominantly English speaking countries With case studies by a variety of contributors set within the broader context of current scholarship this compilation features new research on a popular subject which still resonates today It will prove particularly useful for family historians *The Producer* ,1918 *The Municipal Journal* ,1908

Travel and Tourism in Britain, 1700-1914 Vol 3 Susan Barton,Allan Brodie,2021-12-16 The British led the way in holidaymaking This four volume primary resource collection brings together a diverse range of texts on the various forms of transport used by tourists the destinations they visited the role of entertainments and accommodation and how these affected the way that tourism evolved over two centuries Volume 3 Seaside Holidays Over the course of the seventeenth century medical writers and practitioners came to realise the health giving properties of the seaside environment By the early eighteenth century this scientific interest was spreading to wealthy people in search of a rest cure Bathing in the sea drinking the waters and spending time in the bracing air became a widespread activity and by the nineteenth century this had expanded thanks to extensive advertising and publicity about its beneficial effects Specific forms of entertainment also developed such as piers aquaria winter gardens and cinemas **Perfection** Margarett Lincoln,2024-09-10 A colourful account of women s health beauty and cosmetic aids from stays and corsets to today s viral trends Victorian women ate arsenic to achieve an ideal pale complexion while in the 1790s balloon corsets were all the rage designed to make the wearer appear pregnant Women of the eighteenth century applied blood from a black cat s tail to problem skin while doctors in the 1880s promoted woollen underwear to keep colds at bay Beautification and the pursuit of health may seem all consuming today but their history is long and fantastically varied Ranging across the last four hundred years Margarett Lincoln examines women s health and beauty in fascinating detail Through first hand accounts and reports of physicians quacks and advertising Lincoln captures women s lived experience of consuming beauty products and the excitement and trauma of adopting the latest fashion trends Considering everything from body sculpture diet and exercise to skin teeth and hair **Perfection** is a vibrant account of women s body fashioning and shows how intimately these practices are related to community and identity throughout history **Pearson's Magazine** ,1907
