Everyday Apologetics Paul Chamberlain, Chris Price, 2020-05-06 Objections to the Christian faith are not new The ability to boldly proclaim the old faith to a post Christian culture is In an era where access to objections and arguments is easier than ever everyday Christians need to be prepared with strong clear responses In Everyday Apologetics readers will be equipped with answers to some of Christianity's most difficult objections Why is the God of the Old Testament so violent Are science and faith in fundamental conflict with one another The contributors take up these questions and more helping Christians be strengthened in their faith while also providing powerful answers to opponents of the Christian faith With a clear inviting winsome style Everyday Apologetics is for everyone Christians skeptics seekers and everyone in between

Season of Doubt Jon Cleary, 1970 *Total Surrender* Tebogo Maimane, 2012-09-11 *Total Surrender* is aimed first at motivating people to be authentic in their relationship with God and second to cheer them up so that they don't allow circumstances to dissuade them from this relationship At the end of reading this book the reader will be empowered to grow spiritually challenged on matters of spirituality committed not to give up on their God ordained purpose due to external pressure encouraged not to compromise on their faith enthusiastic about putting God as a priority **Silence and Other Surprising Invitations of Advent** Enuma Okoro, 2012-09-01 Usually when we think of the Advent story Mary Joseph and the angel Gabriel come to mind Okoro approaches Advent a little differently inviting us to sit for a while with Zechariah and Elizabeth and the story of how they came to bear their only son John The Advent story we so often associate with the joy of Christmas actually begins with deep sorrow and longing But thankfully in the kingdom of God there is always more to the story than meets the eye Enuma Okoro writes Zechariah and Elizabeth were good people They had maintained faith and hope in God for many years despite Elizabeth's inability to conceive a condition considered shameful in their time So they were quite familiar with the universal human experiences of longing and waiting Even though this couple's story takes up only one chapter in Luke's Gospel it contains enough lessons about faith and life to last for weeks In her beautifully written imaginative meditations for each day of Advent Okoro looks closely at the doubts and longings of Zechariah and Elizabeth As you explore their story Okoro guides you to reflect on your own experiences of waiting and longing of grief and the need for community and of hungering for God These poetic and poignant meditations will linger with you long after Christmas Reflection questions and a prayer challenge accompany each week's meditations A perfect book for individual or group study

Walking with a Limp Ezra Byer, 2020-12-20 I've always loved the book of Genesis where faith in the eternal unchanging God of Abraham proves paradoxically to be more human than heroic This is surely why I appreciate Ezra Byer's exploration of the life of Jacob whose story provides a window for examining his own seasons of doubt and depression Mercifully Ezra strips us of the illusion that faith will always be the swift steady sure climb He reminds that we might cling to God and still feel his absence This is a book for the trenches a book for building gritty honest ultimately resilient faith Jen Pollock Michel

Author of *Surprised by Paradox* and *Keeping Place Walking with a Limp* will point you to the sure sources of hope for the hopeless The God of all hope and His word of hope In it you ll find practical help and encouragement to stay the course You like Jacob can be a prince with God an overcomer whose limp testifies to tenacious clinging to God Dr Philip Brown Author of *A Reader s Hebrew Bible* In recent years believers in Christ have become more transparent about the struggles we face with depression and mental illness In this timely book Ezra Byer contributes to this encouraging trend by inviting readers to re read the ancient narrative of the Patriarch Jacob and encounter anew the God who heals and also sets apart his people for worship and service Dr Edward Smither Author of *Mission in the Early Church* and *Christian Martyrdom* When we suffer we don t need glib answers or easy truths We need to hear from someone who knows what it s like can remind us of biblical truth and point us to hope That s why I m grateful that Ezra has written this honest profound and encouraging book I can t wait to read it again and to share it with others Darryl Dash Author of *How to Grow*
