Seasons At The New Yorker:

Everything You Wanted to Know About the New York Knicks Michael Benson, 2007-09-27 This book contains biographical information and career statistics on every ex or current Knick player or coach from the team's founding in 1946 to the present. An A to Z compendium of over 400 Knickerbockers it reminds us of the great players that called Madison Square Garden their home court among them Bill Bradley, Walt Frazier, Patrick Ewing, Al McGuire and Earl Monroe. *The New Yorker*, 2006. *Keep Tab on the Lab*, 1960. **Sea Battles on Dry Land** Harold Brodkey, 1999-04-15 Sea Battles on Dry Land gathers the best of Harold Brodkey's essays into a single volume. His 'One of the Rules of Foppishness' explains with deadpan precision just what men and women are trying to communicate to each other by the way they dress. The previously unpublished 'Notes on American Fascism' eerily anticipates the violence of latter day militia groups. And Brodkey's profile of Frank O'Hara's Harvard years stands as one of the most eloquent portraits of a legendary American writer. **The Voices of Baseball** Kirk McKnight, 2015-08-13 Baseball broadcasters are the voice of the game. They know the intimate details of the team, the stadium and the history of their club. This book covers every stadium in major league baseball recounting the greatest moments to take place within their walls as told by the most renowned broadcasters in the game past and present.
