of a music legend Grace Davingham knows all too well what it's like to be burned by the media's glare. Now all she wants is to be left to do her painting and conservation work in peace with no intention of returning to the spotlight. But after she sprains her ankle hiking and a handsome real estate mogul comes to her rescue, Grace once again finds herself in the public eye. Sexy, successful, and averse to any attachments, Marcus Colby thrives on rigid discipline in order to manage both his real estate investment company and his personal life. Marc has no time for fun and no patience for crazy. Which is why meeting Grace and inheriting an enormous Great Dane who won't listen to a word he says has turned Marc's carefully constructed world upside down. Only when Grace and Marc square off over a local controversy do they realize how different they really are. But if opposites attract, their love is destined to bind them together forever.

**Praise for Anywhere You Are** Anywhere You Are is an emotional story seasoned with an equal mix of laughter and tears and then topped off with a lot of sexy, hot love.

**Wendy S. Marcus** award-winning author of All I Need Is You. A sweet story about two people who discover that meanings of family and home evolve over time and that the people we invite into our lives shape those lives as much as we do. It involves a sweeping happily ever after.

**Anywhere You Are** is a lovely read.

**All About Romance** I really enjoyed this story. Both Grace and Marc were passionate in their own way, and Big Blue added adventure. The downside of fame and publicity surrounding reality TV was realistically portrayed, and anyone craving this lifestyle would be given pause. This was an interesting series with diverse issues and characters that I found admirable and appealing.
