**Every Season in a Marriage Has Benediction** Dr Anniekie Ravhudzulo, 2015-10-30 The Seasons of Marriage Marriage life has different seasons It doesn't matter whether you are a newlywed or have been married for years there will definitely be times in your marriage relationship when you feel frustrated sad angry irritated or confused On the hand there will also be times in your marriage when you feel completely in love bonded connected secure and happy Moments of thoughtfulness playfulness exploration discovery and quiet time together can make you feel like you are living in your own world There is nothing good than feeling loved like everything in your relationship is just connecting In marriage there are two big categories of seasons namely internal and external External marital seasons are those difficult situations matters and issues of which we have absolutely no control Internal marital problems are issues that develop from within the marriage over which both spouses have control A successful couple understand that in order to maintain happiness and balance in their marriage they must learn how to change their gears When complications arise these couples communicate take the risk to express their feelings listen to one another and work TOGETHER to create a solution Marriage is a journey with different seasons as you travel Remember that every season is a unique adventure Live and enjoy the season you are in and enjoy the blessings through Better communication More quality time together Affair preventions Lowered odds for divorce Reactivated sex life Flexibility to succeed despite conflicting differences Finally good and bad seasons are natural in marriage everyone knows that Sometimes everything is working right for you Sometimes your marriage is facing trials hardships and challenges Sometimes everything seems stagnant and frozen You must know that you can't fast forward rewind or skip reasons No season is for no reason God brings us through every season for divine reason The beauty of marriage is in facing the changes together as a team Seasons of a Marriage H. Enduring the Seasons of Marriage Ed Buckner, Kay Buckner, 2010-09-30 Enduring the Seasons of Marriage is all about how to have a long lasting and fulfilling marriage Writing in a folksy and conversational style the authors make a comparison of farming and marriage They relate the farmer s response to the demands and changes of each season in nature for an optimum crop to that of the married couple s reaction to the difficulties and necessary adjustments to each season of marriage for a successful relationship Using illustrations from their own experiences of fifty plus years of marriage they offer suggestions for dealing with those situations that can cause stress in a marriage Then in a clever and interesting approach they accentuate the fact that a marriage based on God s design brings the most desirable marriage relationship Enduring the Seasons of Marriage written by Ed and Kay Buckner is a refreshing and heart stirring reminder of God s great gift This amazing couple not only hit the mark in print they have lived by the lessons they are now sharing with others Every married couple and those planning for marriage would add value and depth to their relationship as a result of reading this wonderful book Enjoy the journey Dr Danny Sinquefield Pastor Faith Baptist Church Bartlett TN and recent past President of the Tennessee Baptist Convention Enduring the Seasons of Marriage brings to reality what Solomon wrote in Ecclesiastes 3 1 For everything there is a season It describes how we can meet the challenges of marriage and enjoy the fruit of marriage no matter where we are in the journey The analogy between the seasons of life represents a clear understanding of how God designed marriage relationships for every stage of life and how we should live in them to the fullest to God s glory Dr David Uth Senior Pastor First Baptist Church Orlando FL
