Sin Flood:

You Can't Sin Elijah T. Sog,2010-05 In this book Elijah T Sog is given rare deep insight into the subject matter of sin from God s perspective as you dig into this book you will find that Christ already condemned sin and has given the power to put sin in subjection to all his children You will find out that the issue of Sin is not one of the issues of life but the issue of life it is your victory over sin that determines your placement in this life and the life to come and as the Spirit of God pours out His heart you will get answers If you ever want to be free from sin and stay free then read this book and study it and meditate on the content and you will find the truth in it will set you free Whosoever is born of God doth not commit sin for his seed remaineth in him and he cannot sin because he is born of God 1 John 3 9 It is clear that in this physical life many people have struggled with this statement and the most difficult part is where God says cannot sin this book will explain all that to you John says if you are born of God and God s seed remains in you and the Word is the seed you can t sin this is the summary of the content of this book that God has made all provisions for you not to sin and this book reveals where the provisions are and how to use them so that 1 John 3 9 may be fulfilled in your life To live in sin is to serve sin and no man can serve two masters this book is the manual on victory over sin and his works

The Christian Doctrine of Sin Julius Müller,1852 **The Fall and Sin** Marguerite Shuster,2004 The devastating evils of recent history have brought about renewed interest in the Christian doctrine of sin This volume explores with fresh insight and great seriousness the contemporary plausibility meaning and relevance of the biblical understanding of the Fall and its effects Marguerite Shuster argues that certain aspects of the traditional doctrine of the Fall including the belief that it took place in time and space cannot simply be set aside without serious consequences for our doctrine of God and our understanding of human identity dignity and responsibility She explores the nature and extent of sin and examines such problematic issues as degrees of sin and culpability Despite the seriousness with which Shuster treats these topics her discussion is not despairing but instead points to the redemption that God has accomplished in Christ Filled with contemporary allusions and completed with model sermons on the Fall and sin this volume is one of the best available studies of this key Christian doctrine
