Singapore 150 Years:

Singapore 150 Years Tan Sri Datuk Mubin Sheppard, 1973 150th Anniversary of the Founding of Singapore
Singapore, 150 Years Royal Asiatic Society of Great Britain and Ireland, 1973 *A History of Modern Singapore, 1819-2005*
C.M. Turnbull, 2009-01-01 When C M Turnbull's *A History of Singapore 1819 1975* appeared in 1977 it quickly achieved recognition as the definitive history of Singapore. A second edition published in 1989 brought the story up to the elections held in 1988. In this fully revised edition rewritten to take into account recent scholarship on Singapore the author has added a chapter on Goh Chok Tong's premiership 1990-2004 and the transition to a government headed by Lee Hsien Loong. The book now ends in 2005 when the Republic of Singapore celebrated its 40th anniversary as an independent nation. Major changes occurred in the 1990s as the generation of leaders that oversaw the transition from a colony to independence stepped aside in favour of a younger generation of leaders. Their task was to shape a course that sustained the economic growth and social stability achieved by their predecessors and they would be tested towards the end of the decade when Southeast Asia experienced a severe financial crisis. Many modern studies on Singapore focus on current affairs or very recent events and pay a great deal of attention to Singapore's successful transition from the developing to the developed world. However, younger historians are increasingly interested in other aspects of the country's past, particularly social and cultural issues. *A History of Modern Singapore 1819-2005* provides a solid foundation and an overarching framework for this research, surveying Singapore's trajectory from a small British port to a major trading and financial hub within the British Empire and finally to the modern city state that Singapore became after gaining independence in 1965. *Historical Dictionary of Singapore* Justin Corfield, 2010-12-02 In spite of Singapore's small size it has long had a major impact on the world because of its geographical location and its wealth. The British initially made the island a major port for the shipping of goods and later as an airline hub for the region. These factors along with a steady government have helped to contribute to the country's affluence. This multicultural, multiracial and multi-religious island nation is the envy of many countries in the world which have tried to emulate the economic success of Singapore. The new edition of the *Historical Dictionary of Singapore* has been completely rewritten since the first edition was released 20 years ago. It relates the history of this country through a chronology, an introductory essay, an expansive bibliography and over 500 cross-referenced dictionary entries on significant persons, events, places, organizations and other aspects of Singapore history from the earliest times to the present. **50 Years Of Urban Planning In Singapore** Chye Kiang Heng, 2016-10-17 *50 Years of Urban Planning in Singapore* is an accessible and comprehensive volume on Singapore's planning approach to urbanization. Organized into three parts, the first section of the volume, *Paradigms, Policies and Processes*, provides an overview of the ideologies and strategies underpinning urban planning in Singapore; the second section, *The Built Environment as a Sum of Parts*, delves into the key land use sectors of Singapore's urban planning system; and the third section, *Urban Complexities and Creative*

Solutions examines the challenges and considerations of planning for the Singapore of tomorrow The volume brings together the diverse perspectives of practitioners and academics in the professional and research fields of planning architecture urbanism and city making *Beating The Odds Together: 50 Years Of Singapore-israel Ties* Mattia Tomba,2019-11-25 2019 marks the 50th anniversary of Singapore and Israel s long and fruitful relationship From Jewish contributions to the economic political and social development of early and modern day Singapore to current day collaborations between both countries in the fields of science and technology the Lion City and the Start up Nation have forged strong and indelible bonds Written by eminent Singaporeans and Israelis the articles in this volume trace the growth and development of Singapore Israel bilateral ties over the past five decades and celebrate the mutually beneficially relationship between the two countries

Related Link s **50 Years Of Science In Singapore** Bernard Tiong Gie Tan,Hock Lim,Kok Khoo Phua,2016-12-12 As part of the commemorative book series on Singapore s 50 years of nation building this important compendium traces the history and development of the various sectors of Singapore science in the last 50 years or so The book covers the government agencies responsible for science funding and research policy the academic institutions and departments who have been in the forefront of the development of the nation s scientific manpower and research the research centres and institutes which have been breaking new ground in both basic and applied science research science museums and education and the academic and professional institutions which the scientific community has set up to enable Singapore scientists to serve the nation more effectively Each article is chronicled by eminent authors who have played important roles and made significant contributions in shaping today s achievement of science in Singapore Professionals academics students and the general public will find this volume a useful reference material and an inspirational easy read **50 Years Of Transportation In Singapore: Achievements And Challenges** Tien Fang Fwa,2016-07-22 This unique volume presents the achievements of the land sea and air transport industry of Singapore in the last 50 years after Singapore gained its independence in 1965 It provides a comprehensive overview of Singapore s progress in transportation from a typical third world system in the 1960s to one that is currently in the top league globally in all aspects of passenger and freight transportation Singapore s successes in land transport planning urban traffic management and public transport systems provide valuable experience for major cities worldwide The emergence of the Singapore Port as the most efficient container port in the world is another success story that inspires both established and up and coming port operators alike The ambitious goal of Singapore to develop itself into a maritime knowledge hub of the future is a bold and exciting undertaking catching worldwide attention In air transport Singapore is well known for its efficiency as a major regional hub This book examines in detail the important milestones and background developments that have led to the highly advanced state of transportation systems in the land sea and air transport of Singapore today Each chapter is written by professionals who are themselves part of the success stories presented The chapter authors are specially invited to provide a professional account of the topics of their expertise The

Lion City Narratives: Singapore Through Western Eyes Victor R Savage,2021-11-18 Lion City Narratives Singapore Through Western Eyes fulfils four aims First it is a study of subjective Western impressions of Singapore s 145 years 1819 1963 of colonial history The study is not meant to be an in depth historical analysis of Singapore but rather to give the reader an impressionistic account of how Western residents viewed Singapore over the decades Second this study could be seen as a short biography of Singapore s evolution as a city The chapters on the imageability of Singapore and its urban morphology provide a holistic perspective of Singapore s urban dynamics Third this book provides a cultural insight into Singapore s population both White residents and transient visitors as well as the locals or Asians Fourth it opens a window into Singapore s development at a time when the West was at its cultural zenith and when Great Britain was the principal superpower of the 19th century Hence Singapore carried twin colonial legacies it was the archetype trading emporium between East and West and it became for the British the major point d appui for defence Finally the Singapore colonial narrative is set in a broader academic discourse that allows the reader to see a wider picture of Singapore s colonial development The book does not attempt to make a definitive statement about the Western involvement in Singapore it deals more with an association of many subjective Western perspectives that add colour to the liveability of the tropics perceptions of the exotic Orient and the myriad views of ethnic groups Without the Western writings paintings and maps academia would have minimal records of Singapore s development As a new colony in the early 19th century however Singapore s growth has been extremely well documented This book will appeal to Singaporeans interested in understanding Singapore s colonial past Westerners interested in the Western cultural persona in the development of Singapore researchers dealing with the urban development of less developed countries and colonial development in the tropical world and lastly academics who are interested in Singapore and the region s political and economic development as a case study

The Site of the Convent of the Holy Infant Jesus in Singapore Sandra Hudd,2016-06-17 The Site of the Convent of the Holy Infant Jesus in Singapore Entwined Histories of a Colonial Convent and a Nation 1854 2015 explores key issues and developments in colonial and postcolonial Singapore by examining one particular site in central Singapore the former Convent of the Holy Infant Jesus established in 1854 and now a food and entertainment complex The Convent was an early provider of social services and girls education almost a mini city within walls including a thriving community of schools an orphanage and a women s refuge World War II and the Japanese occupation followed by the creation of the new Republic of Singapore presented a new set of challenges but it was the convent s size and prime location that made it attractive for urban redevelopment in the 1980s and led to government acquisition demolition of some buildings

and the remainder put out to private tender The chapel and the former nuns residence are classified as National Monuments but in line with government policy of adaptive re use of heritage sites the complex now contains bars and restaurants and the deconsecrated chapel is used for wedding receptions and events Tracking the physical and usage changes of the site this book works to make sense of that eventful journey a paradoxical journey that moves only in time not in space and includes abandoned babies French nuns Japanese bombings and twenty first century dance parties In a society that has undergone massive change economically and socially and above all transitioned from a small colonial enterprise to a wealthy independent city state those physical changes and differing usages of the Convent site over the years track the changes in the nation The wider ongoing tensions between heritage conservation and the modern global city are explored by examining what has been chosen for preservation the quintessentially Singaporean hybridity of the commercial reuse of historic buildings as well as the nostalgia for what has been lost

Stewardship Of The Singapore Media: Staying The Course

Patrick Daniel, 2023-02-20 Patrick Daniel is the Institute of Policy Studies 11th S R Nathan Fellow for the Study of Singapore This book is an edited collection of his three IPS Nathan Lectures delivered in February and March 2022 and includes highlights of his question and answer segments with our audience Mr Daniel analyses the evolution of Singapore's legacy media from colonial times and examines how the country's unique history has shaped its media laws In recent years the Internet disrupted the business models of the legacy media and forced them to reinvent themselves in order to compete with big tech platforms As for the proliferation of wilful misinformation and digital fraud around the world the book examines whether the Internet and social media require more effective global governance Mr Daniel concludes by looking into the future and outlining desired futures for Singapore and its legacy media The IPS Nathan Lecture series was launched in 2014 as part of the S R Nathan Fellowship for the Study of Singapore named after Singapore's sixth and longest serving president It seeks to advance public understanding and discussion of issues of critical national interest for Singapore

The Fatal Fortress Bill Clements, 2016-11-11 The military historian presents a fascinating reassessment of Britain's Singapore Naval Base and the WWII Battle of Singapore The Fall of Singapore in February 1942 was arguably the greatest disaster suffered by the British Empire Between 1923 and 1938 the Singapore naval base had been upgraded with some of the largest coast guns ever installed But the guns design and incorrect siting have since been blamed for the humiliating loss during World War II In *The Fatal Fortress* Bill Clements traces the history of Singapore's armaments from the city's founding in 1819 to the demise of coast artillery in the British Army in 1953 He also follows the development of artillery through the Victorian era of muzzleloading guns to the introduction of breechloading guns in the twentieth century Clements argues that it was not the siting of the guns that brought about the fall of Singapore but an overall failure in command and control and a lack of suitable ammunition This volume is illustrated throughout with photographs drawings and plans and contains a gazetteer describing all the batteries and forts both existing and demolished There is also an annex giving the details of the guns that

were installed in Singapore *The Media Enthrall* Francis T. Seow, 1998 Once a proud and independent institution the Singapore press was brought to its knees by threats arbitrary arrests and detentions general harassment and litigation during Prime Minister Lee Kuan Yew's administration Singapore's former solicitor general tells the story **Examinations in Singapore** Yap Kwang Tan, Hong Kheng Chow, Christine Goh, 2008 The first book to explore the development of Singapore's much talked about education and examination system this volume juxtaposes examinations with its immediate context of education and wider context of politics economy and society The study covers three broad historical periods Examinations in Singapore from 1891 to 1945 The Post War Years from 1946 to the 1970s and Charting Our Destiny from the 1980s to 2007 In the British period up to 1941 the local examinations were conducted by the vernacular schools and external examinations by the University of Cambridge Local Examinations Syndicate There was a lack of systematic effort to establish a uniform system of education and examinations During the Japanese Occupation examinations were conducted by the Japanese authorities and unexpectedly the Cambridge examinations continued in the Sime Road Camp In the post war period and particularly after Singapore was granted self government the establishment of a national education system was followed by the emergence of national examinations the Primary School Leaving Examinations and the Singapore Cambridge GCE N O A Levels for every school going child in Singapore Thereafter the nature of national examinations evolved with the changing needs of education and the nation At the turn of the century with the Ministry of Education's decision to take greater control of examinations the Singapore Examinations and Assessment Board was established to oversee new developments in examinations Unlike most literature on education where examinations are often mentioned as an outcome of educational goals and objectives this book focuses on examinations per se Examinations have gained a momentum of their own and it is interesting to note the development of examinations against the backdrop of the broader history of Singapore and of education in Singapore Sample Chapter's Chapter 1 Trace the development of examinations in Singapore during the British colonial period up to 1941 3 043 KB Examinations in Singapore book Launch 124 KB Contents Examinations in Singapore 1891-1945 Trace the Development of Examinations in Singapore During the British Colonial Period Up to 1945 Assess the Impact of the Japanese Occupation on Examinations in Singapore What was the Significance of the School Certificate Examination Held in the Sime Road Camp During the Japanese Occupation The Post War Years 1946-1970s Assess the Development of Education and Examinations From the End of the Japanese Occupation to the Attainment of Self Government in Singapore Why and How Effective Were the Measures Undertaken by the Singapore Government to Establish Central Control Over Education and Examinations in Singapore in the 1960s-1970s The 1961 Examination Boycott Illustrates the Challenges in Forging a National System of Examinations Do You Agree Charting Our Own Destiny 1980s-2007 How Effective had the Goh Keng Swee's Reforms in Education and Examination Been in Improving Singapore's Education System Examine the Key Policy Changes in Singapore's Education and Examinations in Response to the Challenges of a Rapidly

Changing and Globalising world OCyChange is More Important than Continuity in Education and ExaminationsOCO Discuss Readership Academics and professionals in education and assessment general readership Singapore Mark Ravinder Frost,Yu-Mei Balasingamchow,2013-02-19 Brimming with verve and dramatic incident Singapore A Biography offers fresh insights into the life story of this island city state through the personal experiences of the workers adventurers rulers and revolutionaries who have shaped its history over the last seven centuries The authors drawing on research undertaken in collaboration with the National Museum of Singapore have woven together ancient chronicles eyewitness accounts oral histories and even modern radio and television broadcasts to create a vivid and compelling narrative that brings the past back to life Grounded in scholarship yet fired by the imagination this book reveals the Singapore story to have been as rich diverse and multilayered as the city state is prosperous ordered and successful today **US-Singapore Relations,**

1965-1975 Daniel Wei Boon Chua,2017-06-23 At the height of the Cold War in Southeast Asia the foreign relations between the United States and Singapore demonstrated the interplay between America s strategy of containment and Singapore s efforts at a non aligned foreign policy But there is a deeper story American involvement in the Vietnam War not only held back the spread of communism in Southeast Asia but also catalysed economic and strategic cooperation between the United States and Singapore The author argues that Singapore might not have achieved its success so rapidly without the support of the US As the war in Vietnam raged on Singapore became a critical refueling point also providing ship and aircraft repair for the US military Commercial and strategic support from the United States lifted Singapore out of the economic doom predicted for the city state after secession from Malaysia cessation of Indonesian trade during Konfrontasi and Britain s military withdrawal By considering the importance of the US s role in Singapore s nation building this book provides an important supplement to the well trodden narrative that attributes Singapore s success to good governance Contesting

Space in Colonial Singapore Brenda S. A. Yeoh,2003 In the British colonial city of Singapore municipal authorities and Asian communities faced off over numerous issues As the city expanded various disputes concerning issues such as sanitation housing and street names arose This volume details these conflicts and how they shaped the city *Wee Kim Wee: President, Diplomat, Journalist and a True Singaporean* Cheong Suk-Wai,2025-09-02 Dr Wee Kim Wee was a pioneering Singaporean journalist and diplomat with a most improbable rise and rise in life Among his many other accomplishments he helped end a regional war kept one of the world s oldest newspapers alive till today and rescued the presidency of the Republic of Singapore from a spell in the gutter Just as water softens stone he overcame the grimmest odds with his winsome ways and unimpeachable character This meticulously researched book brims with fresh insights about the man most Singaporeans claimed as my President They include telling facets from the author s interviews with more than 30 people who knew Dr Wee best in every decade of his storied life Dr Wee started out being too poor to complete secondary school to holding Singapore s highest office His lightly worn shrewdness and genuine regard for all living things plucked him out of

obscurity and thrust him into moments that shook Singapore eventually making him a beloved household name Dr Wee was the embodiment of Singapore exceptionalism and this biography is the last word on a sort of man that Singapore will rarely if ever encounter again **Singapore in the New Millennium** Derek Da Cunha, 2002 Grew out of a one day conference organized by the Institute of Southeast Asian Studies in August 1999 Eight papers were presented at that conference of which seven were selected revised in 2001 and now appear as chapters in this book together with three more and also reflecting on the significance of the 2001 general election Pref
