Pax Romana And The Peace Of Jesus Christ

Marlin E. Miller

Pax Romana And The Peace Of Jesus Christ:

Pax Romana and the Peace of Jesus Christ Klaus Wengst, 1987 How providential it is often argued that Christianity began under the pax Romana an unprecedented time of peace throughout the world At what other time could the gospel have spread so quickly Certainly the pax Romana was a time of peace prosperity and justice for some yet for others the majority it was a time of oppression misery and suffering under the tyrant's whim This latter dimension is not often brought out so this new book plays an important role in redressing the balance In it Professor Wengst brings out what it was really like to live in the Roman empire He is not so much concerned to offer a balanced account as to show what it felt like from below its effect on the nameless multitudes of whose immeasurable tears and sufferings hopes and fears there is only indirect evidence This serves as a prelude to a discussion of the experiences which Jesus and the early Christians had of Roman rule and the way in which they reacted to it There is no mistaking the fact that the results of the study are not just a piece of past history but are extraordinarily relevant to the modern world

Covenant of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace

Church, State and Civil Society David Fergusson, 2004-12-02 At a time when secular liberalism is in crisis and when the civic contribution of religion is being reassessed the rich tradition of Christian political theology demands renewed attention This book based on the 2001 Bampton Lectures explores the relationship of the church both to the state and civil institutions Arguing that theological approaches to the state were often situated within the context of Christendom and are therefore outmoded the author claims that a more differentiated approach can be developed by attention to the concept of civil society The book offers a critical assessment of the effect of the First Amendment in the USA and in a concluding chapter it defends the case for continuing disestablishment in England and Scotland

Paul and the Imperial Authorities at Thessalonica and Rome James R. Harrison, 2011 James R Harrison investigates the collision between Paul's eschatological gospel and the Julio Claudian conception of rule The ruler's propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul's proclamation of the reign of the risen Son of God over his world This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul's eschatology intersected with the imperial cult in the

Greek East and in the Latin West A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul s view culminated in the arrival of God s new creation upon Christ s return as Lord of all Paul exalted the Body of Christ over Nero s body of state transferring to the risen and ascended Jesus many of the ruler s titles and to the Body of Christ many of the ruler s functions Thus for Paul Christ s reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit *The Poetics of Grace:*

Christian Ethics as Theodicy Jeph Holloway, 2013-04-09 What is God doing about a world marked by conflict and division What about a world in which our technologies promise great good but also threaten our existence What is God doing in a world where the demands for accumulation and acquisition create division and despair Can Christians hope to be of positive influence in a world that does not always support reflect or even understand Christian commitments Christian ethics often raises such questions as these and the possible answers vary widely Paul s Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all what is God doing about evil The role of Christian ethics is to take seriously the challenge that whatever God is doing God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question what is God doing about evil *The Politics of Peace* Te-Li Lau, 2009-12-07 Although scholarship has noted the thematic importance of peace in Ephesians few have examined its political character in a sustained manner throughout the entire letter This book addresses this lacuna comparing Ephesians with Colossians Greek political texts Dio Chrysostom s Orations and the Confucian Four Books in order to ascertain the rhetorical and political nature of its topos of peace Through comparison with analogous documents both within and without its cultural milieu this study shows that Ephesians can be read as a politico religious letter concerning peace within the church Its vision of peace contains common political elements such as moral education household management communal stability a universal humanity and war that are subsumed under the controlling rubric of the unity and cosmic summing up of all things in Christ *Standing for Orthodoxy* Carl R. Trueman, Joel R. Beeke, Michael A. G. Haykin, Jared Hood, 2025-07-22 Standing for Orthodoxy celebrates the life and legacy of Peter Barnes aptly described as one of Australia s ablest defenders of theological orthodoxy whose tireless dedication to Scripture pastoral care and historical theology has profoundly impacted generations within the global Reformed community Spanning pastoral historical biblical and systematic theology the essays within this volume reflect the diverse yet unified commitment of Barnes s ministry to uphold biblical orthodoxy in a changing world Contributions from esteemed Australian and international scholars and pastors such as Joel R Beeke Michael A G Haykin Jared Hood John McClean Carl R Trueman Geoffrey Thomas and Rowland S Ward engage crucial questions of pastoral care confessional integrity historical interpretation and theological fidelity From

discussions on the Early Church Fathers and John Calvin to explorations of Abraham Kuyper A W Pink and contemporary issues facing the church today these essays illustrate the rich interplay between historical depth and practical pastoral insight This volume serves as both a tribute and an urgent call reminding readers of the enduring necessity of standing firmly for biblical truth the power of historical theology to inform contemporary challenges and the essential role of the pastor scholar in guiding God s people toward faithfulness in every generation *Paul's Letter to the Romans and Roman*

Imperialism Ian E Rock,2017-05-25 Ian E Rock demonstrates that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the face of death Paul demonstrates that it is God s peace and not Rome s peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God s power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul s theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is One and Lord of all is still in charge of the world *Christ and Culture in the New Testament* James W. Thompson,2023-04-04

Believers in an increasingly secular world face the challenge of responding to the cultural changes that have taken place in the past generation as Christians become a cognitive minority especially in the West Some attempt to restore the Christian culture of the past with political activism and others accommodate to the cultural changes Christians in a post Christian world can learn much from believers who lived in the pre Christian period The New Testament demonstrates that in a pluralistic and syncretistic world of religions Christian identity exists neither through absorption into the culture nor through total withdrawal but through dialogue and critique **Atonement, Justice, and Peace** Darrin W. Snyder Belousek,2012 In

this substantial study Darrin W Snyder Belousek offers a comprehensive and critical examination of penal substitution the most widely accepted evangelical Protestant theory of atonement and presents a biblically grounded theologically orthodox alternative Attending to all of the relevant biblical texts and engaging with the full spectrum of scholarship Belousek systematically develops a biblical theory of atonement that centers on restorative rather than retributive justice He also shows how Christian thinking on atonement correlates with major global concerns such as economic justice capital punishment the war on terror and ethnic and religious conflicts Thorough and clearly structured this book demonstrates how a return to biblical cruciformity can radically transform Christian mission social justice and peacemaking *The Logic of Intersubjectivity* Darren M. Slade,2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only

small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale **Pax Romana and**

World Peace Lawrence Waddy,1950 *Affirming and Living with Differences* ,2020-01-13 The multi cultural society is under enormous pressure Paradoxically the globalization plans of modernity have resulted in a more fragmented world and ensuing violence Instead of becoming uniform individual character and differences have become more strongly emphasized How can people live together and at the same time preserve their differences How can variety be valued in a theological manner These questions form the theme of this collection that consists of three sections The South African reflections Simon Louw and Koopman that consider living in the variety of a rainbow nation are followed by European experiences of Moluccan Christians in the Netherlands Pattikayhatu Western Muslims van Bommel and the Belgian modus vivendi Van der Borghth The collection is completed by the theological reflections about the concept *communio sanctorum* Le Bruyns the Enlightenment s ideal of equality van de Beek and the unity of the church Theron *Conceiving Peace and Violence* Philip L. Tite,2004 In this book Philip Tite explores the role of biblical texts in the promotion of peace and violence He begins by exploring the function of religious texts as ideological elements recognizing that the New Testament affects the social construction of realities or cultures within which people read and apply authoritative writings to ethical discussions Arguing that an engaged reading of these texts is central within moral discourse Dr Tite explores such issues as feminist challenges to biblical ethics Jewish Christian relations and gay and lesbian ethical disputes in Christianity *The Alter-Imperial Paradigm* Shane J. Wood,2015-10-27 Many assume the book of Revelation is merely an anti imperial attack on the Roman Empire Yet Shane J Wood argues this conclusion over exaggerates Rome s significance and thus misses Revelation s true target the construction of the alter empire through the destruction of the preeminent adversary Satan Applying insights from Postcolonial criticism and Examinations of Dominance this monograph challenges trajectories of New Testament Empire Studies by developing an Alter Imperial paradigm that appreciates the complexities between the sovereign s and subject s of a society beyond simply rebellion or acquiescence Shane J Wood analyses Roman propaganda Jewish interaction with the Flavians and Domitianic persecution to interpret Satan s release Rev 20 1 10 as the climax of God s triumphal procession Thus Rome provides the imagery Eden provides the target *1 and 2 Thessalonians* Nijay K. Gupta,2019-07-23 The study of Paul s Thessalonian letters is enjoying fresh interest today These texts are considered by many to be amongst the earliest extant Christian

documents They are included in conversations about early Jewish and Christian apocalypticism New insights are coming from examination of the religious socio cultural and political contexts of Roman Thessalonica And looking back these letters have played an important role in the development of Christian eschatology This volumes serves as an up to date guide to these academic discussions and debates and much more This volume on 1 and 2 Thessalonians in the Zondervan Critical Introductions to the New Testament series offers a volume length engagement with subjects that normally only receive short treatments in biblical commentaries or in New Testament Introductions This volume addresses Authorship Date Audience Socio Historical Context Genre Purpose Integrity Textual History Greek Style Structure Argument Other Critical Issues Main Interpretive Issues Reception into the Canon Selected History of Interpretation Bibliography

Struggles for Shalom
 Laura Brenneman, Brad D. Schantz, 2014-04-23 Struggles for Shalom is a collection of essays by biblical scholars about peace justice and violence in ancient Jewish and Christian texts written to honor the life work of Mennonite scholars Perry B Yoder and Willard M Swartley In this volume twenty three authors colleagues former students friends and others influenced by Yoder s and Swartley s scholarship add to the honorees work in appreciation for their shared focus on biblical texts lessons of peace Specific texts and topics include Eccl 3 1 9 and time for war Ezek 14 12 23 and God s retribution Luke 22 31 61 and Peter s sword the temple cleansing episodes in John 2 and Mark 11 sectarianism and violence in manuscripts from the Dead Sea violence in creation in the Hebrew Bible Chronicles as utopian literature peace and violence in Paul s writings and globalization in biblical studies This collection is diverse and ambitious For church and academy and for anyone curious about what Scripture has to say about peace and violence this book delivers focused study of peace and violence across the Testaments Contributors Wilma Ann Bailey Jo Ann A Brant Laura L Brenneman Jacob W Elias Reta Halteman Finger Michael J Gorman Nancy R Heisey Paul Keim Christopher Marshall Safwat Marzouk Douglas B Miller Ben C Ollenburger Dorothy M Peters David Rensberger Andrea Dalton Saner Brad D Schantz Mary H Schertz Steven Schweitzer Willard M Swartley Jackie Wyse Rhodes Joshua Yoder Perry B Yoder Thomas R Yoder Neufeld Paul Yokota Gordon Zerbe
