Read It Forward Linda Kay, 2013-09-26 With this practical guide it s easy to implement the proven fun and learning of a read it forward program in your middle school library Teens recommend books to other teens offering a surefire way to promote books and reading Finding the right book for each student is almost impossible if you serve several hundred students as most school librarians do Read It Forward offers an innovative way around that problem a program that lets librarians saturate the school with a title that encourages middle school students to read for pleasure As an added bonus Read It Forward RIF creates learning opportunities that can be leveraged across the curriculum The program presented here is based on the author's experience with a community RIF project that was a collaborative effort among nine middle school librarians from schools with varying needs and socioeconomic levels. This thoroughly practical book takes librarians through the process step by step offering specific examples of what worked and what didn t then showing how the process can be extended to almost any book The author also discusses other aspects of running a successful RIF program such as getting buy in from school administrators the PTA and department chairs so that parents and teachers can collaborate in the experience Signal, 2008 Between the Lies Alison Oburia, 2012-10-23 Doctoral student Cari Lopez's academic life is in a rut but when she comes home to discover a stranger asleep on her doorstep her personal life becomes immediately more interesting British accountant Tristan Saunders is a kindred spirit with a fantastic accent and there s a connection kindling but Cari soon learns he s made an enemy of the Bulgarian mafia His trip to the US is far from a vacation The enemy is hidden yet ominously present and always watching And though they ve known each other merely a few days Cari and Tristan are soon on the run for their lives Alison Oburia's layered storytelling reveals a tale of international intrigue and complex relationships which is distilled to its essence in two hearts Not everything is as it appears and people are not who they seem to be Faced with deception at all angles Cari must sort out what s real If she s to stay alive and possibly fall in love she has to find the truth between the lies Back to Us Julia Gabriel, 2016-12-01 Moral Character Christian B. Miller, 2013-05-09 Most of us are not virtuous people but neither are we vicious Instead our characters are decidedly mixed and much more complex than we might have thought Christian Miller presents a new account of moral character based on Mixed Character Traits He explores how most of us are less than virtuous people but also morally better than the vicious Capitalizing on Kindness Kristin Tillquist, 2008-09-26 Offers important tips and practical suggestions for gaining an advantage in business through acts of kindness and respect by highlighting how a good rapport and caring attitude benefits the bottom line creating a culture of kindness at work and avoiding barriers when using kindness as a strategy for success **Pitch Perfect** (movie tie-in) Mickey Rapkin, 2012-09-04 A musical tale of collegiate a cappella filled of high notes high drama and high jinks that inspired the hit films Pitch Perfect and Pitch Perfect 2 Get ready to be pitch slapped The roots of unaccompanied vocal music stretch all the way back to Gregorian chants of the Middle Ages and collegiate a cappella is over a century old

But what was once largely an Ivy League phenomenon has in the past twenty years exploded And it s not what you think Though the blue blazers and khakis may remain a cappella groups at colleges across the country have become downright funky In Pitch Perfect journalist Mickey Rapkin follows a season in a cappella through all its twists and turns covering the breathtaking displays of vocal talent the groupies yes there are a cappella groupies the rock star partying and all the bitter rivalries Rapkin brings you into the world of collegiate a cappella characters from movie star looks and celebrity size egos to a troubled new singer with the megawatt voice Including encounters with a cappella alums like John Legend and Diane Sawyer and fans from Prince to presidents Rapkin shows that a cappella isn t for the faint of heart or lungs Sure to strike a chord with fans of Glee and The Sing Off this raucous story of a cappella rock stars shows that sometimes to get that perfect harmony you have to embrace a little discord Dark Alliance: Movie Tie-In Edition Gary Webb, 2014-09-30 Major Motion Picture based on Dark Alliance and starring Jeremy Renner Kill the Messenger to be be released in Fall 2014 In August 1996 Pulitzer Prize winning journalist Gary Webb stunned the world with a series of articles in the San Jose Mercury News reporting the results of his year long investigation into the roots of the crack cocaine epidemic in America specifically in Los Angeles The series titled Dark Alliance revealed that for the better part of a decade a Bay Area drug ring sold tons of cocaine to Los Angeles street gangs and funneled millions in drug profits to the CIA backed Nicaraguan Contras Gary Webb pushed his investigation even further in his book Dark Alliance The CIA The Contras and the Crack Cocaine Explosion Drawing from then newly declassified documents undercover DEA audio and videotapes that had never been publicly released federal court testimony and interviews Webb demonstrates how our government knowingly allowed massive amounts of drugs and money to change hands at the expense of our communities Webb s own stranger than fiction experience is also woven into the book His excoriation by the media not because of any wrongdoing on his part but by an insidious process of innuendo and suggestion that in effect blamed Webb for the implications of the story had been all but predicted Webb was warned off doing a CIA expose by a former Associated Press journalist who lost his job when years before he had stumbled onto the germ of the Dark Alliance story And though Internal investigations by both the CIA and the Justice Department eventually vindicated Webb he had by then been pushed out of the Mercury News and gone to work for the California State Legislature Task Force on Government Oversight He died in 2004 The Secret Spiritual World of Children Tobin Hart, PhD, 2010-10-06 Many of the great mystics and sages in history have told us that their spiritual realizations began in childhood Gandhi Albert Einstein and Abraham Lincoln are just a few famous figures who have reported these events Based on more than five years of interviews this book combines startling firsthand accounts of secret spiritual lives including recollections from adults who have forgotten or repressed such experiences in childhood The author explains how parents educators and therapists can recognize identify and nurture children's deep spiritual connections. The book is divided into ten chapters treating the phenomena of wisdom wonder and visions including guiding parents along the spiritual
