International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 In today s pluralistic world many cultures feel a shift in the relationship of people with religious traditions A corresponding movement is a resurgence of interest in human spirituality This Handbook presents the views of education scholars who engage these concepts every day in a collection of essays reflecting the international state of the discipline Out of these rises a vision for the emergence of a just and peaceful world

The Future of Peace and Justice in the Global Village Thomas R. McFaul, 2006-09-30 Many authors have written on the effect technology economics and politics have on globalization but few have addressed the potential impact of world religions on the future direction of globalization McFaul s fascinating book explores what others have not the part the world s major religions Hinduism Buddhism Jainism Zoroastrianism Judaism Christianity and Islam will play in bringing either greater peace and justice or hatred and hostility to the global village Will these religions which exert the greatest amount of influence worldwide be a force for good or ill in the emerging global village of the 21st century This book answers that question and more Covering the religions to which the majority of world s population adheres it offers insight into the commonalities differences and potential for coming together to create peace to be found among the major faiths The world s

seven major religions are covered and topics such as sexuality ethics violence and the tension between secular and sacred arenas are discussed for each McFaul argues that if the leaders and laity of these religions are able to find common ground efforts toward peace and justice in the global village can be more effective and lasting If they accentuate their differences he suggests they will only produce more hatred and hostility

The World's Religions after September 11 Arvind Sharma,2008-11-30 This set is an unprecedented examination of religion s influence on modern life an honest assessment of how religion can either destroy us or preserve us and a thorough exploration of what steps might be necessary for all religions to join together as a force for good Convening on the fifth anniversary of the terrorist attack on the World Trade Center the global congress The World s Religions after September 11 explored the negative and positive possibilities of the religious dimensions of life The presentations from the congress have been pulled together in this set which addresses religion s intersection with human rights spirituality science healing the media international diplomacy globalization war and peace and more This comprehensive set includes contributions from such well known scholars of religion as Arvind Sharma and a host of others from all the world s religious traditions This set is an unprecedented examination of religion s influence on modern life an honest assessment of how religion can either destroy us or preserve us and a thorough exploration of what steps might be necessary for all religions to join together as a force for good Because of the attack on the World Trade Center on September 11 2001 the very concept of religion underwent a paradigm shift Instead of standing for virtue and piety peace and harmony the word religion also came to be inextricably associated with evil aggression and terror People around the world began to question whether the religious and secular dimensions of modern life can be reconciled whether the different religions of the world can ever coexist in harmony Indeed the very future of religion itself has sometimes seemed to be uncertain or at least suspect

Military Chaplains' Review ,1990 The Complex Reality of Religious Peacebuilding Katrien Hertog,2010-08-20 This insightful book focuses on the multifaceted subject of sustainable religious peacebuilding Katrien Hertog discusses the ways in which religious actors can utilize resources to prevent violent conflict from occurring reduce conflict when it does happen and rebuild bridges between sides in after conflict has ceased She examines the emergence of the field of religious peacebuilding developing a conceptual framework that outlines how aspects of religious organizations can contribute to effectual peacebuilding and creating a screening model that allows readers to analyze the resources and

obstacles to peacebuilding in depth Using the Russia and the Orthodox Church as a major case study Hertog clearly shows what the concrete resources for peace are how they are applied what obstacles are hindering their realization and how these resources can be better utilized and supported This book tackles the controversial issue of the place of religion and religious organizations in the peace process While recognizing that no simple answer exists in solving ethnic religious and tribal conflict Hertog presents the ways religion can be used to create lasting sustainable peace

Religion and Politics John W. Storey, Glenn H. Utter, 2002-02-01 Focusing on religions such as Islam and Buddhism this volume shows how religion influences politics and vice versa Delving into such subjects as the separation of church and state in the United States the domination of the state by religion in Iran and the control of religion by the state in China this survey illuminates cultural differences This book gives a revealing look at the numerous relationships between religion and politics In the Church of England for example the 26 most senior Anglican bishops have seats in the House of Lords Religion and Politics also includes biographical sketches of thinkers and doers whose careers intersected religion and politics in significant ways from the Berrigan brothers to Osama bin Laden Also included are data and quotes a directory of politically active religious groups and a 150 page annotated bibliography

Contemporary Islam Abdul Aziz Said, Mohammed Abu-Nimer, Meena Sharify-Funk, 2006-09-27 Contemporary Islam provides a counterweight to the prevailing opinions of Islamic thought as conservative and static with a preference for violence over dialogue It gathers together a collection of eminent scholars from around the world who tackle issues such as intellectual pluralism gender the ethics of political participation human rights non violence and religious harmony This is a highly topical and important study which gives a progressive outlook for Islam s role in modern politics and society
