Peace Flows from the Sky Susan Polis Schutz,1974 A collection of poems by Susan Polis Schutz designed and illustrated by Stephen Schutz **The New Rulers of the World** John Pilger,2016-03-22 John Pilger is one of the world s renowned investigative journalists and documentary filmmakers In this classic book with an updated introduction he reveals the secrets and illusions of modern imperialism Beginning with Indonesia he shows how General Suharto s bloody seizure of power in the 1960s was part of a western design to impose a global economy on Asia A million Indonesians died as the price for being the World Bank s model pupil In a shocking chapter on Iraq he delineates the true nature of the West s war against the people of that country And he dissects piece by piece the propaganda of the war on terror to expose its Orwellian truth Finally he looks behind the picture postcard image of his homeland Australia to illuminate an enduring legacy of imperialism the subjugation of the First Australians Catalog of Copyright Entries.
