

A seagull is captured in flight, silhouetted against a vast, cloudy sky. Below the bird, a wide, sandy beach stretches across the frame, meeting the ocean at a low tide. The sky is filled with large, textured clouds, and the overall lighting is soft and atmospheric.

The peace you seek is there, it's
there between all the traffic in
your mind, stop and rest for
peace will find you if you let it.

Mahabharata in order to achieve your eternal joy happiness success prosperity and peace **Cogito** Antoine Bacha,Liliana Franco,2007-08 While in captivity by Palestinian terrorists Antoine began hearing what he described as a loving caring voice that showed him to rise above his terrible pain and misery by connecting to his creator's spirit The voice also told him among other things that he would meet an unusual woman who would share in his spiritual journey He did not know that the woman would also experience the very same kind of intuitive lessons from the voice as he did Inspired by the loving spirit of the voice that speaks through both of them Antoine and Liliana now share that message with the world Their journey takes them from the horrible imprisonment by cruel terrorists through the anxieties we all face in everyday life into an ongoing journey toward spiritual liberation History of the Reformation of the Sixteenth Century Jean Henri Merle d'Aubigné,1849
