Arsonist's Lullaby Susan Harris,2020-10-05 Life just got complicated for the agents of P I T as Ashlyn Derek and Ever s teenage daughter makes her entrance Derek soon discovers Ashlyn is hiding a hell of a lot more than she s revealing If that doesn t complicate things enough the team tries to set aside their grief so they can avenge Sarge s murder and piece together clues an arsonist leaves for them all with no idea how much danger they face with someone from Derek s past returning to settle an old score Ever Chace carries the weight of loss with her Still hurting after the recent loss of her brother she now has to deal with the death of a man who was like a father figure Having made a heartbreaking decision Ever comes face to face with her strong willed rebellious daughter who has other ideas With Odin poised to attack Ever will have to decide if she can survive another personal sacrifice in order to save the world The past present and future collide in the penultimate book in The Ever Chace Chronicles Senate Bill California.
