The European Union's Broader Neighbourhood Sieglinde Gstöhl,Erwan Lannon,2015-07-16 Over the past decade the European Union EU has gradually developed the European Neighbourhood Policy ENP with its neighbours At the same time the neighbours of the EU s neighbours have presented new challenges This book addresses the EU s broader neighbourhood comprising of the ENP countries and the neighbours of its neighbours With specific focus on Saharan Africa the Middle East and Central Asia it discusses trans regional policy issues that arise from the EU s relations with regions beyond the ENP Based on an interdisciplinary policy oriented approach this volume explores major political legal security and socio economic challenges and identifies opportunities for cooperation across the EU s broader neighbourhood This book will be of interest to students experts and scholars interested in EU affairs and politics international relations EU and international law diplomacy and area studies      Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09      The Making of European Security Policy Roberta Haar,Thomas Christiansen,Sabina Lange,Sophie

Vanhoonacker, 2021-05-17 This volume addresses how and in what capacity the European Union and its member states are able to respond to fundamental shifts occurring in global politics and remain relevant for the future. The changing nature of the international system is subject to considerable contestation among scholars, with many claiming that the fundamentals of the post-war international system are being rewritten. This volume brings together prominent scholars in the field of European security to address a range of pertinent issues related to Europe's role in the context of evolving global challenges. The first section focuses on whether the EU is an actor with a strategic nature and the means to act on a global security strategy. The second section considers the institutional dynamics and the approaches at the EU's disposal to fulfil its possible intended global roles. The third section addresses Europe's most important strategic relationship, the partnership it has with the United States. This section considers the recalibration of the transatlantic relationship in light of the changing international system and the reorientation of U.S. foreign policy. This book will be of much interest to students of European Union policy, European Security policy, European Foreign policy, and International Relations in general. *School Library Journal*, 1991 **Children's Books in Print**, 2007, 2006 **Wall Street Underwriter and General Joint Stock Register**, 1944
