Peacefakers Peacebreakers And Peacemakers Leade:

Peacefakers, Peacebreakers, and Peacemakers Ken Sande, Kay Moore, 2005-01-01 An indepth study guide of ways to implement the practical teachings of peacemaking Preventing Ministry Failure Michael Todd Wilson, Brad Hoffmann, 2013-12-16 Brad Hoffman and Michael Todd Wilson present this workbook designed to be used by people in vocational ministry alongside their peers to safeguard them from burnout moral failure and spiritual exhaustion Political Leadership and the Northern Ireland Peace Process C. Gormley-Heenan, 2006-11-14 By providing a critical interpretation of political leadership during the Northern Ireland peace process Gormley Heenan shows the leadership lens offers insights not offered by conventional analyses of peacemaking processes The book discusses the confusions contradictions and chameleonic nature of leadership and its role capacity and effect *Patterns of Peacemaking* A. Briggs, E. Meyer, David Thomson, 2013-10-08 This is Volume XIII of eighteen in a series on Political Sociology Originally published in 1945 this books makes a systematic survey and analysis as objective as possible of the tendencies most likely to govern peace making The authors intended to avoid making any specific recommendations of their own as to how the labours of peace making should be undertaken and to confine themselves to a study of how they were likely to be undertaken in the light of past experience contemporary proposals and the present alignment of political powers in the world In the process of study discussion and writing all three authors arrived at certain more definite conclusions At the same time the course of events and the increasingly clear trend of official policies seemed to justify more positive assertions and more constructive suggestions than had at first been thought possible The book therefore takes its present hybrid form of systematic analysis carried forward to certain statements and even recommendations *Religious Authority and Local Governance in Eastern Indonesia* Jeremy J Kingsley, 2018-07-16 Religion plays a key role in everyday affairs in Indonesia including governance at the local regional and national level This book investigates the local governance landscape of the world s largest Muslim majority state Indonesia by providing a detailed account of local communities and religious authority on the eastern Indonesian island of Lombok one of the nation s most pious areas In particular this book considers the interaction of state and non state actors and institutions and how these institutions are interwoven into a fabric of governance Through an ethnographic case study of an Islamic boarding school Darul Falah and the community committed to it this book trains its focus upon local Muslim religious leaders Tuan Guru who are central to local governance Drawing upon the notion of the fabric of governance this book shows how governance is woven from multiple strands which are made up of a combination of institutions rules and actors to be interpreted within dynamic social legal and political processes In doing so this book employs a new means to theorise governance frameworks and understand how religion and governance are tightly intertwined Religious Authority and Local Governance in Eastern Indonesia seeks to re orient discussions of Indonesian political and legal affairs from the ground up and use local governance as a means to speak to larger social legal and political issues Islamic Studies Series Volume 25

that divides the city into fiefdoms overseen by charismatic individuals of authority Synthesizing insights from in depth ethnographic historical and theoretical work Barker reveals how authoritarianism can take root not just from the top down but also from the bottom up Changing Security Paradigm in West Asia Meena Singh Roy,Md. Change and Identity in the Music Cultures of Lombok, Indonesia David D. Harnish,2021-09-13 This longitudinal study weaves the complex stories of many disparate musics into an account of quests for identities that illuminates Lombok s history its complex religious and ethnic composition and its current political circumstances It focuses on agents musicians and leaders on the ground and the socioreligious and artistic changes that transformed many music forms The book outlines the years of political difficulty for music and years of transition and government interventions to remake musics and identifies the emerging ideologies and developments that laid the groundwork for a diversity of musics traditional Islamic popular to simultaneously exist in an unprecedented way Policing and the Politics of Order-Making Peter Albrecht,Helene Maria Kyed,2014-10-30 This anthology explores the political nature of making order through policing activities in densely populated spaces across Africa Asia and Latin America Based on ethnographic research the chapters analyze this complex with respect to marginalized young men in Haiti community policing members and national politicians in Swaziland as well as other individual and collective actors engaged in policing and politics in Indonesia Swaziland Ghana South Africa Mexico Bolivia Haiti and Sierra Leone What these contexts have in common is a plurality of order making practices Not one

institution monopolizes the means of violence or a de facto sovereign position to do so A number of interests are played out simultaneously entailing re negotiations over the very definition of what order is How and by whom a particular order is enforced is contested at times violently so and is therefore inherently political In the existing literature on weak states legal pluralism and policing in the Global South it is seldom made explicit that making order is a route to power and positions of political decision making It is this gap in the literature that this anthology fills as it analyses the politics at stake in processes of order making *The Nation* ,1919
