Post, Stoughton Cooley**

Peaceful Gunman:

Torch, 2010 *The Gunman's Ride* D. A. Daugherty, 2020-11-23 On a lonely road in the kingdom of Sarven lone outlaw Jack Spade robs an unsuspecting merchant This is no random crime however He was hired to steal a very specific thing the mysterious Box of Andelaine which has remained sealed for millennia despite the best efforts of all the world's most powerful sorcerers It remained sealed at least until out of idle curiosity the gunman tried the lid only for it to swing wide without protest Even the simple act of opening a box and removing the seemingly unassuming necklace inside has dire consequences for the solitary roughrider Between the cult of deadly warriors in the service of angels and the demonic rider who won't stay dead for long the hounds of heaven and hell are out for blood The worst part for their increasingly desperate quarry is that no one will even tell him why Seemingly the only solution for the man is to trust the word of an enigmatic sorceress known only as Lucy and travel across a wide trackless frontier to the foreign unwelcoming land on the other side Through it all the lone gunman can never be quite sure whether or not he's on his last ride *The Lawman Claims His Bride & The Gunman's Bride* Renee Ryan, Catherine Palmer, 2020-03-03 To love and protect *The Lawman Claims His Bride* by Renee Ryan For five years US Marshal Logan Mitchell has dreamed of returning to his sweetheart in Denver He never imagined he'd find Megan Goodwin in prison Megan has no memory of what happened the night the outlaw was murdered Remembering the killer's identity will clear Megan's name but could lead danger right to her door *The Gunman's Bride* by Catherine Palmer Bart Kingsley had followed Laura Rose to New Mexico ready to lay his love and his life on the line But the spirited Rosie hadn't left her controlling father to let some gunslinging outlaw ruin her hopes no matter what scandalous past they shared six years ago Bart would do anything to win back her trust but he's a wanted man Will the past conspire to destroy their new beginning **Bootlegs and Anecdotes** Omar L. Mosley, 2011-10-24 none yet *The Paras - The Inside Story of Britain's Toughest Regiment* John Parker, 2012-08-06 Since their foundation during the Second World War the Parachute Regiment has acquired a formidable reputation as tough fearless soldiers The Red Devils have played a key role in many of the battles of the past sixty years the capture of Sicily the D Day landing the heroic but doomed attempt to capture the bridge at Arnhem In the savage wars of peace since the Second World War the Paras have seen action all over the world from Cyprus Palestine Egypt Borneo and the Falklands to Bosnia For his authoritative book John Parker has gathered together the testimony of numerous veterans of the Parachute Regiment Their first hand accounts of the major events in their history make enthralling reading bringing home the reality and cruelty of combat *Christian Arbitrator and Messenger of Peace*, 1920

Gunman's Tally L. Ron Hubbard, 2013-03-21 Some men look to keep the peace Others look to make trouble But sometimes even the most law abiding of men are compelled to cross the line Easy Bill Gates is just such a man as quick with a smile and as slow to anger as Gary Cooper in *High Noon* He's a model of restraint until he's forced to strap on a holster and kill the outlaw who murdered his brother But more than his honor is at stake A ruthless land baron is out to grab Bill's ranch

and he's hired a gang of gunslingers to get Bill out of the way Between the rancher who wants to take his land and the young guns who want to take his life Easy Bill will have to make some hard choices and fast draws to avoid becoming just another notch in the Gunman's tally Hailing from the western states of Nebraska Oklahoma and Montana Hubbard grew up surrounded by grizzled frontiersmen and leather tough cowboys counting a Native American medicine man as one of his closest friends When he chose to write stories of the Old West Hubbard didn't have to go far to do his research drawing on his own memories of a youth steeped in the life and legends of the American frontier Also includes the Western adventure *Ruin at Rio Piedras* the story of a young cowboy kicked off a ranch for falling in love with the owner's daughter only to devise a whip smart plan to win the day and the girl Outstanding Midwest Book Review [History of the Manor and Township of Doddington](#) Robert Eden George Cole, 1897 *Irish Masculinity on Screen* Joseph Paul Moser, 2013-06-18 Examining images of gender and violence this book analyzes selected works of three influential artists of the Irish cinema Ford Sheridan and Greengrass whose careers taken together span the period from 1939 to the present These three explore fundamental questions about identity patriarchy and violence within Irish and Irish American contexts and in the process upset conventional notions of masculine authority Furthermore Ford's later films interestingly depart from the egalitarian ideals that distinguish his pre World War II films [The Public](#), 1916 **The Public** Louis Freeland Post, Alice Thacher Post, Stoughton Cooley, 1916 **Once a Shooter** T.J. Stevens, 2020-06-23 This is my story You see I was once a shooter Twice pardoned first by God and later by the state TJ Stevens now walks in freedom and grace At first reluctant to tell his story but compelled now to share what God has done he gives a firsthand account four decades later of what it was like to be a high school shooter What makes his story different from all the others that have commanded headlines over the last twenty odd years How did he not only make it out alive but go on to have a successful life when so many other high school shooters are now behind bars or in the grave What happened during that day long hostage standoff and in the years that followed took TJ out of suffocating darkness and into the light In *Once a Shooter Redemption of a High School Gunman* you will see that There is freedom in forgiveness Redemption is available for everyone God will never stop pursuing you Faith can overcome fear Prayer makes a difference [The Challenge for Peace and Democracy in El Salvador and Nicaragua](#) Luigi R. Einaudi, 1990 *A Safeway in Arizona* Tom Zoellner, 2011-12-29 A riveting account of the state of Arizona seen through the lens of the Tucson shootings On January 8 2011 twenty two year old Jared Lee Loughner opened fire at a Tucson meet and greet held by U S Representative Gabrielle Giffords The incident left six people dead and eighteen injured including Giffords whom he shot in the head Award winning author and fifth generation Arizonan Tom Zoellner a longtime friend of Giffords's and a field organizer on her Congressional campaign uses the tragedy as a jumping off point to expose the fault lines in Arizona's political and socioeconomic landscape that allowed this to happen the harmful political rhetoric the inept state government the lingering effects of the housing market's boom and bust the proliferation and accessibility of guns the lack of

established communities and the hysteria surrounding issues of race and immigration Zoellner's account includes interviews with those directly involved and effected including Arizona's controversial Sheriff Joe Arpaio Zoellner offers a revealing portrait of the Southwestern state at a critical moment in history and as a symbol of the nation's discontents and uncertainties Ultimately it is his rallying cry for a saner more civil way of life *Active Shooter Events and Response* John P. Blair, Terry Nichols, David Burns, John R. Curnutt, 2013-06-12 The Columbine tragedy on April 20 1999 began a new era in law enforcement as it became apparent that the police response to such mass shootings must be drastically altered By the time the Sandy Hook Elementary School shooting occurred on December 14 2012 outdated police response strategies had been replaced with new aggressive tactics used by **Lone Wolf #5: Havana Hit** Mike Barry, 2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can't live much longer To the Commissioner Burt Wulff a former member of this department began his campaign to destroy the international drug trade in New York Traveling then to San Francisco back across the country to Boston and back yet again to Las Vegas all within a period of less than four weeks he seems to have been solely responsible for the deaths of several hundred operatives involved at all levels of the national and international drug trade At least three of them were at the highest perceptible levels In San Francisco Bay fire aboard and subsequent sinking of a large freighter the destruction of a townhouse in NYC and a row of residences in Boston the gutting of the Paradise Hotel a major resort and gambling center in Las Vegas all seem to be Wulff's work He is apparently marked for execution at all levels of the network and despite the success of his shock tactics cannot go on much longer *Gunman's Reckoning* Max Brand, 2022-10-13 A gunman agrees to do a rich man's dirty work in this classic Western from one of the genre's early masters The Shakespeare of the Western range New York Times Book Review *Days of Wrath* Raoul Pantin, 2007 For six days in 1990 Trinidad and Tobago a former British colony that had achieved its independence in 1962 was virtually held for ransom by a fundamentalist Muslim group known as the Jamaat al Muslimeen The terrorists launched an armed invasion of the sitting Parliament and the country's lone television station Days of Wrath recounts the days of terror wrought by a handful of Muslim terrorists Told by seasoned journalist Raoul Pantin who was one of the hostages in the Trinidad and Tobago Television station building this sensational account describes in vivid detail the scene that had the citizens of the nation wondering if they would now have to submit to another form of colonization *Shooting and Fishing*, 1916 [Crisis Management and Intervention: A Contemporary Guide](#) Pasquale De Marco, 2025-07-06 Crisis Management and Intervention A Contemporary Guide is an indispensable resource for individuals organizations and communities seeking to effectively navigate and manage crisis situations This comprehensive guide provides a thorough understanding of crisis management principles models and theories empowering readers to recognize differentiate and respond to various types of crises By exploring crisis management planning and preparedness

strategies this book equips readers with the knowledge and skills to anticipate potential threats and develop proactive measures to mitigate their impact. It emphasizes the importance of effective crisis communication as clear and timely information can significantly influence public perception and response. When crises occur, immediate and appropriate intervention is critical. This guide provides practical strategies for crisis response and intervention, including the establishment of crisis response teams, media relations management, and the provision of psychological first aid and crisis counseling. It delves into the complexities of managing crisis victims and their families, ensuring that their needs are met with empathy and support. Furthermore, the book discusses crisis intervention in diverse contexts, recognizing the unique challenges and considerations for different populations and settings. Crisis assessment and evaluation are essential components of effective intervention. This guide provides valuable insights into crisis assessment tools and techniques, enabling readers to accurately assess the severity of a crisis and identify appropriate interventions. It underscores the importance of risk assessment and safety planning, empowering individuals to take proactive steps to protect themselves and others. The book also emphasizes the need for trauma-informed crisis intervention, acknowledging the impact of past experiences on an individual's response to crises. To prevent and mitigate future crises, this guide explores early warning systems and crisis detection mechanisms. It highlights the role of crisis prevention programs and strategies, empowering readers to implement proactive measures that reduce vulnerabilities and enhance community resilience. The book delves into the significance of community-based crisis prevention, recognizing the importance of collaboration between individuals, organizations, and government agencies in creating safer and more resilient communities. Furthermore, it explores crisis prevention in schools and workplaces, emphasizing the need for targeted interventions to address unique risks and challenges in these settings. Crisis Management and Intervention: A Contemporary Guide is an invaluable resource for anyone seeking to enhance their understanding and skills in crisis management. Its comprehensive coverage, practical guidance, and emphasis on prevention, intervention, and recovery make it an essential tool for individuals, organizations, and communities alike.
