

"A tapestry of fabulous richness and complexity... The Liberation Trilogy is a monumental achievement, about 2,500 pages in all, densely researched but supremely readable." — *The New York Times Book Review*

IT IS THE TWENTIETH CENTURY'S UNRIVALED EPIC: at a staggering price, the United States and its allies liberated Europe and vanquished Hitler. In the first two volumes of his bestselling Liberation Trilogy, Rick Atkinson recounted how they fought through North Africa and Italy to the threshold of victory. Now he tells the most dramatic story of all—the titanic battle for Western Europe.

D-Day marked the commencement of the European war's final campaign, and Atkinson's riveting account of that bold gamble sets the pace for the masterly narrative that follows. The brutal fight in Normandy, the liberation of Paris, the disaster that was Operation MARKET GARDEN, the horrific Battle of the Bulge, and finally the thrust to the heart of the Third Reich—all these historic events and more come alive with a wealth of new material and a mesmerizing cast of characters. With the stirring final volume of this monumental trilogy, Atkinson has produced the definitive chronicle of the war that unshackled a continent and preserved freedom in the West.

"Breathtaking, unforgettable... This volume is a literary triumph worthy of the military triumph it explores and explains." — *The Boston Globe*
