Brionne Janae, 2022-04-15 Winner of the 2020 Cave Canem Northwestern University Press Poetry Prize At once interested in the cyclical nature of domestic dysfunction and what we do when secrets of buried harm come to light Blessed Are the Peacemakers asks what it means to make peace in the wake of intrafamilial violence and child sexual assault These poems explore the ways the truth is often hidden behind layers of bleach and shame and the ways we fail survivors by dismissing their stories and tolerating their abusers Filled with elegies to the people who have been murdered by state violence racism and anti Blackness in the United States Blessed Are the Peacemakers interrogates the lengths and limitations of grace Brionne Janae examines what it means to survive particularly as a Black girl woman queer person or human and uses self portraiture to explore how familial and communal trauma plague our mental health How do we survive the grief of the past and present without becoming numb to or consumed by it How do we remember despite our pain to enjoy our bodies and our lives while we still have them The Peacemaker's Vengeance Gary D. Svec, 2014-04-29 In a small Montana town a poor boy

Peacemaker K. A. Stewart, 2014-01-21 Caleb Marcus is a Peacemaker a roving lawman tasked with maintaining the peace and bringing control to magic users on the frontier A Peacemaker isn t supposed to take a life but sometimes it s kill or be killed After a war injury left him half scoured of his power Caleb and his jackalope familiar have been shipped out West

keeping them out of sight and out of the way of more useful agents And while life in the wild isn't exactly Caleb's cup of tea he can't deny that being amongst folk who aren't as powerful as he is even in his poor shape is a bit of a relief But Hope isn't like the other small towns he's visited The children are being mysteriously robbed of their magical capabilities There's something strange and dark about the local land baron who runs the school Cheyenne tribes are raiding the outlying homesteads with increasing frequency and strange earthquakes keep shaking the very ground Hope stands on Something's gone very wrong in the Wild West and it's up to Caleb to figure out what's awry before he ends up at the end of the noose or something far worse

for the conflicts that plague contemporary society it is essential that we look to precedent Many of today's conflicts involve ethno religious tensions that modern wisdom alone is ill equipped to resolve

In Third Party Peacemakers in Judaism Rabbi Dr Daniel Roth asks us to consider ancient religious and traditional cultural solutions to such present day issues Roth presents thirty six case studies featuring third party peacemakers drawn from Jewish classical medieval and early modern rabbinic literature Each case is explored through three layers of analysis text theory and practice The first layer offers historical and literary analysis of textual case studies many of which are critically analyzed here for the first time The second layer examines the theoretical model of third party peacemaking imbedded within the selected cases and comparing them to other cultural and religious models of third party peacemaking and conflict resolution The final layer of analysis based upon the author's personal experience of religious conflict resolution and peacemaking looks at the practical implications of these case studies as models for modern peacemaking **Third Party Peacemakers in Judaism** serves as an inspiration for fostering indigenous practices of third party peacemaking and mediation in the modern era

Tested Faith Rita Chinwe Ekenta, 2021-07-13 Tested Faith describes the many obstacles and jubilation experienced by Rita in her journey from Nigeria to United States In a gripping display of humor and grace Rita takes us into her childhood in Nigeria her journey to God's own country and trials and triumphs Rita's faith has been under fire too many times to count and has built in her a strong resilience that can only come from God She also examines the similarities as well as cultural clashes that have influenced her life in many different ways Each one of us has something to contribute to life Regardless of how much we have been beaten down we can still help others It is very fulfilling for me to realize that the tragedies in my life have empowered me to make a difference in my life and other people's lives We all have a purpose in this life One's purpose is unique to that individual alone Our blessings are equally unique and are ours to grab I cannot grab your blessings no matter how hard I try neither can you grab mine If I live this life without knowing what my purpose is my purpose will vanish at the end of my life and cannot be inherited by another person My purpose is not for my good alone rather it is for humanity and to the glory of God God never takes us anywhere that his grace does not abound for our guidance and protection This we learn from biblical principles typified in the Bible's many narratives Yet in difficult times we sometimes perhaps often ask ourselves Will God ever lead us to a place where he cannot protect us Is anything difficult for God Should we expect a life without temptation These questions undergird my story even if not
