Peacemaking For Churches:

Peacemkng Church Small Group Participant Peacemaker Ministries, 2018-08 The small group participant guide for The Peacemaking Church DVD seminars God calls every Christian to be a peacemaker but what does that look like in real life Most of the time biblical peacemaking simply means two friends meeting together over a cup of coffee and asking each other How does the gospel of Jesus Christ affect how you should respond to this conflict As you learn to live a lifestyle of reconciliation you ll see that peacemaking sometimes comes with cream and sugar This Peacemaking Church small group kit includes everthing your church needs to pursue peace together in ministry The Peacemaker Ken Sande, 2004 Jesus said Blessed are the peacemakers But it often seems like conflict and disagreement are unavoidable Serious divisive conflict is everywhere within families in the church and out in the world And it can seem impossible to overcome its negative force in our lives In The Peacemaker Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease fire but also unity and harmony Sande takes readers beyond resolving conflicts to true life changing reconciliation with family members coworkers and fellow believers Biblically based The Peacemaker is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation Sande s years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers confidence as they stand in the gap as peacemakers The Peacemaking Pastor Alfred J. Poirier, 2006-08-01 Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation says pastor and experienced mediator Alfred Poirier The result is pastors trained in biblical exposition well ordered worship and good theology but with little practical know how about one of the most important functions they will be expected to perform conflict resolution The Peacemaking Pastor provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation Poirier chairman of the board of Peacemaker Ministries shows pastors the importance of a reconciliation ministry gives them a theological framework for peacemaking and provides practical tools for facilitating the peacemaking process Written by a pastor for pastors this insightful book will encourage and equip seminaries and ministry leaders in their original calling promoting a culture of peacemaking in the church The Peacemaking Church Curtis Heffelfinger, 2018-11-20 When human beings are involved in any endeavor conflict is inevitable But the best fight is the one a church never has to have because its members have been intentionally cultivating practices that lead to peace and preserve unity Whether they are dealing with conflict right now or hoping to avoid it later church members pastors and ministry leaders will benefit from the proactive approach to peacemaking found in The Peacemaking Church which will equip them with the knowledge and practices they need to instill in their church leadership and membership Foreword by Ken Sande The Fragmentation of the Church and Its Unity in Peacemaking Jeffrey Gros, John D. lives and teachings This volume offers deep ecumenical discussion of the relationship of the church to its peacemaking mission from the standpoints of history and the contemporary context Contributors representing ten major faith traditions Lois Y Barrett Alexander Brunett Murray W Dempster Donald F Durnbaugh John H Erickson Eric W Gritsch Jeffrey Gros Paul Meyendorff Lauree Hersch Meyer Thomas H Olbricht Thomas D Paxson Jr James F Puglisi John D Rempel Alan P F Sell and Glen H Stassen address this crucial topic from the perspective of their own churches and explore paths that could lead to the reconciliation of existing differences The Peacemaker Ken Sande, Kevin Johnson, 2008-04-01 Tragic confrontations at schools throughout the past two decades are striking evidence that teens need help and training in peaceful conflict resolution God knows each conflict a teen goes through with their families friends and teachers and he is in control In this student edition of The Peacemaker Ken Sande and Kevin Johnson show teens youth leaders parents and pastors how they can apply biblical principles to conflict situations allowing for forgiveness and reconciliation instead of hatred or violence With an approachable style that treats teens with respect this much needed resource can be used individually or as part of a small group or youth group study The Peacemaking Pastor Alfred J. Poirier, 2013 Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation says pastor and experienced mediator Alfred Poirier The result is pastors trained in biblical exposition well ordered worship and good theology but with little practical know how about one of the most important functions they will be expected to perform conflict resolution. The Peacemaking Pastor provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation Poirier chairman of the board of Peacemaker Ministries shows pastors the importance of a reconciliation ministry gives them a theological framework for peacemaking and provides practical tools for facilitating the peacemaking process Written by a pastor for pastors this insightful book will encourage and equip seminaries and ministry leaders in their original calling promoting a culture of peacemaking in the church **Resolving Everyday Conflict** Ken Sande, Kevin Johnson, 2015-06-30 Ken Sande author of the bestselling classic The Peacemaker has long been a trusted resource on the topic of conflict resolution In Resolving Everyday Conflict Sande distills his message to the essentials quickly equipping readers with the tools they need to bring peace to their relationships Everyone encounters conflict whether it be with a coworker family member friend or complete stranger And yet we all desire harmony in our relationships Resolving Everyday Conflict is a practical biblical concise guide to peacemaking in everyday life that can turn tumultuous relationships into peaceful ones

women can be especially enriching but when conflict arises they also can be especially damaging Too many women approach conflict as if they were unbelievers with gossip spiteful actions bitterness and even hatred In Peacemaking Women Tara Klena Barthel and Judy Dabler offer a meaningful lasting message to lead women out of conflict to a state of peace where they can live as representatives of Christ to one another and well as unbelievers With advice that is firmly rooted in Scripture the authors bring sound practical help for women who want to know what the Bible says about conflict resolution and how to achieve peace in their relationships with God self and others Peacemaking for Churches Yvonne Craig, 1999 Practical advice about how to deal with conflicts in churches and Christian groups and how through confidential and non coercive mediation conflicts can become opportunities for growth Culture of Peace Peacemakers Ministries, 2018-05 Making peace can be challenging but God has graciously given us clear and helpful truths that are effective in any conflict between people This practical and handy booklet offers four distinct ways to help a culture of peace flourish in your office church and home The four sections are Biblical Peacemaking Building Real Relationships by Ken Sande and Gary Friesen Is there a relationship in your life that is hindered or broken by conflict The four principles in this section are drawn from Scripture They provide a simple framework that you can learn to apply to any relationship You can be a peacemaker God's Search and Rescue Plan Church Discipline by David V Edling Church discipline Those words may be irrelevant to many Christians or they may seem overly harsh and judgmental to many others This section tells a story that sets the context for Christians to more fully appreciate God's primary purpose for church discipline RECOVERY Words That Cut Learning to Take Criticism in Light of the Gospel by Rev Alfred Poirier How do you react to criticism Do you pout or feel humiliated Do you play down your error and try to shift the blame Or do you seek to defend yourself boasting about your good deeds in order to prove the criticism wrong This section contains good news that will change your view of criticism Judging Others The Danger of Playing God by Ken Sande As we interact with other people we must constantly make judgments about their words and actions so that we can respond to them appropriately But the Bible warns that we are prone to look for the worst in people at times and we judge them more critically than they deserve This section provides practical ways to guard against this tendency and to follow Jesus example of making accurate and charitable judgments about others Peacemaking and the Church, 1982

Religious Contributions to Peacemaking David R. Smock, 2006

Culture of Peace Alan Kreider, 2005-11-01 Why is peace such a divisive issue even among Christians Why is it so hard to practice right here right now Why is peace often considered an extra rather than an essential to faithful Christian living The three authors decided to write this book when the Indonesian member of the team remarked to the other two If the Christian church is to make any impact on Indonesia it must address itself to the biggest peace issue reconciliation with Muslims But before the writers could honestly consider that explosive possibility they first had to ask why Christians find it so difficult to live peaceably with other Christians They ve discovered that conflict is often a prerequisite of peace They grant that peace is a continuum easier to live in some areas of life than in others They ve learned that peace has two parents hard work and grace Living in peace is muscular activity. The authors suggest how to develop peacemaking reflexes how churches can learn to handle conflict well and how to cultivate vulnerability and humility two essential attitudes of peacemakers True stories from communities around the world support this hopeful but strenuous call to faithful living Just Peacemaking Glen H Stassen, 2008-01-01 Just Peacemaking The New Paradigm for the Ethics of Peace and War is the product of twenty three scholars across various denominations who have collaborated annually since 1992 to specify the ten practical steps and develop the undergirding principles of this critical approach 1 Support nonviolent direct action 2 Take independent initiatives to reduce threat 3 Use cooperative conflict resolution 4 Acknowledge responsibility for conflict and injustice and seek repentance and forgiveness 5 Advanced democracy human rights and religious liberty 6 Foster just and sustainable economic development 7 Work with emerging cooperative forces in the international system 8 Strengthen the United Nations and international efforts for cooperation and human rights 9 Reduce offensive weapons and weapons trade 10 Encourage Creating Peacemaking Practices for the Churches of the grassroots peacemaking groups and voluntary associations Macau Christian Union George Franz Veith, 2014 Within the Chinese culture there is an emphasis on needing to establish harmony This can be harmony with oneself within the body with nature and in one s personal relationships with others The Bible especially in the Old Testament speaks of God's Kingdom shalom in which there is peace and wholeness on different levels of relationships and aspects of life The concept of peace is also often spoken of in Chinese culture Although the Chinese idea of harmony and peace is not identical to the Biblical shalom there is some overlap Despite the Chinese desire for harmony and peace there is often conflict in the culture conflict at all levels of relationship as well as in the Chinese church Given the importance of saving face and maintaining good relationships the Chinese church must find a way to be

sensitive to the culture as well as to the truths in Scripture as it seeks to resolve conflict and develop peacemaking practices especially in the church This research seeks to address the issue of peace and peacemaking in the Protestant churches of the Macau Christian Union of Macau China After giving an introduction and outlining what is to be researched in chapter 1 chapter 2 deals with how peace conflict and peacemaking is understood in the Chinese Culture the Bible the Church more generally and the Chinese church in particular Chapter 3 looks at the pre and post colonial contexts of Macau and the Protestant church there Chapter 4 describes the research methods used Chapter 5 outlines the findings of the research Finally along with developing a theological framework from which to begin thinking more about iii reconciliation and relationships Chapter 6 gives recommendations for the Macau Christian Union as to how its member churches might begin to develop peacemaking practices that help resolve conflict as well as create a culture of peace in the church Peacemaking Terje C. Hausken, 1992 While mediation is not a new way to resolve conflict it has not been systematically employed to resolve conflict within the church In his new book PEACEMAKING THE QUIET POWER Terje Hausken unites his experience be they denominational leaders or the local devil s advocate
