Bob Reese MA ATC, 2005-08-26 Develop the Winner s Mentality 5 Essential Mental Skills for Enduring Success Bob Reese Ph D In the genre of psychological self help and success literature Bob Reese has contributed a most valuable addition with his Develop the Winner s Mentality He has taken the essentials of cognitive behavioral motivational and sport psychology and integrated them with an energy component that not only explains why they work but accelerates their outcomes The technique of Feelazation which is the addition of powerful emotional energy to visualization is also introduced Reese says There s nothing really new about goal setting visualization stress management and how to think effectively They are all important and effective for promoting success What I bring to the party is adding the emotional and energetic components to the other skills so that with proper integration you can cause enduring success The 5 Essential Mental Skills are goal setting visualization energy management effective thinking and mental toughness As stand alones each of the five mental skills can have a positive impact on performance behavior and success According to Reese when these skills are integrated there is a synergistic effect created in which the result enduring success is much greater than the sum of the parts He also posits that the integration of the first four essential mental skills can encourage mental toughness a trait that many feel you have to be born with In his Ph D dissertation Reese showed that a Div I Volleyball team enhanced both individual performance and mental toughness when the program was implemented For 25 years Reese served as an athletic trainer in the NFL Develop the Winner s Mentality is replete with both humorous and poignant stories of how some of the athletes he worked with

utilized these skills to ensure their success The most moving example is that of Dennis Byrd a New York Jets player who was quadriplegic from a broken neck and who had a grim prognosis he would be confined to a wheelchair for life Byrd s use of emotive goal setting to walk out of the hospital only three months after his injury leads Reese to refer to him as the Ultimate Goal Setter Forewards for Develop the Winner s Mentality are provided by two time NCAA National Champion University of Southern California Head Football Coach Pete Carroll and former NFL All Pro wide receiver and TV Celebrity Ahmad Rashad Both high performers Carroll and Rashad discuss their use of the mental skills and their personal relationship with Reese The book is sectioned into 15 chapters that are written in a manor that facilitates the novice in the learning and application of each of the 5 Essential Mental Skills Winner s is also interesting enough to keep the successful veterans of mental skills training engaged so that they can enhance the skills they already possess Included in Develop the Winner s Mentality are many exercises for the reader to apply which makes it a workbook within a text Adjunct materials such as a voiceover PowerPoint and web support are in development so that Develop the Winner s Mentality can be used as continuing education for executive life and success coaches athletic trainers physical therapists and physical therapists assistants strength and fitness coaches and anyone else interested in enhancing performance with individuals or groups Winner s is well researched from both popular and scientific literature and may be used as a primary or supplemental text for college courses such as introductory psychology college success and sport psychology

Pit Stops for Peak Performance Kanti Gopal, 2014-08-22

Are you a Formula 1 buff Even if you are not have you had a chance to watch a Formula 1 F1 race It is probably the most grueling race in the world As you are aware only the best qualify These drivers are daredevils They are physically fit and mentally tough They are deeply passionate about the sport and have nerves of steel They are backed by great machines great automobile research and great support teams There is nothing really that sets one F1 driver apart from the other among the top 10 If that is so how is it that some of them win consistently How are F1 drivers like Michael Schumacher in the past and Sebastian Vettel Kimi Raikkonen Lewis Hamilton and Mark Webber in the present so consistent in winning the race every time What separates winners from those who almost win If this question bothers you you will find this book interesting In a race where winning depends on speed and your ability to race ahead of others what really differentiates winners from others are your SMART STOPS This includes planned stops as well as unplanned stops These stops in Formula 1 lingo are called PIT STOPS Pit stops can make or break a race A lot of races are won in the pit according to IndyCar driver Will Power Isn t your work as a manager like the Formula 1 race where you are racing for excellence through the year If Pit stops differentiate the winners from others how smart are your pit stops This book will benefit you and your colleagues if You have to put in disproportionate effort to achieve high performance It is becoming increasingly difficult to read the market understand customer preferences predict competitor moves shape the organization s culture and be ready for the next disruptive change in the industry Your team and you are focused most of the time on action and fire fighting and rue if only you had the time to

think and reflect If you are more often than not taken by surprise by the results of a customer feedback survey or employee satisfaction report or the sudden resignation of an employee or a change in market trends Heart in heart you know that strategic planning departmental budgeting and individual goal setting exercises of your organization are a farce Team level trust and work synergies are missing Annual performance appraisals create more problems than what you bargained for
