**Peanuts Mad Libs** Mickie Matheis, Mad Libs, 2015-10-06 Peanuts Mad Libs includes 21 original stories based on the classic cartoon comic strip Peanuts Fans young and old will love to play along with their favorite characters like Charlie Brown Peppermint Patty Woodstock and more in this 48 page book

[Slaves for Peanuts](#) Jori Lewis, 2022-04-19 Finalist James Beard Foundation Book Award for Reference History and Scholarship A stunning work of popular history the story of how a crop transformed the history of slavery Americans consume over 1.5 billion pounds of peanut products every year But few of us know the peanut's tumultuous history or its intimate connection to slavery and freedom Lyrical and powerful Slaves for Peanuts deftly weaves together the natural and human history of a crop that transformed the lives of millions Author Jori Lewis reveals how demand for peanut oil in Europe ensured that slavery in Africa would persist well into the twentieth century long after the European powers had officially banned it in the territories they controlled Delving deep into West African and European archives Lewis recreates a world on the coast of Africa that is breathtakingly real and unlike anything modern readers have experienced Slaves for Peanuts is told through the eyes of a set of richly detailed characters

from an African born French missionary harboring runaway slaves to the leader of a Wolof state navigating the politics of French imperialism who challenge our most basic assumptions of the motives and people who supported human bondage At a time when Americans are grappling with the enduring consequences of slavery here is a new and revealing chapter in its global history *Iconic Reflections* Jeffrey Stoker,2018-10-26 Peter Placket dreams of being a hero Like most heroes he s handsome charismatic and intelligent Also he works at a fire station the perfect venue for showcasing his bravery There s just one small problem he s made out of paper How can Peter be heroic when the fire chief forbids him to get within ten yards of fires The answer comes one day when the lower classes revolt against the aristocracy turning the Apple Kingdom Peter s home into a war zone Realizing that someone must put an end to the violence Peter flees to the countryside searching for an ancient magical object that renders its user all powerful It s a grand sweeping journey during which Peter will find both allies and adversaries witness bizarre deadly magic attempt to cross an uncrossable sea and visit an island that technically doesn t exist Ultimately the magical object he seeks may do more than end the revolution it may provide the answer to a mystery as old as time **Reclaiming Childhood** William C. Crain,2025-06-25 An expert in child development champions the importance of an unhurried childhood As our children are pushed harder than ever to perform so that they will one day make the grade in the adult world parents are beginning to question the wisdom of scheduling childhood s basic pleasures Across the country there have been parent rebellions against the overburdening with homework of young children by school officials bent on improving standardized test scores And the birth to three movement has sparked a national debate on child development and educational policy In *Reclaiming Childhood* William C Crain argues that rather than trying to control a young child the best a parent can offer is a patient and unobtrusive presence that gives the child the security and the freedom to explore the world on her own He examines how children find their way to natural development through experiences with nature art and language and makes a strong case for child centered education a movement that may be under fire but that is very much alive *Captive* Jan Buttram,1992 p Jan Buttram Full Length Comedy Characters 2 male 1 female Interior A hilarious take on a father daughter relationship this off beat comedy combines foreign intrigue with down home philosophy Sally Pound flees a bad marriage in New York and arrives at her parent s home in Texas hoping to borrow money from her brother to pay a debt to gangsters incurred by her husband Her elderly parents are supposed to be vacationing in Israel but she is greeted with a shotgun aimed by her irascible father who has been left home because of a minor car accident and is not at all happy to see her When a news report indicates that Sally s mother may have been taken captive in the Middle East Sally s hard nosed brother insists that she keep father home until they receive definite word and only then will he loan Sally the money Sally fails to keep father in the dark and he plans a rescue while she finds she is increasingly unable to skirt the painful truths of her life The ornery father and his loveable but slightly dysfunctional daughter come to a meeting of hearts and minds and solve both their problems
