**The Japanese Attack on Pearl Harbour. 'Awakening the Sleeping Giant'** Blake Sullivan, 2016-04-13 Essay from the year 2015 in the subject History of Europe Ages of World Wars language English abstract This paper will analyze the overall impact of the IJN attacking Pearl Harbour and its effect on WWII More specifically this paper will argue how the Japanese surprise attack on Pearl Harbour played an instrumental tactical role in the Pacific for the Japanese in the short term However despite the Japanese initial success at Pearl Harbour the overall strategy led by Japanese leadership resulted in an absolute disaster resulting in the loss of the Pacific War and ultimately the loss of WWII for the Tripartite Pact

**War in the Pacific** Harry Gailey, 2011-08-03 Historian Harry Gailey offers a fresh one volume treatment of the vast Pacific theater in World War II examining in detail the performance of Japanese and Allied naval air and land forces in every major military operation The War in the Pacific begins with an examination of events leading up to World War II and compares the Japanese and American economies and societies as well as the chief combatants military doctrine training war plans and equipment The book then chronicles all significant actions from the early Allied defeats in the Philippines the East Indies and New Guinea through the gradual improvement of the Allied position in the Central and Southwest Pacific regions to the final agonies of the Japanese people whose leaders refused to admit defeat until the very end Gailey gives detailed treatment to much that has been neglected or given only cursory mention in previous surveys The reader thus gains an unparalleled overview of operations as well as many fresh insights into the behind the scenes bickering between the Allies and the interservice squabbles that dogged MacArthur and Nimitz throughout the war NOTE This edition does not include a photo insert

*The American Experience in World War II: The atomic bomb in history and memory* Walter L. Hixson, 2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set The American Experience in World War II For a complete list of the volume titles in this set see the listing for The American Experience in World War II ISBN 0 415 94028 1

**The United States Coast Guard in World War II** Thomas P. Ostrom, 2009-08-11 At home and overseas the United States Coast Guard served a variety of vital functions in World War II providing service that has been too little recognized in histories of the war Teaming up with other international forces the Coast Guard provided crewmembers for Navy and Army vessels as well as its own carried troops food and military supplies overseas and landed Marine and Army units on distant and dangerous shores This thorough history details those and other

important missions which included combat engagement with submarines and kamikaze planes and typhoons On the home front port security missions involving search and rescue fire fighting explosives espionage and sabotage presented their own unique dangers and challenges      *Attack on Pearl Harbor* Bert Kinzey, Rock Roszal, 2025-01-02 In 2010 Detail Scale published the original *Attack on Pearl Harbor Japan Awakens a Sleeping Giant* at the request of the USS ARIZONA Memorial Foundation now a part of Pacific Historic Parks The goal was to produce a reasonably priced book that covered the Japanese attack on Pearl Harbor in as much detail as possible while limiting the book in size so it could be sold in the Pearl Harbor Museum bookstore That book proved to be very popular and is now out of print In researching that book a significant amount of materials were collected that could not be included because of the limitations of the printing process Now to commemorate the 75th anniversary of the attack Detail Scale brings you this greatly expanded volume with significant new sections and more information on the attack including in depth coverage of the American response All of the original chapters have been expanded and entire new chapters have been added This digital publication is over four times the size of the original printed version and stands as the most profusely detailed and illustrated account of the attack ever published yet it is priced significantly lower than the original book from 2010 The book begins with a Why Pearl Harbor chapter that summarizes the political events of the previous decade which convinced many Japanese leaders that they had to go to war with the United States and examines why the Japanese chose Pearl Harbor as the location to launch their dramatic initial blow against the United States Navy in the Pacific The Japanese attack plan is then covered in the next chapter which is followed with a chapter that looks at the high level commanders on both sides of the attack Four chapters look at the six Japanese aircraft carriers that made up the First Air Fleet which launched the attack the various other ships that supported the strike force and what their roles were a detailed look at the Japanese aircraft that participated in all phases of the attack and the weapons they carried Information is next provided on all of the major and minor ships of the U S Pacific Fleet both those at Pearl Harbor on the day of the attack and those that weren't The opening of the attack in the pre dawn hours is covered next with a description of the initial Japanese attempt to infiltrate the harbor with five midget submarines and the American response which resulted in this part of the attack being a complete failure The air attack is then covered in a chapter that is basically a book within a book with the Japanese aerial torpedo attacks covered first followed by the bombing and strafing attacks Each geographic area of the harbor and the targeted airfields are covered separately with a detailed text and numerous photographs But unlike other publications this chapter is not limited to explaining only what the Japanese did Also included is how the Americans fought back against the attack with everything they had and detailed accounts of the response of almost every ship present in Pearl Harbor that day are provided The American aircraft that rose in response to the attack are covered and the exploits of some of the pilots involved are given Chapters follow that summarize U S losses damage and recovery with photographs and information on every ship included on the Navy's official damage report

Japanese losses and mistakes and a summary of the resulting wrath of the Awakened Giant showing how almost every Japanese ship that participated in the attack had been destroyed or damaged beyond repair less than four years later Attack on Pearl Harbor Japan Awakens a Sleeping Giant is the most detailed and profusely illustrated book on the Japanese attack ever published With over 440 photographs 12 maps and 58 illustrations created specifically for this publication it stands as the singularly distinctive book on the Day of Infamy

**Asian Histories and Heritages in Video Games** Yowei Kang, Kenneth C. C. Yang, Michał Mochocki, Jakub Majewski, Paweł Schreiber, 2024-08-28 This book explores the representations of national Asian histories in digital games Situated at the intersection of regional game studies and historical game studies this book offers chapters on histories and heritages of Japan China Iran Iraq Taiwan South Korea Indonesia Singapore Turkey and Russia The volume looks beyond the diversity of the local histories depicted in games and the audience reception of these histories to show a diversity of approaches which can be used in examining historical games from postcolonialism to identity politics to heritage studies It demonstrates various methodological approaches to historical regional game studies case studies of nationally produced historical games that deal with local history studies of media reception of history heritage themed games text mining methods studying attitudes expressed by players of such games and educational perspectives on games in teaching cultural heritage Through the lens of videogames the authors explore how nations struggle with the legacies of war colonialism and religious strife that have been a part of nation building but also how victimized cultures can survive resist and sometimes prevail Appealing primarily to scholars in the fields of game studies heritage studies postcolonial criticism and media studies this book will be particularly useful for the subfields of historical game studies and postcolonial game studies

Baron, 2014-01-21 This book explains the period of great power peace in the last fifty years and outlines the path to perpetuating it Drawing on the Realist tradition and challenging conventional wisdom about the causes of American primacy Baron explores contributions to peace made by the balance of power nuclear weapons democracy and globalization

**Crimea, Global Rivalry, and the Vengeance of History** Hall Gardner, 2016-04-30 Gardner examines the causes and consequences of Russia s annexation of Crimea By

analyzing alliance formations and the consequences of other annexations in world history the book urges an alternative US NATO European Japanese strategy toward both Russia and China in the effort to prevent a renewed arms race if not global war     *Uprooted* Albert Marrin,2016-10-25 A Publishers Weekly Best Book of the Year A Booklist Editor s Choice On the 75th anniversary of the bombing of Pearl Harbor comes a harrowing and enlightening look at the internment of Japanese Americans during World War II from National Book Award finalist Albert Marrin Just seventy five years ago the American government did something that most would consider unthinkable today it rounded up over 100 000 of its own citizens based on nothing more than their ancestry and suspicious of their loyalty kept them in concentration camps for the better part of four years How could this have happened *Uprooted* takes a close look at the history of racism in America and carefully follows the treacherous path that led one of our nation s most beloved presidents to make this decision Meanwhile it also illuminates the history of Japan and its own struggles with racism and xenophobia which led to the bombing of Pearl Harbor ultimately tying the two countries together Today America is still filled with racial tension and personal liberty in wartime is as relevant a topic as ever Moving and impactful National Book Award finalist Albert Marrin s sobering exploration of this monumental injustice shines as bright a light on current events as it does on the past     *Rising Sun Victorious* Peter G. Tsouras,2015-09-01 In war victory can be held hostage to seemingly insignificant incidents chance events opportunities seized or cast aside that can derail the most brilliant military strategies and change the course of history What if the Japanese had conquered India and driven out the British What if the strategic link between the United States and Australia had been severed What if Vice Admiral Nagumo had launched a third attack on Pearl Harbor What if the U S Navy s gamble at Midway had backfired Ten leading military historians ask these and other questions in this fascinating book The war with Japan was rife with difficult choices and battles that could have gone either way These fact based alternate scenarios offer intriguing insights into what might have happened in the Pacific during World War II and what the consequences would have been for America Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home     **The Last Reformation: The David Church** James W. **Back-n-forth** Leonard Belisle,2008-05 In a classic personal story of faith and fortitude find out what it was like to get up at 3 00 o clock in the morning after three hours of sleep and then go out to fly an open cockpit biplane just inches off the ground at 100 MPH From the view through a bug splattered windshield and over 200 COLOR photos go BACK in time to see how seemingly unconnected events prepared a boy and then a young man to join this very exclusive club Then go FORTH to

experience the thrills of soloing a Grumman AgCat for the first time and later the chills of crashing through your first set of power lines After that keep on crop dusting Back and Forth for over two decades of hair raising flying on the razor s edge until your mind and body are finally spent and then find out why it was all worthwhile So let s cinch up our crash helmet strap on our safety harness light the fires and go BACK N FORTH      Back-N-Forth: Recollections of a Crop Duster (B&W Paperback) Leonard Belisle, In a classic personal story of faith and fortitude find out what it was like to get up at 3 00 o clock in the morning after three hours of sleep and then go out to fly an open cockpit biplane just inches off the ground at 100 MPH From the view through a bug splattered windshield and over 200 B W photos go BACK in time to see how seemingly unconnected events prepared a boy and then a young man to join this very exclusive club Then go FORTH to experience the thrills of soloing a Grumman AgCat for the first time and later the chills of crashing through your first set of power lines After that keep on crop dusting Back and Forth for over two decades of hair raising flying on the razor s edge until your mind and body are finally spent and then find out why it was all worthwhile So let s cinch up our crash helmet strap on our safety harness light the fires and go BACK N FORTH      Pearl Harbor Dick Klobuchar,2003 PEARL HARBOR Awakening a Sleeping Giant is different from most historical accounts of the Japanese attack on Oahu on December 7 1941 The attack created battlefields involving thousands of individual battles between Japanese and American combatants Men at each airfield and on every ship in the harbor fought to save their planes or ships their buddies and their own lives This book describes 15 of those battlefields from the perspective of the individuals who fought there It takes the reader to the very scene of these battles where you will share with them the horrors of their experiences and their innermost emotions You will witness extraordinary heroism of participants on both sides many of whom died as a result of it In each chapter the reader will also discover some little known incidents which are not included in most other accounts of the attack The book presents the seldom seen human side of the otherwise well covered event It also offers irrefutable logic and facts to support a conclusion rarely found in other accounts of the battle It concludes that the attack was not the Japanese victory that others claim but a resounding defeat from which the Japanese never recovered      **Take It By Force** Judy Jacobs,2013-07-29 LEARN TO WALK IN THE POWER OF VIOLENT FAITH Take a stand and fight back with your strongest weapon faith Judy Jacobs shares a message that will catapult you to a place of violent faith in Him a place that is beyond wishful thinking and outside the boundaries of religion and tradition Discover how to have faith like biblical characters such as Moses Jacob Joshua and Caleb who simply would not let go or settle for less than what God had for them And from the time John the Baptist began preaching and baptizing until now the Kingdom of Heaven has been forcefully advancing Matthew 11 12 NLT The biblical principles of this book reveal Why quick fixes are not the answer for your difficult situations What it means to fight the good fight of faith The three steps to violent faith How to be empowered by clearly understanding Matthew 11 12 The authority you have in Christ to take back by force what is rightfully yours God wants to do the unthinkable the undeniable and the unbelievable through you Will you

dare to believe Him with violent faith      **The USS Ward** Richard P. Klobuchar,2015-05-20 In 1940 the threat of war in the Pacific forced the United States to expand its fleet quickly This effort included reconditioning and recommissioning four stackers from the navy s reserve fleet Built in 1918 to fight German submarines the USS Ward earned at Pearl Harbor the distinction of firing the first shot in America s war against Japan In the three years that followed it was bombed shelled strafed and finally sunk on December 7 1944 yet none of her crew of 125 men ever lost a life in combat Information is drawn from naval records as well as from interviews with surviving crewmen Appendices provide Ward technical data a chronology of major events listings of citations earned in World War II and of amphibious landings and a roster of personnel
