the Torah to the New Testament the Tao Te Ching to the Buddhist scriptures the Vedantas to the Koran speak of making life enhancing choices where a force greater than the individual flows through us and informs our thoughts and actions In this book we ll focus on the three classic aspects of living such a spiritually guided life 1 alignment maintaining a direct and personal connection to the Source of our Being 2 discernment distinguishing the movement of Spirit in our lives from our own wants fears and social conditioning and 3 action making our best most inspired contribution to the evolution of life

Captain Marryat's Novels Frederick Marryat, 1896 **Mavericks on the Border** J. Douglas Canfield, 2014-10-17

Twentieth century authors and filmmakers have created a pantheon of mavericks some macho others angst ridden who often cross a metaphorical boundary among the literal ones of Anglo Native American and Hispanic cultures Douglas Canfield examines the concept of borders defining them as the space between states and cultures and ideologies and focuses on these border crossings as a key feature of novels and films about the region Canfield begins in the Old Southwest of Faulkner's Mississippi addressing the problem of slavery travels west to North Texas and the infamous Gainesville Hanging of Unionists during the Civil War and then follows scalpers into the Southwest Borderlands He then turns to the area of the Gadsden Purchase known for its outlaws and Indian wars before heading south of the border for the Yaqui persecution and the Mexican Revolution Alongside such well known works as Go Down Moses The Wild Bunch Broken Arrow Gringo Viejo and Blood Meridian Canfield discusses novels and films that tell equally compelling stories of the region Protagonists face various identity crises as they attempt border crossings into other cultures or mindsets some complete successful crossings some go native and some fail He analyzes figures such as Geronimo Doc Holliday and Billy the Kid alongside less familiar mavericks as they struggle for identity purpose and justice
